Dash Hackathon Report

Date: 29/04/2023

Bhavan's Vivekananda College of Science, Humanities & Commerce – Department of Maths & Statistics and Department of Commerce and unp.education in collaboration with Department of Statistics and Department of Commerce, Osmania University organized Data Dash Hackathon on 29th April at the college campus in Sainikpuri, Secunderabad.

145 Participants from across **22 Institutes** of Hyderabad joined us in this esteemed Competition. Students from all the degrees, such as Science, Commerce, Engineering, etc. participated as Solo contestants or formed a duo to participate in the Hackathon.

The Hackathon involved two Categories of Data Science & Business Analytics. All the registered teams received a 5-Day Masterclass training from 21-25th April by UNP on Data Science & Business Analytics. Contestants had to solve relevant business problems in 5 hours on data sourced by UNP's team.

On the day of Hackathon, Data Science contestants were given key indicators of Indian Stock Market, and they had to predict the opening price of a stock portfolio. For Business Analytics project, contestants were given a company's sales data and they had to generate actionable business insights out of it.

The winners in Data Science were Sreedeep Yalamanchi and Rohit Srikrishna Mittianti, from Cal Public School; runners up were Aditya Guzzu, Aditya Chowdhuri (2nd) and Ashok Rampalli, Praneet Parameshwar (3rd) from the Bhavan's Vivekananda College of Science, Humanities & Commerce . And in the Business Analytics category, the winners were Aditya Karike, Aditya S from Bhavan's Vivekananda College of Science, Humanities & Commerce , Kailash M S from Amrita Vishwa Vidyapeetham came up 2nd, and Samyuktha Ananthan, Shubhangi Barua from Bhavan's Vivekananda College of Science, Humanities & Commerce grabbed the 3rd spot. Total cash prize worth Rs 45,000/- was given to the winning teams who were evidently overjoyed. Overall, the participants had a wonderful experience and expressed

thanks to the organizers for the Hackathon conducted by the UNP team and social events organized by the students by Bhavan's Vivekananda College of Science, Humanities & Commerce .

Prof. G. Jayasree, Vice Principal, University School of Science, Department of Statistics, Osmania University, resided as the Chief Guest for the event. The respected principal of Bhavan's Vivekananda College of Science, Humanities & Commerce , Dr. G S V R K Choudary also graced us with his presence.

Bhavan's Vivekananda College of Science, Humanities & Commerce is a graduate and postgraduate college in Sainikpuri, Secunderabad. The institute was established by the Bharatiya Vidya Bhavan trust in 1993. It offers graduate and postgraduate courses in Science, Commerce and Humanities.

UNP has been working with Bhavan's Vivekananda College of Science, Humanities & Commerce to upskill their students and integrate Data skills with various other departments like Statistics, Commerce, Management, etc. Students undergo value-added courses and Internship programs in Data Science, Business Analytics through UNP's project project-based and soft-skill training to bridge the gap between college to corporate.
