A REPORT ON LANGUAGES DAY 2018

We had conducted the languages day competitions for the year 2018-19 from the 27th of August till the 1st of September. It was indeed a week of creative and educative activities where there was enthusiastic participation from all the students of the college. It was a platform where students could showcase their talents and also nurture them. There were various events in English, Hindi, Telugu, Sanskrit and French. Competitions like Extempore, poetry recitation, creative writing and presentation of skits were conducted in English, Hindi and Telugu. Then we had the Slokas recitation, words in a minute and Tambola in Sanskrit, subsequently we had the French event 'Tour De France'.

Each event was conducted from 2:00pm onwards everyday during the week. Students enrolled and participated in huge numbers and the whole celebration was a grand success. It was satisfying and fulfilling for us as teachers to see the talent, creativity and knowledge that our students displayed. We are immensely proud of our students who make this institution rise to greatest heights.

A total of about 390 students participated in all the events. Out of them, 47 of them emerged as winners in the respective events they participated in. There are 25 first prize winners, 23 second prize winners and one special prize for the Mime.. It was an out and out enthusiastic participation from each and everybody who was a part of this enriching program.
