Triumphant Institute of Management Education Pvt. Ltd.

5th May, 2017

To,

The Principal

Bhavan's Vivekananda College for Science, Humanities and Commerce,
Sainikpuri.

SUBJECT: CRT (CAMPUS RECRUITMENT TRAINING) PROGRAM

Dear Sir,

Greetings!

This is further to the discussion with you regarding the CRT 'Student Development Program - SDP' for your students.

Enclosed is our Campus Recruitment Training structure (15-sessions Program). The Program that we have structured exclusively for your students is intensive and will give an insight on prerequisites that a candidate needs to have while approaching companies. It would provide insight on changing trends and make them aware on industry expectations. The Program would deal with basics in aptitude, soft-skill enhancement & evaluation.

- ANNEXURE 1: T.I.M.E. A Brief Profile
- ANNEXURE 2: Course Structure for CRT - 15 Sessions
- ANNEXURE 3: Delivery Mechanism
- ANNEXURE 4: Pricing with Terms & Conditions

We would like to take this opportunity to assure you of the quality of instruction that would be imparted and we are sure that your students will be very happy with the course. We are looking forward to an enduring long-term relationship with your esteemed institution.

We now look forward to your confirmation of the terms and conditions to enable us start the Program.

Yours truly,

for Triumphant Institute of Management Education Pvt. Ltd, (T.I.M.E.)

Isaac Allada

Sr. Manager - Marketing

ANNEXURE 1 - T.I.M.E. PROFILE:

T.I.M.E. (Triumphant Institute of Management Education):

T.I.M.E. is one of the leading coaching institutes for Test Preparation in India, one of the largest networks among all coaching institutes in the country. T.I.M.E. is headquartered at Hyderabad and today runs 240 offices in 114 cities throughout the country, we operate from more than 20 locations in Telangana/Andhra Pradesh (a detailed list of our offices is available at (www.time4education.com) and offer training for national level exams such as CAT, NIMCET, MAT, JEE, etc.. We also cater to the local needs by training students for exams like the ICET in Telangana/Andhra Pradesh, the Maharashtra CET, and other state-level exams in different states, apart from offering training for international tests such as the GRE test, the GMAT® and the TOEFL® iBT.

We have trained over million students for various courses over the last 24 years. This year alone we have trained above 75,000 students for the CAT examination across the country. This makes us one of the largest classroom coaching institutes for CAT in the country. At T.I.M.E. we believe in letting our results do the talking. Last year students who were part of our flagship program and were given training for CAT performed impressively. **A total of 2301 T.I.M.E. students have made it to the IIMs through CAT-2015 - "Results validated by VSMB and Associates on 16/08/2016"**. This is the best result produced by any CAT coaching institute in the country.

T.I.M.E. has been offering Campus Recruitment Training for students from colleges that offer professional degrees (like Engineering & PG) to colleges offering general degrees like B. Com, B. Sc among others. This course is designed to train students for all the stages of Campus Recruitment. The program is continuously updated as per the changes in the recruitment procedures of various corporates to ensure the right focus. Over the years we have trained more than 50,000 such students.

T.I.M.E. employs a large number of full time faculty members across the country. These faculty members are highly qualified and experienced. The faculty team consists of a large number of MBA graduates from leading management institutions in the country, PhD holders in various areas, M. Phil graduates, engineering graduates from the IITs, RECs etc. The centres across the country are managed and run by highly qualified professionals - a number of them from top management institutes like the IIMs/XLRI. For all these professionals, education is something that is very close to their heart. Such highly qualified professionals with great love for education and wedded to the philosophy that can only mean one thing - students get the best inputs for their preparation. Today we are a company of more than 1900 strong. T.I.M.E. achieved an impressive brand turnover of Rs. 332 Crores.

To,

The Principal,
Bhavan's Vivekananda College,
Sainikpuri,
Secunderabad - 500094.

Sub: Request for starting Value-Added Courses in computer science department.

Sir,

The department of computer science is planning to start value-added courses in this month for all under graduate students.

I request you to kindly permit us to conduct this programme.

I recommend Mr. G. Mahesh Kumar, Assistant Professor, Department of Computer Science as the coordinator for value - added courses.

The details of the courses schedule and fee details are enclosed for your kind perusal.

Thanking you,

yours sincerely

K. V. B. Saraswathi Devi
(K. V. B SARASWATHI DEVI)

Head. Department of Computer Science

Permitted to
start courses in

A Report on Value-Added Course-2017

The department of computer science has conducted value-added courses in the following area in the month of July 2017:

➤ ARDUINO PROGRAMMING

ARDUINO PROGRAMMING was handled by Mrs. M.Amitha, Lecturer in department in computer science. This course duration was for **30 days**. In this, contents like Arduino Programming basics, Programming to activate sensors, etc, was covered. Total numbers of students registered were **68** and they were from B.Sc(Electronics) Physical Sciences III and V Semester.

Mr. G Mahesh Kumar,
Assistant Professor,
Value-Added Course Coordinator,
Department of Computer Science.
BVC.

Value-Added Course

Arduino programming for automation

Duration of the course : 30 Hrs

Objective of the course : Using the computer programming (OOPS) in electronic control systems like industrial and home automation.

Introduction :

Arduino is an open-source electronics platform based on easy-to-use hardware and software. **Arduino** boards are able to read inputs - light on a sensor, a finger on a button, or a Twitter message - and turn it into an output - activating a motor, turning on an LED, this is also **extensively used for IOT prototype development**.

Training content :

Arduino basics

- What is Arduino (Day-1)
 - Hardware and I/O
 - Types of Arduino
 - Where can be used
- Arduino interfaces and shields (Day-2)
 - Relay modules
 - Communication modules
 - Sensor modules

Arduino programming basics

- Arduino programming (Day-3,4,5,6,7,8)
 - Arduino IDE
 - Program structure
 - Compiling and loading “Hello World” program
 - Variables
 - Operators
 - Control statement (IF—Else)
 - Iteration statements (For, While loops)
 - Read and write statements
 - Functions

Arduino Labs

1. Toggle switching with a push button switch (Day-9)
2. Controlling three LEDs with a single push button (Day10)
3. Blinking LED and Running LED (Day-11)
4. Driving a 230 V bulb with a push button (with a relay) (Day-12)
5. Controlling a bulb with a light sensitive (LDR) switch (Day-13)
6. Controlling a bulb with a mobile (Day-14)

Arduino Projects

1. Programmable college bell with automatic birthday announcement
2. 10 Keypad security code lock
3. Light sensing controlled lights
4. Traffic density based traffic signal
5. Controlling lights with Android
6. Water tank level indicator

A handwritten signature in blue ink, appearing to be 'G. M.', with a long horizontal stroke extending to the right.

Course outcomes:

1. Students will acquire knowledge on different Smart System applications.
2. Students will acquire knowledge about Automation basics using **Arduino Programming**.
3. Students will gain knowledge on IoT programming languages & platforms.
4. Students will gain knowledge on design ,development and implementation of various smart system applications(Home and small industrial)
5. Students will get enough knowledge on choosing IoT programming as their career path.

A handwritten signature in blue ink, appearing to be 'G. M.', with a long horizontal stroke extending to the right.

Sub: Request to Start Certificate Course- Photography

Dear Sir,

This is to bring to your kind notice that the Certificate Course Committee is planning to start a photography course in December 2017 for both UG & PG courses of BVC for a fee of Rs.2000 per student, duration of the classes will be 32 hours. The objective of the course is to train students on the basics of professional photography and make them aware of the career aspect of the field.

The course consists of two theory classes and two practical sessions which will include Photo walks, Photo discussions, Basics of post processing, Travel photography and concept of Portraits and Landscapes.

We request you to kindly permit us to conduct photography course.

L.V. Kamala Devi

Certificate Course Coordinator

V. Achutamba

Photography Course Coordinator

Permitted.

11 15.00m 11/11 4/12/17

CIRCULAR

The Certificate Course Committee is conducting a certificate course for both UG & PG in the following area:

Course Name	Duration	Fees
Photography	2 months	Rs.2000/-

For Registrations contact

1. L.V.Kamala Devi , Asst. Professor, Department of Commerce
2. V.Achuta, Lecturer , Department of Management Studies

Registration starting date: 4/12/2017.

Registration ending date: 8/12/2017.

The classes are going to commence from December 11th, 2017

The timings of the classes will be 2:30 to 4:30p.m. on Thursday and Saturday.

Report for Photography Certificate Training Program

Objective -

The mentors (Aman Sharma & Gaurav Paul) had conducted 2 months training program in order to teach students, the basics and tricks of professional photography and make them aware of the career aspects of the field.

Summary -

This course should help the aspiring photographers who want to pursue career in the field of communication design (photography).

The course consisted 3 of theory classes per week with time duration of 1 hour. Photo-walks, photo-discussions and post-processing session were in addition apart from the regular theory classes

Total number of classes: 32

No. of students: 17

No. of classes conducted (until 03/02/2018): 32

A. Theory

B. Practical

Trainees -

- Aman Kumar Sharma
- Gaurav Paul

Areas of discussion (Topics Covered)

TRAINEE	<u>TOPICS COVERED</u>
Aman Kumar Sharma	<ul style="list-style-type: none"> ➤ What is photography and its various genres ➤ How camera work? (mobile phone, bridge camera & DSLR) ➤ Framing and angle ➤ Composition of an image in street photography ➤ Concept of portraits and landscapes ➤ Use of natural light source in various genres of photography ➤ Travel photography ➤ Smart hacks and tricks of mobile phone camera, point & shoot and DSLR ➤ Long exposure ➤ Astro photography ➤ Ethics in Photography
Gaurav Paul	<ul style="list-style-type: none"> ➤ What is photography and its various genres ➤ How camera works (mobile phone, bridge camera & DSLR) ➤ Understanding color composition in portraits ➤ Selection of background ➤ Capturing images in low light as well as in daylight ➤ Understanding landscape and architecture photography. ➤ Basic post processing in PS (skin retouch and gradient tools) ➤ Equipment and handling.

Photography course – (2017 -18)

Objective –

The mentors Mr. Aman Sharma and Gourav Paul would conduct a 3 month training program in order to teach students, the basics and tricks of Professional Photography and make them aware of the career aspects of the industry.

Summary –

This course will help the aspiring photographers who want to pursue career in the field of photography.

The course will consist of one theory class and two practical classes per week with time duration of 1 hour. A practical class will be conducted which will include photo-walks, photo-discussions and post-processing session with guest speakers. The two month course will see a sustained a focused training on individual growth in photography.

Total number of classes - 32

Syllabus:

- 1) What is photography and its various genres?
- 2) How cameras work? (Mobile phone, bridge
Camera & DSLR) Framing and angle
- 3) Composition of an image in street photography.
- 4) Concept of portraits and landscapes
- 5) Use of natural light source in various genres of photography
- 6) Travel photography

- 7) Smart hacks and tricks of mobile phone camera, point & shoot and DSLR Long exposure.
- 8) Astro photography
- 9) Ethics in Photography
- 10) What is photography and its various genres
- 11) How camera works (mobile phone, bridge camera & DSLR)
- 12) Understanding color composition in portraits
- 13) Selection of background
- 14) Capturing images in low light as well as in daylight
- 15) Understanding landscape and architecture photography.
- 16) Basic postprocessing in PS (skin retouch and gradient tools)
- 17) Equipment and handling

Course Outcomes:

On completion of this course students will be able to :

1. Use and describe basic technical and aesthetic aspects of photography such as depth- of-field, composition, color theory and image content.
2. Use the basic principles of creativity in the your photography
3. Apply color compositions in portraits and back ground
4. able to capture pictures using natural light in street photography
5. Application of mobile photography

Dear Dr. Srilatha Reddy,

Greetings from nmore,

Please find attached document of Certification course in data analytics. We made some changes from the previous file and attached Day wise Schedule as discussed. We would like to meet & discuss with 4 or 5 students before the commencement of the course to ensure that the course is in line with the requirement.

Thanks & Regards,
Team nmore(EV)

Confirmation of Data Analytics Certification Course Schedule

Nmorehyd Nmore <nmorehyd@gmail.com> Jul 6 (4 days ago)
to srilathareddyb., me, Uday, vinayakudu, veerakumar, Raja

Dear Dr. Srilatha Reddy,

Greetings from nmore,

This is to confirm that as per our last telecon with Mrs Kamala Devi, we have agreed to conduct Data Analytics Certification Course for the M.Com students first, starting from 21st of July, 2017.

Our understanding is that there are 30 M.Com students. We also understand that the M.Com students are relatively free now. Hence we suggest that classes could be organised thrice in a week i.e., on Fridays & Saturdays followed by Mondays, if possible. This will ensure that the students will have 4 days, immediately after the conceptual sessions, to work on the practice sessions which will be provided to them.

Please let us know if this arrangement will work. In case the current schedule does not allow for classes to be organised on Mondays, let us know if any other weekday would be available for the same.

Thanks & Regards,
Team nmore(EV)

to Dr, Nmorehyd, srilathareddyb.

To,
Mr Uday Bhate

This is in response to your mail on confirmation of Data Analytics Certification Course for the M.Com students first, starting from 21st of July, 2017. As discussed this course is for M.com Students as of now. Based on the Time table schedule for M.com students we will be able to allot 2 Days in a week i.e. Friday 5th hour 2:30p.m to 3:30p.m. and Saturday 12:30p.m. to 3:30p.m.

Please kindly acknowledge the mail.

Thanks & Regards
Mrs L V Kamala Devi

Report on Data Analytics

Department of Commerce has organized a value added course for M.Com students on Data Analytics in association with M/s nmore, to provide hands on inputs to the students in data analytics to ensure that they are adequately prepared for taking up related responsibilities in the corporate world. The Course started on 29th July 2017. There were totally 30 students who attended this course.

Course content: The course was delivered over 30 classroom hours. These 30 hours were split over four major modules:

1. Data Scrapping & Data Cleaning - 4:30 Hours

Tools - Web Scraper. Web Harvey and or Rvest and ODK (Open Data Kit)

2. Data handling - 3 Hours

Tools - SPSS, R, Excel

3. Data analysis – 16:30 Hours

Tools - SPSS, R, Excel

4. Data presentation – 4:30 Hours

Tools - Tableau, Excel

Practice sessions was provided and monitored through online media. Students were expected to demonstrate their learning from the course through their individual projects.

Mrs L.V. Kamala Devi

M.com Coordinator

(5-8-2017)

Details of Certification course in data analytics (30 hours)

Background: More & more businesses are embracing data backed decisioning. With data becoming the focal point of business strategy it becomes imperative for students to learn to work with data.

Objective: This course is meant to provide hands on inputs to the students in data analytics to ensure that they are adequately prepared for taking up related responsibilities in the corporate world.

Course content: The course will be delivered over 30 classroom hours. These 30 hours are split over four major modules:

1. Data Scrapping & Data Cleaning - 4:30 Hours

The topics to be covered under this module are sources of data and the tools required to scrape (secondary data) or collect (primary data). Hands on practice will be provided on the use of these tools.

Tools - Web Scraper. Web Harvey and or Rvest and ODK (Open Data Kit)

2. Data handling - 3 Hours

This module will introduce students to structuring of data to make it ready for analysis. It will include basic procedures such as formatting, transforming, computing variables and cleaning data. It will also cover first level analysis (Frequencies, Cross tabulation and OLAP cubes).

Tools - SPSS, R, Excel

3. Data analysis – 16:30 Hours

This is the main module. It will cover analytic techniques such as Hierarchical clustering, K means clustering and Factor analysis.

Tools - SPSS, R, Excel

4. Data presentation – 4:30 Hours

Sometimes visualizing data from different perspectives leads to new insights. The Data presentation module will be interspersed between the other modules. It will cover different charts and graphs and building of interactive dash boards.

Tools - Tableau, Excel

A certification exam of 3 hours duration will be held at the end of the course (Session-20) and students who secure more than 75% marks will be issued certificate of proficiency. The certification exam will be supervised by executives of Nmore. We do not issue certification of participation.

Day wise schedule:

Date	Session No.	Topics to be covered	Hours
21-07-2017	1	Introduction & Overview	4.5
22-07-2017	2 & 3	Data Scraping & Data Cleaning	
28-07-2017	4	First Level Techniques – Frequencies & Xtabs	3
29-07-2017	5	Data based stories	
04-08-2017	6 & 7	Hierarchical Clustering	16.5
05-08-2017			
11-08-2017	8 & 9	Multidimensional scaling - Overall similarity	
12-08-2017			
18-08-2017	10	Multidimensional scaling - Attribute based	
19-08-2017	11 & 12	Factor Analysis	
26-08-2017			
01-09-2017	13 & 14	Discriminant Analysis	
02-09-2017			
08-09-2017	15 & 16	Cluster Analysis - K means	
09-09-2017			
15-09-2017	17, 18 & 19	Data visualization - Tableau	4.5
16-09-2017			
22-09-2017			
23-09-2017	20	Certification Exam	3.0

Apart from the 20 classroom sessions, we expect all the students to spend at least 3 hours on out of classroom practice sessions. Practice sessions will be provided and monitored through online media. A databased individual project is mandatory part of the course. Students are expected to demonstrate their learning from the course through their individual projects.

COURSE OUTCOMES:

At the end of the course, the students will be able to

CO1: Identify the data and learn scraping and cleaning.

CO2: Create Data Based stories

CO3: Analyze and implement Clustering and Multidimensional Scaling

CO4: Apply Factor and Discriminant Analysis

CO5: Present Data through tableau

ENTREPRENEURSHIP

About Entrepreneurship:

Entrepreneurship means different things to different people. Entrepreneurship has traditionally been defined as the process of designing, launching and running a new business, which typically begins as a small business, such as a startup company, offering a product, process or service for sale or hire. The people who create these businesses are called 'entrepreneurs'. It has been defined as the "...capacity and willingness to develop, organize, and manage a business venture along with any of its risks in order to make a profit".

About CarpeDiem:

CarpeDiem- IIM Calcutta's International Cultural/Technical Festival. Every year, CarpeDiem brings all the students from various under-grad and post-grad colleges to a single podium and makes it an eye feasting revelry. The event shows the artistic and creative side of best minds of the country. From rhythmic and jaw dropping dance moves to exhilarating dramatic plays; from contemporary fashion shows to vivacious music shows; you get to witness the best of performers competing on this platform.

Who should register for the Program:

- Management Students
- Professionals
- Entrepreneurs/Managers
- Commerce Graduates
- Any person aspiring to start his/her own Business

Content:

What is entrepreneurship?

Starting off

- How to start from scratch
- Defining problems
- Generating ideas for new business

Mohipuri Technologies (P) Ltd.

411 RajenderaArihant Tower, B1 Community Centre, Janakpuri East, New Delhi 110058

Tel: 011-45544188

- Evaluating the ideas
- Define business plan
- Starting your business

PERSONAL BRANDING

About Personal Branding:

Personal branding is the practice of people marketing themselves and their careers as brands. Personal branding is essentially the ongoing process of establishing a prescribed image or impression in the mind of others about an individual, group, or organization.

About Carpe-Diem:

Carpe-Diem- IIM Calcutta's International Cultural/Technical Festival. Every year, Carpe-Diem brings all the students from various under-grad and post-grad colleges to a single podium and makes it an eye feasting revelry. The event shows the artistic and creative side of best minds of the country. From rhythmic and jaw dropping dance moves to exhilarating dramatic plays; from contemporary fashion shows to vivacious music shows; you get to witness the best of performers competing on this platform.

Who should register for the Program:

- Management Students
- Students who are aspiring to do MBA
- Graduates
- Job Seekers
- Any professional who wants to improve interpersonal skills

Content:

- Introduction to Interviewing
- Write an Effective Resume
- Personal Branding
- Corporate Grooming
- Dress for success
- Prepare for the Interview
- Grooming for Success

Mohipuri Technologies (P) Ltd.

E-BUSINESS

About E-Business:

E-business (electronic business) is the conduct of business processes on the Internet. These electronic business processes include buying and selling products, supplies and services, servicing customers, processing payments, managing production control, collaborating with business partners, sharing information, running automated employee services, recruiting etc. IBM was one of the first companies to use the term when, in October 1997, it launched a thematic campaign built around e-business.

About Carpe-Diem:

Carpe-Diem- IIM Calcutta's International Cultural/Technical Festival. Every year, Carpe-Diem brings all the students from various under-grad and post-grad colleges to a single podium and makes it an eye feasting revelry. The event shows the artistic and creative side of best minds of the country. From rhythmic and jaw dropping dance moves to exhilarating dramatic plays; from contemporary fashion shows to vivacious music shows; you get to witness the best of performers competing on this platform.

Who should register for the Program:

- Management Students
- Students who are aspiring to do MBA
- Entrepreneurs/Engineers
- Commerce Graduates
- Any professional aspiring to start own business

Content:

Introduction to Business

- Understand the principal of business ethics and basic economics
- Compare the different types of business ownership.
- Describe the basics of organizational structure.
- Identify the differences between management and leadership.

Mohipuri Technologies (P) Ltd.

411 Rajendera Arihant Tower, B1 Community Centre, Janakpuri East, New Delhi 110058
Tel: 011-45544188

- Understand the importance of information technology in today's business environment.

Marketing

- Analyze the concept of marketing in a societal and global sense.
- Learn the four areas of strategy in marketing.
- Identify the principles of product, price, promotion, and distribution by considering interesting examples of real organizations.

Internet Marketing and E-Commerce

- Contrast E-commerce with traditional commerce.
- Identify major market and enterprise issues that impact electronic commerce.
- Explore how firms conduct business on the Internet, including their selling and marketing strategies.
- Discover the major steps in implementing an E-commerce venture

Website Management

- Hosting a website
- Purchasing Domain Name
- Design website for the venture before the launch
- Create content for the web with all the details

Customer Relationship Management

- Understand information technology, research management, and consumer behavior, market segmentation, targeting, and positioning strategies.

Sub: Request for practical training at IOG.

Respected Madam,

As per our discussion on 24/01/2017, we would like to send our BSc Life Sciences students for practical training at your Institute for a period of one month during April-May 2017. As agreed upon, the amount to be paid for the training program is Rs. 1500/- per student.

We would be thankful if you would oblige us for the same.

Thanking You,

Regards

Prof. Y Ashok

Value added course on Genetic Counseling -2017

The value added course on Genetic Counseling was conducted by the Department of Genetics and Biotechnology during April- May 2017.. The theory for the course was conducted in the college consisting of 15 hours of instruction by the faculty from 11-4-'17 to 13-4-'17. The theory classes covered the basic aspects of Genetic disorders, diagnosis, treatment and prevention along with steps involved in Genetic Counseling. The practical internship for the course was done in the Institute of Genetics and Hospital for Genetic Diseases from 18-4-2017 to 12-5-'17.

37 students enrolled for the course. They were organized into 5 groups and assigned to different labs – Molecular Biology, Cell Biology, Clinical Genetics, Clinical Biochemistry and Environmental Toxicology. The teams worked in the five labs for 5-6 days on a rotation basis. The students learned the following aspects in the labs:

Molecular Biology: Students learned the technique of DNA isolation from WBCs, electrophoresis, genotyping, and PCR.

Cell Biology: They learned Leucocyte culture, Karyotyping and FISH (Fluorescent In-Situ hybridization) technique.

Clinical Genetics: Students were familiarized to the process of Genetic Counseling by exposure to cases that had come to the Institute. They were shown how the technique of ultrasonography can be used to study fetal viability, growth and detect abnormalities in the fetus.

Clinical Biochemistry: The students performed serum and urine analysis for detection of Genetic disorders such as metabolic disorders and Single Gene disorders (Ex: detection of Copper levels in urine for Wilson's Disease).

Environmental Toxicology: Students learned the technique of Comet Assay. They were also given an overview of Bioinformatics and its applications.

The students enthusiastically interacted with the researchers and doctors at the Institute and also learned about various career options in the field of Medical Genetics. They visited the school for the differently able children attached to the Institute, which enlightened them about how such children are taught skills to be independent and become useful members of the society.

The students attended a seminar on Thalassemia at IOG organized as a part of World Thalassemia Day on May 8th 2017.

The internship program concluded with the students appearing for a written examination on the concepts and techniques learned at the Institute. The students found the course very interesting and comprehensive.

Students enrolled for IoG 2017

**BHAVAN'S VIVEKANANDA COLLEGE OF SCIENCE, HUMANITIES AND COMMERCE,
SAINIKPURI, SECUNDERABAD.**

Autonomous College

Affiliated to Osmania University, Hyderabad.

(Accredited with 'A' grade by NAAC)

Department of Genetics, Biotechnology and Botany

Skill Enhancement Course- Credits 2

Effective from 2017-'18 onwards

Title: Genetic Counselling

Objectives:

1. To give an overview on Human Genetic Disorders.
2. To discuss the importance of Genetics counseling in day today life.
3. To understand the indications and the various prenatal Diagnostic techniques.
4. To emphasize the role of molecular genetic techniques in the detection of diseases.
5. To discuss the various options available in the treatment of genetic disorders.

UNIT I:

15 Hours

1. Basic aspects of Genetic Counselling: Types of Genetic disorders and need for Genetic Counselling (3)
2. Steps in Genetic Counselling: (2)
3. Carrier detection (for recessive disorders) and risk prediction of Genetic disorders. (3)
(Simple Probability and Bayesian calculation methods).
4. Prenatal diagnosis and Screening for Congenital birth defects (2)
5. Applications of Molecular Genetic techniques in detection of Genetic disorders (3)
6. Strategies for treatment of Genetic disorders. (2)

UNIT II

Practical training program (Internship) at the Institute of Genetics and Hospital for Genetic Diseases, Begumpet, Hyderabad for a period of 4 weeks.

Outcomes:

- The students learn the concepts of Human genetic disorders.
- Students learn the different steps involved in genetic counseling.
- They also learn various methods involved in carrier detection.
- They learn to appreciate the prenatal diagnostic techniques.
- Hands on practical training program at the Institute of Genetics , Begumpet helps them to develop their skills in Molecular Biology, Biochemistry and Cytogenetics.

To,

Date: 23-01-2018

The principal,

Bhavan's Vivekananda College,

Sainikpuri, Sec-Bad.

Respected Sir,

Subject: Request regarding approval for students visit to NSIC for one week workshop on tally.

The department of Commerce is planning to organize one week tally workshop for all the students of B. Com 1st year, which is scheduled from 29-01-2018 to 06-02-2018. We request you to approve the proposal.

Thanking you,

Yours sincerely,

Dr. K. Sreelatha Reddy

Head department of Commerce.

Report on Tally Workshop-2017-18

The Department of Commerce has organized a workshop on Tally Accounting package in Collaboration with NSIC for B. Com I year Students. The objective of the workshop was to make the students more employable and to enhance computer accounting skills. Students in first year learn the fundamentals of accounting as a part of their curriculum and along with that they will be will equipped with computerized accounting. Tally software is a complete Accounting, Inventory, Taxation and Payroll software. The workshop was Scheduled from 29/1/18 to 6/2/18.

Coordinator

Rachana Sharma
