MINUTES OF THE BOARD OF STUDIES (UG) MEETING**

The 6th meeting of the Board of Studies (BOS) in Chemistry was held on 17.12.2019, in the Committee Room of the College. The following members were present:

- | | | |
|--|-----|------------------|
| 1. Dr.Madhumita Bhattacharjee | ... | Chairperson, BoS |
| Head, Dept. of Chem., BVC | | |
| 2. Prof. K.Bhasker | ... | OU Nominee |
| Prof. Department of Chemistry,
O U, Hyderabad | | |
| 3. Dr P S N Reddy | ... | Member |
| Professor of Chemistry (Retd), OU | | |
| 4. Ms.A Prajwala | ... | Student |
| 5. Ms.D Rajeshwari | ... | Member |
| Lecturer, Dept of Chem, BVC | | |
| 6. Ms.Mary Nygi Kurian | ... | Member |
| Lecturer, Dept of Chem, BVC | | |
| 7. Ms.Moumita B | ... | Member |
| Lecturer, Dept of Chem, BVC | | |
| 8. Ms.Prerana Loomba | ... | Member |
| Lecturer, Dept of Chem, BVC | | |
| 9. Dr.Aruna Priya | ... | Member |
| Lecturer, Dept of Chem, BVC | | |

The members have discussed the agenda and RESOLVED to:

1.The members have discussed the syllabus content of the following courses and also were reviewed for employability and skill development.

- Semester III & IV - CT335, CT335P, CT435P
- Semester V & VI - CT535A(Elective-I), CT535A(Elective-II), CT535P, CT535AP, CT635A(Elective-I), CT635AP

- Skill Enhancement Course - SE335, SE435, SE635
- Generic Elective - GE535, GE635

2. A power point presentation was presented on the progress of the department.

- Suggestions were given to upload the activities conducted by the department, like Jeevan Dhara, a Documentary on 'Save Water' on the college website.
- Prof. P S N Reddy suggested uploading a lecture series on SWAYAM Portal.

3. Suggestions on new programs proposed by the department were discussed.

- A new program was suggested for the academic year 2020-2021, Microbiology, Dietetics and Nutrition, Chemistry.
- The board members approved of this program.
- A Value Added Course on 'Bio degradable packaging' (35 hours), in collaboration with Indian Institute of Packaging, Hyderabad was proposed from January 2020

4. The results of the chemistry course for the academic year 2019-2020, for semester 1, III and V was discussed by the BoS members.

- The student representative expressed her opinion for notes to be circulated after each unit.
- Suggestions were given by the board members to start using one standard text book for each unit – Organic Chemistry, Inorganic Chemistry, etc and not to rely completely on notes given by the teachers.
- Suggestions to take unit wise questionnaire analyses of the SEE from the Exam department and to follow up was given by the BoS member.

The meeting ended with vote of thanks by the chairperson.

The members have discussed the agenda and RESOLVED to:

1. Approve the syllabi for I and II semesters of B.Sc. Chemistry, both theory and laboratory, for the academic year 2019-2020, with suggested corrections in the titles and text of the syllabus. There was a suggestion to include one book as text book and other books as reference books.

2. The course objectives and course outcomes were discussed and changes were made as per the suggestions made during the meeting. Suggestions were also given to make a single course outcome and not unit wise.
3. The syllabus content of CT135 & CT135P, CT235P for semi micro analyses would enable students to develop their skill for further analysis, as mentioned in the course outcomes.
4. A thorough discussion was carried out on the poor performance of the students in Sem III & Sem V for the academic year 2019-2020 and it was resolved to take special attention of these candidates (Teacher-Mentor system). Suggestions were to inform the parents in writing about the academic status of their wards.
5. Discussions were made on the purchase of specific equipments, teaching kits to be purchased by the department as a part of star DBT funding. Suggestions were also given by the Board on new projects to be started by the department.
6. The Board approved the new panel of examiners and in case of urgency authorized the Chairperson, BOS, to appoint in consultation with the Principal of the College, qualified examiners outside the approved panel. Such arrangements were however to be reported to the BOS in the immediate meeting.

The meeting ended with vote of thanks by the Chairperson.

The members have discussed the agenda and RESOLVED to:

1. Approve the syllabi for V and VI semesters of B.Sc Chemistry, both theory and laboratory, for the academic year 2018-2019, with the following suggestions:

- (a) To include the topics 'Molecular Spectroscopy' and Mass Spectrometry in Elective -2 of Semester V (CT635A) in the place of the topic on 'Analysis of Water'(Unit III)
- (b) To mention the 'Learning Objectives' and the expected 'Learning Outcome' for each course I the syllabus of each semester (I-VI)

2. The Subject Elective Courses (SECs) and Generic Electives (GEs) in Chemistry are offered as under:

Sem III- Safety in Chemistry Laboratory and Preparing Lab Reagents

Sem IV- Green Chemistry

Sem V- Basic Analytical Chemistry

Sem VI- Cheminformatics

Sem VI- Organic Farming

Sem-VI- Chemistry of Cosmetics & Perfumes

3. The maximum marks for a laboratory course in each Semester End Examination (SEE) and the scheme of evaluation should be:

Maximum Marks - 25 Marks

Practical efficiency in the lab classes + record -5 Marks

Viva (to be conducted during SEE) -5 Marks

Experiment results in SEE - 5 Marks

4. A thorough analysis of the following issues to identify the reasons for poor percentage in passes in I-Sem (Chemistry); and the same may be presented in the next BoS meeting.

- Result analysis for the past 3 years
- Students feed-back on the syllabus and teaching
- Question papers
- Comparison with the I-Sem results in other subjects

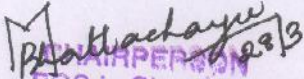

5. Meanwhile, the department may initiate the following measures:

- (a) Conduct orientation sessions to the fresh entrants,
- (b) Conduct remedial classes for slow learners,
- (c) Encourage 'Group Discussions' among the students on the subject,
- (d) Devote the first 10 minutes in each lab class to explain the students as to how they should handle the apparatus involved correctly.

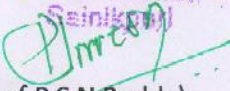

6. To invite a student of VI-Semester to the next BoS meeting

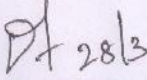

7. The Department should acquire modern laboratory equipment, at least for demonstration purpose, and e-learning material and progressively improve the teaching-learning facilities.
8. In case of urgency, authorize the Chairperson, BOS, to appoint in consultation with the Principal of the College, qualified examiners outside the approved panel. Such arrangements should however be reported to the BOS in the immediate meeting.

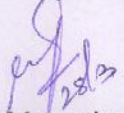

The meeting ended with vote of thanks by the Chairperson.

The members have discussed the agenda and resolved to:

1. Approve the syllabus- CBCS structure (distribution of papers/units/courses) for B.Sc Chemistry subject, both theory and laboratory, in Semesters III & IV.

2. Approve the detailed syllabi for Chemistry papers of Semesters III and IV(CBCS System) and for implementation during the academic year 2017-18.
3. Syllabus of Semester III, UNIT-IV (Synthetic strategies) to be taught in Semester V and Nuclear chemistry to be introduced in Semester III.
4. Approve the model practical paper for Semesters III and IV.
5. Approve the Skill Enhancement courses –Green methods in chemistry and Cheminformatics for semester III & IV, respectively.
6. Approve of the credits assigned to the subject (both theory and practicals).
7. The board also discussed the results of Semester I (non CBCS system) and the necessary measures taken for the improvement thereafter.
8. If the list of examiners approved in the 2nd BoS meeting gets exhausted ,the Chairman BoS is authorized to appoint a new examiner in an emergency.

6. Mr. Mohd. Junaid ... Scientist, GVK Bio-Sciences & Alumni
7. Mr. Ramana Murthy ... Lecturer, Department of Chemistry, BVC
8. Ms. Rajeshwari ... Lecturer, Department of Chemistry, BVC
9. Ms. Mary Nygi Kurian ... Lecturer, Department of Chemistry, BVC

The members have discussed the agenda and RESOLVED to;

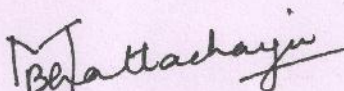

1. Approve the syllabus structure (distribution of papers / units / courses) for B Sc Chemistry subject, both theory and laboratory, in Semesters I-VI (Annexure I),
2. Approve the detailed syllabi for Chemistry Papers I and II (Sem-I and II) for implementation during the academic year 2015 – 16 (Annexure II),
3. Approve the panel of examiners for Semesters I and II (Annexure III),
4. Recommend that the
 - (a) Maximum marks for each theory paper be 100 with 70 marks for external evaluation and 30 for internal evaluation,
 - (b) Maximum marks for each practical paper be 50 with 35 marks for external evaluation and 15 for internal evaluation,

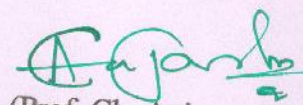

- (c) Theory and practical papers be evaluated by internal examiners in the end-sem examinations of odd semesters, and by external examiners in the end-sem examinations of even semesters,
- (d) The question paper for the end-semester examination shall have two parts - A and B. In Part-A, there shall be four (4) short answer questions, one each from the four units in the paper, without any choice and; in Part-B four (4) long answer questions, one each from the four units, with internal choice,
- (e) The internal evaluation shall include tests, assignment, seminar presentation, minor project, quiz etc.,
- (f) The criterion for allotment of credits to each paper / course be

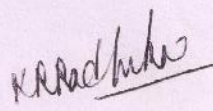

For theory paper: One (1) credit for One (1) instruction hour / week
For practical paper: Two (2) credits for Three (3) instruction hours / week

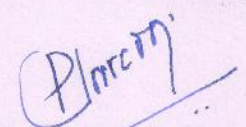

5. Appropriate text-books and reference books should be mentioned at the end of each semester. One standard text-book each for Inorganic, Organic, Physical and General Chemistry be prescribed.
6. Assign a code number to each paper, like Chem101 etc.

The meeting ended after the Chairperson thanked all the members.
