Eco-Bappa

Day - 3

Day 3 of ECO-BAPPA was a special one. B.C.E had attempted to promote the cause in a different way. As a part of that, Street play was performed by students whose efforts got paid off with good response from students & teachers. The script for the street play was penned down by 2 of the sub heads, Sowmya Ramanathan & Prajakta Valir, who worked together in bringing up the play with a message. Street Play was a series of conversation between 2 kinds of people and their opinions through set of scenes. Ultimately promoting the use of ECO friendly idols was a matter of protecting nature.

On the whole, the 3 days event ECO-BAPPA was well planned & well implemented with the efforts of entire team.

Thanking You for all the support so far!
