

Brain brewing-2022

Brain Brewing 2022 an intra-college general quiz was a two-day event held on the 25th and 26th of May by the Quiz Club. There was substantial participation of 121 students.

Day one consisted of two preliminary rounds, which were conducted online through a google form link. The first preliminary round had mass elimination from which we got our top 40 participants, followed by the second preliminary round through which we got our top 15 for the final round.

The finale was conducted offline on the 26th of May. The quiz consisted of four engaging rounds. Round 1 was a direct question with the scoring of Direct plus pounce, +10 for the correct answer and -10 for the wrong answer. Following that, we had the Audio and visual round, The quotes and tweets and the pictorial round. The rest of the three rounds were scored, based on maximum pounces. The winner of Brain brewing was Vishaal Samhala of B.com computers, the runner-ups were Shrinath Kulkarni and Rohit Raj.
