WE HUB, WE ALPHA COHORT Programme organized at WE HUB Government of Telangana

On 23rd July 2022, State-led incubator WE HUB announced the graduation of its first cohort of student entrepreneurship programme. 'WE Alpha'. As many as 45 students participated in the event from six colleges from Telangana. They were exposed to ideation, technical mentoring, design knowledge, business, interpersonal, team building and communication skills. The teams have developed prototypes.

WE HUB created WE Alpha to focus on students. They learn about entrepreneurship. The curriculum allows students to think critically, solve problems, be creative, and innovate," said Deepthi Ravula, CEO, WE HUB.

Students presented their innovative IDEAS and they were given Internship opportunities in various startups as well.

The programme provided various insights about how startups can be incubated into prototypes.
