“My Story – Motivational Session Successful Entrepreneur/Start-up Founder”
(2022-2023)

Bhavan's Institution Innovation Council in association with Department of Management Studies organized a session for MBA 1st year students on 8th December 2022. The guest speaker was Mr. Susheel Dhanasri, Vice President, Sales & Marketing, Caprus IT Ltd. He spoke about “My Story-Motivational Session Successful Entrepreneur/Start-up Founder”.

98 students of MBA 1st year attended the guest lecture. Guest speaker discussed with students by sharing his career experience and gave the guidelines on further specifications with his beautiful career aspects.

Head of the Department and faculty of MBA has provided a way path of career guidelines to the management student's by Mr. Susheel Dhanasri and helped students to get a conclusion of choosing their passionate dreams accordingly.

He had explained and guided about the skills that has to be achieved further to achieve the passion of our dreams. Entrepreneur/startup is nothing but starting upon the individual innovation's according to the basic needs of surrounding's and standing upon our own feet's by facing risks and achievements of our mission. The main aim should to be to expand our passion career through completing demands.

The career of our dreams should always have a growth potential and there have to be the right investment. The maximum recognition comes from funding. He explained with an example of Green filed that is a larger project and a Brown filed that is a daily throughput or keep growing process.

Welcoming guest Speaker with a warm Presence. Motivating everyone with his great Career Experience.

He has discussed by clarifying the doubts of Management students with a great examples of his professional career background. He had succeeded in his career through his passion without having a graduate certificate and he played as a smarter key role. He didn't had a clear step and a prepared further schedule but succeeded through the concentration of that particular field. He had a navigation through despite and desire. He concluded himself by a tag line "TAKE LIFE AS IT COME'S" Which explains that there should be a confidence to feed ourselves by success through the downfalls. Has to be ready to face obtacles to become a successful person.
