Bhavan's Institution Innovation Council

Orientation Session on Institution Innovation Council Report

An Orientation Session on Institution Innovation Council was conducted on 4th February, 2023 at Biochemistry block in Room No. 71 at 2:00 pm for all the second year students in life sciences. The objective of the session was to create awareness about the initiatives of the Ministry of Education Innovation Cell(MIC) in Higher Education Institutes(HEIs). The speaker of the session Dr I Rachana Kumari, Innovation Ambassador BIIC presented an overview on the initiatives of MHRD - MIC through a powerpoint presentation. The session dealt with the concepts like vision, mission, objectives and function of MIC. To motivate the students on design thinking , Ideation and building of prototypes etc were also discussed with the help of examples. She also discussed the history of the establishment of Bhavan's Institution Innovation Council, and the events conducted under the same since inception. She urged the students to come forward and explore their ideas and be a part of BIIC. Faculty and 40 students from all streams of life sciences attended the session. The session was fruitful and informative.
