INSTITUTION'S INNOVATION COUNCIL
(Ministry of Education Initiative)

MHRD'S INNOVATION CELL
(GOVERNMENT OF INDIA)

A. About IIC Institute

Initiative of MHRD:

Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes.

Bhavan's Institution's Innovation Council helps in planning, channelizing and organizing round the year activities in the areas of innovation, entrepreneurship and IPR to sensitize and motivate students and faculties to pursue innovation and start-up during their academic years.

Vision:

The Institution Innovation Council of Bhavan's College aims to create an innovation ecosystem to support innovations and ideas of students and faculty and provide a conducive environment for optimum harnessing of their creative pursuit

Mission:

To actively support their faculty and students to participate in innovation and entrepreneurship related activities and encourage students to consider startups and entrepreneurship as a career option.

Establishment:

- The Bhavan's Institution Innovation Council was established in on 11th September 2020

M. Testimonials from IIC members and external about IIC institute and IIC of MoE's Innovation Cell

The IIC of MoE's Innovation Cell has been helping the Institution to foster and promote the culture of Innovation among the college students. The training programmes initiated by the IIC is really helping the faculty to understand the concepts of Entrepreneurship and Innovation. I thank the MoE's Innovation Cell for giving us the opportunity in being a Part of IIC.

Ashwini- Convener.

The Bhavan's Institution Innovation council has been organising various activities to promote Entrepreneurship and Innovation and start up culture in organisation. The sessions on Business Canvas Model, IPR etc., has enriched the students and faculty with the requisite Knowledge.

Mrs. Sharon Rosy- Member.

The Innovation Ambassador training was indeed very useful and much needed to be well equipped with the concepts and ideas of entrepreneurship. The training was well planned and organised and was evident that a lot of effort has gone into training the young entrepreneurs and ambassadors. I learnt a lot and looking forward for more activities.

The college has organised and is organising many sessions under IIC and in the process, we have had the opportunity to get to know many eminent speakers and people excelling in the field of entrepreneurship and paving the path for the young generation. It is indeed an honour to be part of the BIIC and also rendering our services whenever needed.

Mrs. Amitha- Member

The Institution and Innovation Council of Bhavan's Vivekananda college has given a good opportunity to understand the various innovative platforms such as start ups, incubation centres and entrepreneurship. The initiative of Ministry of Education to foster the innovative culture in higher education institutes has been successfully implemented in our college and we faculty inculcate the innovative ideas of MoE into students. The basic and advanced training programs of the MoE was really informative and useful, which focused on New education policy, the ides of start-ups, entrepreneurship and the stories of successful entrepreneurs of India.

Dr.Rachana Kumari - Member
