

Guest Lecture on "IPR in India" - 28-8-2019

The IPR cell, BVC in collaboration with Department of Political Science, BVC has organised a guest lecture on "IPR in India" by a distinguished speaker, Prof. G B Reddy, who is an acclaimed faculty of Law from Osmania University.

Around 125 students from various streams participated in the event

The lecture was organized in the Seminar Hall, MBA Block at 12pm for the students. It was an informative session. The speaker enlightened the gathering with loads of information about the concept of Intellectual Property exemplifying with the works of acclaimed authors and other famous personalities. He discussed the different types of IPR such as Patents, copyrights, trademarks, trade name, Geographical Indication to emphasize that IPR does not mean only patents.

Sincere participations by students and staff made the session more interesting and educative.

With due gratitude conveyed to the speaker the session ended in success.
