Importance of Meditation by Brahma Kumaries

Meditation is the journey inwards, a journey of self-discovery or, in fact, re-discovery. Meditation is time taken for quiet reflection and silence, away from the hustle and bustle of daily living. Taking time out enables us to come back to a centred place of being. In our

modern world, the pace of life is growing ever faster and we are losing touch with our true inner peace and power. When we no longer feel grounded, we can experience ourselves pushed and pulled in many different directions. It is at this point that we start to experience stress and a feeling of being trapped. Gradually, over time, this feeling leads to illness and disease, as our mental, emotional and physical health is thrown out of balance. They explained this with the following steps.

Step 1- Relaxation

Step 2- Concentration

Step 3- Contemplation

Step 4- Realisation

Step 5- Meditation

We thank Mr B Das from Political Science Department for providing this awareness Program

Report on Swachh Bharath Abhyan at MGBS BUS STOP

Date – 2nd October 2018

On the special occasion of Gandhi Jayanthi, [the birth date of Gandhiji] Osmania University conducted a Swachh Bharath Abhyan on the 2nd October morning at Mahatma Gandhi bus stop Hyderabad.

The event was completely based on spreading awareness about having cleaner India and also cleaning different areas in and around the bus stop. Around 50 different colleges all over the city participated. **30 students** from our college NSS Team Bhavans started off early in the morning and reached the place around 9 am

We Bhavanites along with our NSS programming officer Mr P. Srinivas first registered ourselves and we were assigned to perform a rally about 1.5 km and returned and started cleaning the area immediately. We collected all the thrown plastic and non –biodegradable wastes into one bag and all the biodegradable wastes like paper, tickets into another bag.

There were many senior officers and OU lecturers who appreciated us on giving our best. The event came to an end at 12 pm and we all set back to our homes.

The main motto for the event to be conducted was to have a cleaner and greener country as Mahatma Gandhi rightly said “Sanitation is more important than Independence”.

(26/7/18 TO 30/7/18)

The NSS unit of Bhavans took up the responsibility of helping the people of Nagaram to move towards welfare. With a Team of our dedicated volunteers visited the village and provided services that could help the dwellers of the village. We indulged in many activities such as Swachh Bharath, Haritha Haram, rallies, survey, Swachh Mela, street play, public speaking, door to door survey etc. We cleaned their streets, conducted rallies and educated them about the social evils prevailing in our country. We even took up door to door surveys where we got to have personal interaction with the people and could get to know more about their grievances. The main aim of ours behind conducting such a camp was to spread awareness amongst the slum dwellers and do our part and play our role in improving their living conditions and teach them to live healthy by keeping their surroundings clean and keeping themselves hygienic. In this program a total of 32 volunteers (20 girls and 12 boys) have taken part.
