MINUTES OF THE MEETING:

The points discussed as per the proposed agenda, are as below:

- **Categorization of papers as Employability, Skill Development, and Entrepreneurship:**

- It was suggested to have Advanced Features of 'C' as an elective.
- The categorization of the courses is recommended to be ratified as below:

Skill Development	C, C++. Visual Programming, PHP with MySQL, Web Technologies
Employability	Data Structures, Libre Office and Calc, Database Management Systems, Java, Operating Systems, Computer Networks
Entrepreneur Skills	PC Maintenance, Software Engineering

- **Suggestions for a Value Added Course:**

- It was suggested to introduce Bootstrap through which the students could design Web pages, Swift Language to develop Apps. This course could be introduced for all streams as a General Elective.
- IOT and Aurdino Programming also could be included for a Value-Added Course.
- It was recommended that the students be exposed to various other technologies like Networking, IOT, Cloud Computing etc., also, other than Programming Languages

- **Implementation of new OU Curriculum from 2020-21 and Suggestions for new Course or Programme:**

- The present curriculum for 2019-20 was finalized through the BOS meeting held in the month of March'19, hence, it has been resolved by the Academic Council, that the new OU curriculum will be implemented in 2020-21.

CHAIRPERSON
BOS in Computer Science

Associate Professor
Dept of Maths O.U

• **Introduction of a New Programme, B.Sc (Honors in Data Science):**

- It was proposed to keep only the basic concepts of Artificial Intelligence, preferably one particular aspect in AI such as Natural Language Processing, as they would also be learning Big Data Analytics in the later semester.
- It was advised to implement Artificial Intelligence Lab with any easier and simple languages like Python or R-Programming.
- It was suggested to have Scilab instead of MATLAB.
- It was encouraged that the students be exposed to more of free source softwares and those which the industry demands.
- The future scope of the Programme, B.Sc (Honors in Data Science) was discussed.
- It was recommended to frame the Data Science syllabus, especially for Computer Science, from websites like INSOFE, INSAID, IBM's Coursera etc.
- When asked about, reference books for subjects related to Data Science, it was counseled to refer to videolectures.net for any topic.
- A proposal was given to make the students work on market demanded projects.
- It was resolved to conduct a few series of meetings regarding finalization of the syllabus for B.Sc (Honors in Data Science).

Mrs.K.V.B.Saraswathi started the meeting addressing and wishing the members of Board.

She also thanked all the Professor's from the University for taking time out from their hectic schedule and making it convenient to come and attend the meeting and share their valuable thoughts.

Suggestion made by

Dr.C.GOVARDHAN:

- Instead of MS-Office in SEC, he asked to include Open Office and change the title of Advanced Excel to Open Concepts of Excel or Spreadsheet.
- The course on IT laws to be changed to Cyber Laws.
- Change the subject to Web Designing from Web Programming in III Yr(5th&6thSem).
- After going through the Data Structures syllabus, he checked if the concept is as per the prescribed text book.

DR. M.V RAMANA MURTHY:

- He said that Cyber Laws is incomplete without security features like Worms, Gatekeepers, Hacking and types of Hacking, Black Hack, Grey Hack etc.and asked to include them in SEC.
- The subject name to be changed as Cyber Laws and Information Security from IT Laws.
- He suggested to include DDL, DML&DCL commands in Unit-II in theory also for DBMS (CBCS).
- The subject name to be changed as Visual Programming from Visual Basics.

DR. J. ANAND RAO:

He went through exam pattern in detail.
He also checked the overall credits.

MR. K RAMAKUMAR:

He said Cyber Laws is the need of the day and student should get to know about it.
He also said Advance Spread sheet concepts are very important for data analysis.

Further suggestions give in common by the BOS members are:

The board appreciated the concept of P C maintenance and Information Security and Cyber Laws in SEC.

It is resolved to:

Minutes of the meeting:

- Mrs.K.V.B.Saraswathi started the meeting addressing and wishing the members of Board. She said this is second time we are conducting the meeting this year.
- We had the first meeting on 24th March-but since our parent University is implementing CBCS along with semester system from 2016 as per the guidelines of UGC, and we being Autonomous must follow the parent university and implement CBCS.
- She also thanked all the Professor's from the University for taking time out from their hectic schedule and making it convenient to come and attend the meeting and share their valuable thoughts.
- She also explained that we are running three different formats this year i.e. final years are under Osmania University affiliation and present second years are Autonomous without CBCS and first years would join with Autonomous and CBCS.

Dr.M.V.Ramana Murthy:

1. He suggested to include no of credits and Hours per week for Practical in C++
2. While teaching the Numerical Computing, he suggested to teach the paper with Algorithmic Approach.

Prof. C.Govardhan, Chairman:

1. He suggested the faculty members to execute and teach Java programs on different OS platforms.
2. He advised the latest technologies like Python, .NET etc., to be included as part of the course.
3. He suggested to frame the syllabus depending on the No.of credits, where 1 theory hour in a week is considered as 1 credit for theory and 2 practical hours in a week considered as 1 credit.
4. In response to the suggestion made by Mr P. Srinivasa to include Java in the CBCS pattern, the Chairman said the panel would keep it in mind to include it in either 5th or 6th semesters, basing on the possibility.

Dr. M. Rangamma:

1. She suggested to add the no.of teaching hours and the no.of credits dedicated for both theory and practical in the CBCS syllabus table.
- **Prof.C.Govardhan, Dr.M. Rangamma, Dr.M.V.Ramana Murthy, Dr. S. Parvathi,** said not to make any changes to DSC (Discipline Specific Courses) as of now. However, they said make any changes to the DSE (Discipline Specific Electives) and SEC (Skill Enhancement Courses) can be made if necessary.
 - They emphasized only on the 1st year syllabus and said the syllabus of second and final years will be discussed in the next meeting.
