**Outreach Programme for Degree College Lecturers**  
**On**  
**Computer Aided Techniques in Chemistry**  
Organized by Dept of Chemistry, Bhavan's Vivekananda College, Sainikpuri  
Under DBT STAR College scheme

Dept of Chemistry, BVC under DBT Star College scheme, organized an Outreach Programme for Degree College Lecturers on "Computer Aided Techniques in Chemistry" on 10<sup>th</sup> February 2020.

The inaugural session witnessed the address by Air Cmde (Retd) JLN Sastry, VSM, Vice Chairman, BVB, Sainikpuri Kendra, Prof Y Ashok, Principal, BVC, Ms B Niraimathi, Vice Principal, BVC, Dr K Anuradha, Star DBT coordinator & Head, Dept of Microbiology, BVC and Dr Madhumita Bhattacharjee, Head, Dept of Chemistry, BVC.

19 participants from various Government Degree Colleges of Telangana participated in the outreach programme. Dr L Aruna Priya, Lecturer, Dept of Chemistry, BVC and Mr. N Venkatesh, Research Scholar, OU were the resource persons for the programme. Theoretical as well as practical knowledge of drawing chemical bonds, organic & inorganic molecules, conformational isomers, reaction mechanism were imparted by introducing the chemistry based softwares like chem draw, chem office.

The programme was indeed very informative & useful for the participants.

LIST OF STUDENTS WHO ASSISTED IN ORGANIZING

- 1) Akrithi
- 2) Beauty Khatun
- 3) P Shanmukhi
- 4) D Vyshali
- 5) Pragya Pandey

### Pollution Check- Report 2019-20

The greENERGY club of the Department of Genetics & Biotechnology organized 'Pollution Check' for two and four wheelers. The event was organized on 8<sup>th</sup> February, 2020 with an objective to educate the vehicle owners on the importance of pollution control. Both students and staff who commute to college by their own two & four wheelers supported the event by getting their vehicles checked for pollution. The club co-ordinated with the nearby RTA approved pollution check agent and completed the task. The program was a great success owing to the large number of vehicles checked for pollution. A total of 144 vehicles belonging to staff & students were checked. The enthusiasm and hard work of the members of the gre-ENERGY club is greatly appreciated.

1-4. Dr. Jyothi Nayal, Head Dept of Genetics and Biotechnology and student volunteers taking part in the pollution check for 2 wheelers on 8th Feb 2020

## REPORT ON OUTREACH PROGRAM

Department of Genetics and Biotechnology of Bhavan's Vivekananda College of Science, Humanities and Commerce, Sainikpuri conducted an outreach program on 7<sup>th</sup> December 2019 for grade ten students of Zilla Parishad High School, Kapra.

The objective of the program was to provide the students with knowledge pertaining to Life Sciences, through means of practicals, which would in turn persuade the students into taking up Life Sciences as a career. Final year B. Sc students from BtGC and MGC sem VI participated in the program. Faculty Dr. B Kalpana and Dr. S. Nagamanju (Department of Genetics and Biotechnology) guided the students of B. Sc for smooth conduction of the program. The ZPHS management and staff welcomed the Bhavan's Faculty and students. They gave the school auditorium for conducting the outreach program. Students performed a total of 5 experiments and explained the basic principles about the experiments to the students of ZPHS. The experiments conducted are

1. Mitosis
2. ABO and Rh blood typing
3. Separation of chloroplast pigments by paper chromatography,
4. Demonstration of Osmosis by Potato Osmoscopy
5. Observation of Permanent slides.

To explain the concepts of practicals the students made use of charts prepared by them at college itself a week prior to the outreach program. Students made all the necessary preparations a day prior to the outreach program like solvents, solutions and buffers. On the day of the event they freshly made the leaf extracts and root tips. Students under the guidance of the faculty a practical manual for all the experiments conducted with the principle and procedure along chemicals information was compiled and spiral bound and handed over to the school management for the benefit of the school students.

Students were divided into groups of six and were demonstrated the experiments by Bhavan's college students. School students showed great enthusiasm in knowing the basic science experiments and noted down the information given to them. Many grade ten students even drew diagrams of the permanent slides they have seen.

At the end of the session the school management felt very thankful to the management of the Bhavan's college for conducting such valuable outreach program for their students. Final year students of Bhavan's also thanked the department of Genetics and Biotechnology for giving them an opportunity to be part of the program and share their knowledge with the enthusiastic school students and motivate them towards Life sciences.

## 1. Student List for Outreach Program.

S.No	Name	Course
1	Risa Natarajan	MiGC
2.	Pranay	MiGC
3.	Pavan Kalyan	MiGC
4.	Oshin	MiGC
5.	Suraj	MiGC

## CYBER SECURITY & ETHICAL HACKING

### Day 1

A 2-day International Workshop on "Cyber Security and Ethical Hacking" is being organized by Department of Computer Science, Bhavan's Vivekananda College, under DBT-Star college scheme on 27<sup>th</sup> and 28<sup>th</sup> of February, 2020.

The Day-1 began with the Inaugural session began at 10:00 am. The Chief Guest for the day was Prof. S Ramachandram, Former Vice-Chancellor, Osmania University.

The other dignitaries who were present for the Inaugural session were- Sri IYR Krishna Rao Garu, IAS(Retd.), Chairman of Bharatiya Vidya Bhavan, Sainikpuri Kendra, Air Cmde(retd.). JLN Sastry Garu, VSM, Vice-Chairman of Bharatiya Vidya Bhavan, Sainikpuri Kendra, Prof. Y Ashok, Principal of Bhavan's Vivekananda college, Mrs. K V B Saraswathi Devi, Head, Department of Computer Science, various heads of the departments, faculty from various institutions, Research Scholars and students from other colleges.

The Chief Guest, Prof. S Ramachandram was also the Keynote speaker for the inaugural session, where he focused mainly on "Cloud Computing: Security Concerns of data on Cloud".

The second session was conducted by Mr. M Krishna, Assistant Director, Cyber Forensic Division of the Directorate of Forensic Science under the Ministry of Home Affairs, Government of India. This Session focused on "Cyber Security, Remedies and Research". The Speaker, Mr. M Krishna spoke on the various types of Malware attacks and also suggested some remedies to overcome the attacks.

The third session and last session of the day was a "Hands-on Session" headed by Mr. Giridhar Duggirala, Principal Architect at Wells Fargo Pvt. Ltd. This session has been very interesting and useful and gave a practical experience on Ethical Hacking to the participants.

### Day 2

The 2<sup>nd</sup> day started with a Video Conference talk with Mr. Barry Nester CEO, Board Director, ARMOR Scientific, USA about "Cyber Security". The Speaker addressed the current issues in the Cyber world. He also suggested remedies to overcome attacks on User Credentials. He suggested using Multi-Factor Authentication such as passwords along with biometrics.

The second session was on "Darknet Technology" where the speaker, Mr. Vinod Babu (Cyber Security Researcher and Trainer), spoke to the audience on "Dark Web" and "Deep Web". The speaker mainly focused on the critical causes of information breach and security vulnerabilities that most of us are not aware.

The next session was conducted post lunch where a panel of 5 members Dr. M.V. Ramanamurthy, Professor and Head, Dept of Mathematics & Humanities, MGIT, Hyd, Dr. Sri

*Maish*

Venkatesh Muktevi, Associate Professor, Dept of CS, GITHAM University, Vishakapatnam, A.P, Ms. Shanthi Nimmagadda, Security Architect, IBM Security Services, Hyd, Mr. K. Vishwanath, Vice President, Mahee Consulting Services Incorporation, Mr. K. Maruthi Prasad, Inspector of Police and also alumni of BVC, Mr. N. Bhaskar, Lecturer in Dept. of CS discussed on the topic "Opportunities and Challenges in Cyber Security and Ethical Hacking". It was an interactive session where the Panel members shared their views on Cyber Security and Ethical Hacking. They also answered the questions of some of the participants related to cyber attacks, other problems in cyber truncations and the solutions to overcome these problems.

The Workshop ended with the Valedictory session. The Chief Guest for the session was **Dr. K. Seetha Ram Babu, Chairman, CSI – Hyd Chapter**. The Valedictory session also was graced by **Principal, Prof. Y.Ashok, BVC and Mrs. KVB Saraswathi Devi, Head, Dept. of Comp. Science**. Mrs. KVB Saraswathi briefed on the 2-day International Workshop. The Chief Guest Dr. K Seetha Ram Babu also addressed the students & faculty on the said topic. This was followed by distributing certificates to all the participants of the Workshop both to faculty and students from various other colleges.

There were a total of 51 participants for both the days which included 20 faculty and 31 students from institutions like Loyola Academy, Aurora PG College, CVR Engineering College, Badruka Degree College to name a few.

The vote of thanks was then proposed by Mr. G. Mahesh Kumar, Workshop Coordinator who thanked all the participants for making this workshop successful.

The following students of BCA IInd year helped us in conducting program:

- 1) T. Keerthi
- 2) Prabhava Kruthin Ganti
- 3) Naidu Jeetank Reenesh
- 4) Naman Singh Thakur
- 5) Alexander Xavier
- 6) D. Raj Gopal
- 7) T. Vishnu Priya
- 8) K. Rohit
- 9) B. Vyshnavi
- 10) N. Hari Krishna
- 11) D. Kiran
- 12) K. Prashant

### Outreach program for Dwakra Women

On Tuesday, 18<sup>th</sup> February 2020 Bhavan's Vivekananda College, Sainikpuri has conducted events at ZPHS, Yadgarpally on behalf of Fusion tech club of Bca and Bhavya Women's cell. The event started by interacting with women's of village. The main motive of this event is to motivate, encourage and to know the problems faced by them and also educated them to send their children to schools but not to work.

1& 2: Ms. Jayalaxmi and Ms. B. Divyarekha, Faculty, BVC interacting with the DWAKRA women (18th February, 2020)

*Handwritten signature*

The event was then followed by "Blind fold". It was conducted for Dwakra Women as to encourage them. The game consists of 2 teams of each 5 members. They have truly enjoyed the game as they were interested to play more games.

3 & 4: DWACRA Women participating in activities organised by BVC on 18th February, BVC

So, based on their interest we have organized one more game "Balloon Garland" In a team size of 2. They had blown the balloons and tied it in a given short span of time. The top 3 teams are selected for the next round.

The last round was "Balloon blast". The top 3 teams have blasted the balloon which was blown in the last round, it was a funny round and it was quite enjoyable by the team members.

*hain*

Mrs. Jayalakshmi (Lecturer in comp. science department) and Mrs. Divyarekha (Lecturer in com. Science department) has took a great initiative and conducted this event successfully.

The following students of B.Sc. (Physical Sciences) helped us in conducting program:

- 1 • L.Mounika
- 2 • Kurra Rahul
- 3 • L. Kiran Kumar
- 4 • K.Atchaya
- 5 • P.Sri Harini
- 6 • U S V Shashidhar
- 7 • Eshani.M

**Free Diabetes Camp  
15<sup>th</sup> February, 2020**

Medical and Health committee along with the Department of Biochemistry and NSS unit, BVC organized a medical camp on diabetes for teaching and non-teaching staff, students and residents of local community on 15<sup>th</sup> February, 2020. As a part to create awareness there was a talk organized by Dr.K. Srinivas Rao, Diabetologist on “Risk factors and prevention of Diabetes”. This was followed by free testing of random blood glucose levels for all the participants. All the participants availed the free service and the programme received a good appreciation.

#### Out reach programme for college teachers

No. of Lectures attended :30

No. of colleges participated :17

The Department of Mathematics and Statistics at Bhavan's Vivekananda College of Science, Humanities and Commerce conducted an Outreach programme on 'Data Analytics with R-Programming' sponsored by DBT- Star College Scheme.

This programme was attended by 30 Lecturers from 17 different colleges on 15 February. The programme was about the Data Analytics, Statistical analysis, Quantitative methods and Computer based models to gain insight about business operations, make better decisions and analyze future. There were three sessions, First session was about introduction to R and the other two sessions were carried out in lab with hands on experience.

The programme was concluded by Vote of thanks by the department of Mathematics and Statistics.

The following students actively helped in the conduct of the programme.

We thank Mrs. Annie Christina lecturer in English for conducting this event

### **Importance of Meditation by Brahma Kumaries**

Meditation is the journey inwards, a journey of self-discovery or, in fact, re-discovery. Meditation is time taken for quiet reflection and silence, away from the hustle and bustle of daily living. Taking time out enables us to come back to a centred place of being. In our modern world, the pace of life is growing ever faster and we are losing touch with our true inner peace and power. When we no longer feel grounded, we can experience ourselves pushed and pulled in many different directions. It is at this point that we start to experience stress and a feeling of being trapped. Gradually, over time, this feeling leads to illness and disease, as our mental, emotional and physical health is thrown out of balance. They explained this with the following steps.

**Step 1- Relaxation**

**Step 2- Concentration**

**Step 3- Contemplation**

**Step 4- Realisation**

**Step 5- Meditation**

*NSS 28-MOtivation Talk by Bhrahakumaries-15.02.2020*

*NSS 29- Group photo with bhrakumari-15.02.2020*

We thank Mr B Das from Political Science Department for providing this awareness Program

### **One Day Life of Volunteer- Photo Shoot Program- Department of Mass Communication**

The mass communication department of our college had organised a one-day photo shoot program to capture the activities of the camp making it a realistic one. They captured all the activities of today activities. They interacted with Villagers, NSS volunteers, School Children. They captured all these and released a video on this program.

We Thank Mr Trishul , Lecturer in Mass Communication Department.

*NSS 30-Competition Conducted for School Children-15.02.2020*

NSS 31-Skit play in the morning assembly 15.02.2020

NSS 32-Photo session-by Mr Thrishul Lecturer in Mass Communication 15.02.2020

## DAY-4 Report

Date: 16<sup>th</sup> February 2020

The 4<sup>th</sup> day of the camp started with daily exercises and sports followed by Swachh Bharat in which the volunteers cleaned the school premises, village and temple premises. Mr. P. Raju (Sarpanch), Mrs. P. Prameela Devi (Panchayath Secretary), Mr. Mallesh Yadav (Vice-Sarpanch) and J Venkatesh (MPTC) were part of the activity.

NSS 33 Swachh Bharath-16.02.2020

*NSS 34 Swachh Bharath 16.02.2020*

*NSS 35- Tree Plantation 16.02.2020*

### **Motivation Session by Mr. Siddhanti Aravindamkumar**

There was a motivation session by Mr. Siddhanti AravindamKumar, retired Head Master of government school, Nagaramvillage, Kessara (mandal) Medchal malkajgiri district. The volunteers were enlightened about various things right from importance of physical fitness, parents and time management. This was a session full of knowledge in an entertaining way.

*NSS 36- Motivational Talk by Aravindam Kumar 16.02.2020*

Then we all gathered at the Grandalayam (LIBRARY) of the village to perform a skit and dance on “WOMEN EMPOWERMENT”. Later we came back to the camp area and had dinner. After dinner we had an interaction session with every NSS Volunteer

## **DAY -5 Report**

**Date:17<sup>th</sup>February 2020**

We assembled in the school at 06:30 AM, Volunteers played games, and cleaned the whole school by picking up all the plastic and waste. Then we had breakfast and went on a rally in the village for tree plantation program near 2Bhk houses built by the government of Telangana (**KCR Double Bed Room**) at 09:30 AM. P.Raju (Village Sarpanch), Mallesh Yadav (Vice Sarpanch), P.Prameela Devi (Village Panchayat secretary) also took part in the tree plantation program with us.

*NSS 37-Tree Plantation Program-17.02.2020*

*NSS 38- Tree Plnatation Program17.02.2020*

## **Health Camp by Primary Health Care Centre**

At 10:00 AM the health camp was Started and some of our volunteers assisted Dr.Saritha (Medical Officer) and the Primary Health Care Centre (PHC) staff till 2:00PM and conducted the medical camp by providing medicines. The volunteers then painted the Mahatma Gandhi Statue located near Grama Pranchayat Office

*NSS 39-Health Camp17.02.2020*

*NSS 40-Health Camp17.02.2020*

*NSS 41- Cleaning and Painting - Father of Nation Statue17.02.2020*

*NSS 42- After Painting - Father of Nation statue 17.02.2020*

After that all us returned to the camp premises and had our lunch. At 3:30PM

### **Self Defence session by NCC unit of Bhavans Vivekananda College**

The NCC cadets from our college conducted an interaction session with the schoolchildren led by Cadet Rohit Pandit with a group of 8 volunteers. After that, all the students were gathered for a session on “self-defence” which was displayed to the school children

*NSS 43- Poster on self Defence 17.02.2020*

*NSS 44- Poster Presentation- In Schools 16.02.2020*

*NSS 45-Self Defence Training 17.02.2020*

### **Visit of Lectures of Bhavan's Vivekananda College**

LT.Dr.V.VenuMadhav(ANO –BVC NCC unit) of our college had arrived to interact with the NSS volunteers.Dr.C.Kameshwari (Head Dept. of languages & Ex NSS PO) and Dr.Sandhya Das (Dept of languages) visited the camp site to interact with students and appreciated the efforts of NSS volunteers.We thank all the lectures who visited the camp and this proves that we are VASUDIAKA KUTUMBAM. The day was good and we had a good experience with the NCC cadets.

*NSS 46-Visit to Camp by Lecturers of BVC 17.02.2020*

**Dental Camp-Army College of Dental sciences**

The day started at 6:30am and volunteers went campaigning door to door around the village reminding the villagers about the dental camp. The dental camp was organized by Army College of Dental sciences, Jawahar Nagar, Secunderabad. The dental camp was conducted near the village Grandalayam. Few volunteers were sent to the dental camp for volunteering

We thank Army College of Dental sciences, for organizing a free dental camp.

*NSS 47-Inauguration of Dental Camp---18<sup>th</sup> Feb 2020*

*NSS 48- Dental Camp- Testing---18<sup>th</sup> Feb 2020*

**Visit of Prof. M. Ramulu, Programme Coordinator of NSS,OU**

Dr. M. Ramulu, Programme Coordinator of NSS, Osmania University visited the camp. He commented on the events and also went through our schedule and our outcomes. He appreciated the volunteers for their commendable job done by them. We have showed all the report of all the activities.

*NSS 49-Visit of Dr M Ramulu – NSS Coordinator \_Osmania University---18<sup>th</sup> Feb 2020*

*NSS 50- Welcoming the guest---18<sup>th</sup> Feb 2020*

*NSS 51-Address by Mr Ramulu- NSS Coordinater- Osmania University---18<sup>th</sup> Feb 2020*

*NSS 52- Cultural Activities - Performed by NSS volunteers---18<sup>th</sup> Feb 2020*

### **Women' S Cell Bhavan's College**

In the afternoon Mrs. DivyaRekha lecturer in computer sciences and Mrs.Jayalakshmi lecturer in computer sciences from Bhavya, the women's cell of BVC visited Camp. They organized many games for the members of DWACRA group and Mahila-sangams of Yadgarpally. The event started by interacting with Women's of village.The main motive of this event is to motivate, encourage and to know the problems faced by them and also educated them to send their children to schools but not to work.

*NSS 53-A meeting with DWACRA women---18<sup>th</sup> Feb 2020*

*NSS 54- Sharing Thoughts with DWACRA Women---18<sup>th</sup> Feb 2020*

The event was then followed by “Blind fold”. It was conducted for Dwakra Women as to encourage them. The game consists of 2 teams of each 5 members. They have truly enjoyed the game as they were interested to play more games.

*NSS 55- Games Organized for village Women---18<sup>th</sup> Feb 2020*

*NSS 56- Games Organized by WOMEN CELL-BVC---18<sup>th</sup> Feb 2020*

*NSS 57-Games organized for Village Women---18<sup>th</sup> Feb 2020*

So, based on their interest we have organized one more game “Balloon Garland” In a team size of 2.They had blown the balloons and tied it in a given short span of time. The top 3 teams are selected for the next round.The last round was “Balloon blast”. The top 3 teams have blasted the balloon which was blown in the last round, it was a funny round and it was quite enjoyable by the team members.Mrs. Jayalakshmi (Lecturer in comp. science department) and Mrs. Divya Rekha (Lecturer in com. Science department) has taken a great initiative and conducted this event successfully.

**Valedictory program**

In the Evening we organized a valedictory program. The chief guests for the event were Mr.J.Mallesha(MPTC Yadgarpally), Mrs. P. Prameela (Panchayath Secretary), (Yadgarpally) and ward members.

Mr P Srinivasa NSS PO released the report of the camp, and handed over to the village officials.

The program was well organized with dance performances and songs by the NSS volunteers. Then we had a review session with volunteers where every volunteer gave a feedback on our coordinators, team heads, and our fellow volunteers.

*NSS 58- Presentation of the Camp Report by NSS PO MR P Srinivas--18<sup>th</sup> Feb 2020*

*NSS 59-Releasing of The Camp Report---18<sup>th</sup> Feb 2020*

*NSS 60- Cultural Activities - Valedictory Program---18<sup>th</sup> Feb 2020*

*NSS 61- Cultural Activities - valedictory Program---18<sup>th</sup> Feb 2020*

*NSS 62-Cultural Activities - valedictory Program---18<sup>th</sup> Feb 2020*

*NSS 63- Appreciation Certificates to Volunteers---18<sup>th</sup> Feb 2020*

*NSS 64 Appreciation Certificates to Volunteers---18<sup>th</sup> Feb 2020*

*NSS 65-Appreciation Certificates to Volunteers---18<sup>th</sup> Feb 2020*

*NSS 66-Appreciation Certificates to Volunteers---18<sup>th</sup> Feb 2020*

## **DAY-7 Report**

**19<sup>th</sup> February 2020**

As planned, we visited the lake which was about 4kms from the camp site. All the volunteers were divided into batches and visited the lake in Yadgarpally. We walked through the agricultural fields. It was a pleasant walk across the green fields on a bright day and was quite an experience. We had a nice time capturing all those moments through a photo shoot. We went into the lake and had lots of fun. Then we returned to the camp location by walking back through the same fields. few volunteers distributed the prizes to the winners in various competitions held in the school on day 3.

The 7-day special camp at Yadgaripalli was a great experience for all of us. Learning personality development, time management, camp management and other things were new and beneficial for every one of us. During the camp, we got an opportunity to interact with children, women and villagers and help them the best we can as NSS representatives. We tried to counsel them and make them understand the importance of sanitation, health and hygiene.

Then we cleaned our room and surroundings where we stayed. We started our journey back to the college at 6 o' clock in the evening and reached the college at 7:00 pm. On reaching the college, everybody departed to their respective homes.

**Conclusion:** This was my 4<sup>th</sup> Special camp as NSS Programme officer. It was a great experience for me. It helped me to learn new things. It was a great opportunity for me to help villagers through NSS.

Finally, I can say that this camp couldn't have been success without the support of my colleague Mrs. **K Meena Rani** Lecturer in Sanskrit Department of Languages.

On behalf of NSS unit of BVC, We thank **Mr N Chandan Babu** Lecturer in Mathematics and Statistics Department BVC, for supporting in all the activities of special Camp. The student coordinators Mr Pranay, Mr Kiran , and Ms Shravya Nikhila made this camp a great success.

**Department of Biochemistry**  
**Report on the Science Club activity**  
**Awareness on "Diabetes" – Online quiz competition**  
**2019-2020**  
**21<sup>st</sup> December, 2019**

As a part of Life science club activity, on 21<sup>st</sup> December, 2019 department of Biochemistry organized an online quiz competition on "Diabetes" for all streams of students. The main aim of this programme was to create awareness among the student community about Diabetes and bring to their understanding how much they know and how much still they should know.

Diabetes mellitus, commonly known as diabetes, is a metabolic disease that leads to high blood sugar. November 14<sup>th</sup> is year marked as World Diabetes Day. According to WHO (World Health Organization), India had 69.2 million people living with diabetes in 2015. India is deemed as the world's capital of diabetes and the diabetic population in the country is close to hitting the alarming mark of 69.9 million by 2025 and 80 million by 2030. This denotes that the developing country is expected to witness an increase of 266%. As a result, they develop severe diabetic complications.

56 participants actively enrolled for the online quiz. Multiple choice questions based on diabetes was questioned. Students with enthusiasm participated for the online quiz as their responses were recorded and immediately displayed. Competition among the students was with high spirit as the scores were decided based on the time taken. Prize winners were

Prize	Name of the Student	Class
First prize	D. Sowjanya	B.Sc III year M.Bi.C
Second prize	B. Karan	B.Sc III Year M.Bi.C
Third prize	K. Geetha	B.Sc III Year M.Bi.C

Students' feedback on this programme was that, they have learned about diabetes and also recommendation was given for organizing this sort of awareness information in future.

## Commerce Outreach Programme – Report 2019-20

Date: 3<sup>rd</sup> December 2019

Venue: Zilla Parishad Girls High School, Malkajgiri

Time: 13:30 P.M

As a part of the commerce department initiative, an outreach program was organized to high school students of ZPHS girl's high school malkajgiri, in which girls from 9<sup>th</sup> and 10<sup>th</sup> standard were participated. The objective of the outreach program was to give in detailed information and importance of commerce education. The program highlighted the emerging trends and job opportunities in the field of commerce and allied subjects. The initiative was taken under the lecturer in-charge Mr. Kaleem Ullah and second and final year B. Com students of Bhavan's Vivekananda College were part of it. The session was with the key elements on how to choose the field of commerce education after their schooling and through light on significance of various areas in the field of commerce such as entrepreneurship, banking, audit, tax & insurance, human resources and so on. The programme was interactive and the students responded with a great deal of enthusiasm. The event went on an hour and the students had a Q&A session at the end along with a photo session.

1-4 and 6: Second and final year students of B.Com, BVC, explaining the importance of commerce education to students of ZPHS on 3rd December, 2019  
5- Students and faculty of BVC with the students of ZPHS, Malkajgiri

**“Hands on Training on Bioanalytical Techniques and Bioinformatics”**  
for undergraduate degree college lecturers  
**Under DBT Star College Scheme**  
22<sup>nd</sup> and 23<sup>rd</sup>, November, 2019

**Brief report on Outreach Programme for Degree College Lecturers**

An outreach program, “Hands on Training on Bioanalytical Techniques and Bioinformatics” was organised for undergraduate degree college lecturers on 22<sup>nd</sup> and 23<sup>rd</sup> November, 2019 by Department of Biochemistry under DBT-Star college scheme. A total of 40 faculty members from private and government degree colleges have attended and benefitted from the programme.

The program started on 22<sup>nd</sup> morning with a formal inauguration by Chief Guest, Air. cmde (Retd). J.L.N. Sastry, Vice Chairman, BVB Kendra, Prof. Y. Ashok, Principal, Bhavan’s Vivekananda College, Dr. K. Anuradha, Coordinator, DBT-Star college scheme and Dr. A. Sai Padma, Head, Department of Biochemistry. The dignitaries briefed on importance of practical knowledge for science teachers and to transmit the same skills to the undergraduate students for better understanding of subject. All the participants were grouped into batches and were trained on different experiments like separation of proteins by Gel-Filtration chromatography, separation of proteins by SDS-PAGE, Enzyme linked Immunosorbent Assay (ELISA), Restriction digestion and agarose gel electrophoresis and Bioinformatics. All these experiments are prescribed in the undergraduate syllabus of Osmania University and all the participating lecturers are provided hands on training in the above said experiments. The participants expressed a high appreciation for the program through their feedback. The program ended on 23<sup>rd</sup> November (Saturday) with a Valedictory program and certificates were given to all the participants.

Vice chairman Air cmde J. L. N. Sastry, Principal Prof. Y. Ashok, Vice principal Mrs. B. Niraimathi, Dr. K. Anuradha, COordinator, DBT-Star college scheme, Dr. A. Department of Microbiology

World rabies Day

On account of the "World Rabies Day" an awareness program consisting of:

- 1. e Poster Presentation
- 2. Rabies Awareness skit
- 3. Rabies Awareness rally
- 4. Guest lecture

Department of Microbiology ,under the Science Club of Bhavan's Vivekananda Degree & PG College, Sainikpuri organized an awareness program on the occasion of "World Rabies Day" on 27<sup>th</sup> & 28<sup>th</sup> Sep 2019. The event was supported by Global Alliance for Rabies Control, World Health Organization (WHO), and Hyderabad Chapter of Association of Microbiologists of India (AMI).

Day 1: 27<sup>th</sup> Sep 2019

Day 1 of the event was marked by the address of Mr. AjitNair,CEO,VINS Biotech on the prevention of Rabies virus using the vaccines available. There was a huge enthusiasm in students presenting the skit on Rabies as a disease: prevention & control. This was followed by a talk by Dr SampathKumar,Former Director,Institute of Preventive Medicines.DrSampath Kumar emphasized on safety measures for humans to prevent rabies virus attack & importance of vaccination if bit by a mammal.

An intercollegiate e-poster competition on 'Rabies Prevention & Control' gathered a huge response among participants.69 e-posters were received from various colleges. Students of Bhavans Vivekananda College,Sainikpuri,St Francis College, Little Flower Degree College,Govt college for women Begumpet,St Pious College,Govt Degree College Kurnool, Silver Jubilee Govt College, Kurnool took part in the e-poster.

Day 2: 28<sup>th</sup> Sep 2019

Day 2 was scheduled with an awareness rally on "Rabies Prevention & Control" in association with World Health Organization on account of World Rabies day by NCC Cadets ,NSS , Bharath Scouts & Guide,Youth Red Cross Society,Centre for Excelllence, students & Faculty of Bhavan's Vivekananda College. Vice Chairman of Bharatiya Vidya Bhavan ,Sainikpuri Kendra,Air Cmdre JLN Shastry flagged the commencement off the rally.The rallywitnessed the participation of Mr Ajit Nair,CEO,VINS Biotech,Dr Sampath Kumar,Former Director,Institute of Preventive Medicines and member working group on Rabies, WHO, SAGE,Lion's Club Hyderabad&750 students.

Students participating in the awareness rally on "Rabies prevention and control" on 28th Sept 2019...

OUTREACH PROGRAM FOR HIGH SCHOOL TEACHERS ON 21/9/2020

*Organized by*

**DPARTMENT OF COMPUTER SCIENCE**

Bhavan's Vivekananda College, Sainikpuri had conducted an Outreach Program for High School teachers from various schools on 21<sup>st</sup> September, 2019 under the DBT-Star college scheme. The main agenda of the Outreach was to train the teachers on Advanced Excel and ICT tools. The program began with the inaugural ceremony attended by the Vice Chairman, BVB, Sainikpuri Kendra, Air Cmde J L N Sastry (Retd), VSM, Vice Principal Mrs B.Niraimathi, Head, Dept of Computer Science, Mrs KVB Saraswathi lighting the lamp. They gave their blessings and good wishes before we proceeded with the sessions.

The teachers were given hands-on training on Advanced Excel and different ICT tools that could be incorporated in their teaching process.

The program concluded with Mrs KVB Saraswathi, Head, Dept of Computer Science, giving certificates to all the teachers who participated. The following students of BCA IInd year helped us in conducting program:

1. D. Raj Gopal
2. T. Vishnu Priya
3. K. Rohit
4. B. Vyshnavi
5. N. Hari Krishna
6. D. Kiran
7. K. Prashant

*Kiran*

## Report on sale of Green Ganesha held on 31<sup>st</sup> August, 2019

The greENERGY club organized the sale of **Eco-friendly Ganesha** as a part of Green Ganesha program. The event was organized on 31<sup>st</sup> August, 2019. 62 clay idols of Ganesha were sold. The Ganesha idols had seeds embedded within the idol. The Ganesha idols were available in two sizes of 12cms and 18cms respectively. Students offered customized painting for the idols with poster colors. The purpose of selling clay Ganesha with seeds embedded was to encourage immersion of Ganesha in bucket of water at their respective homes, followed by putting the clay in pots so that the seeds germinate. This was done to spread awareness to 'Save lakes'. Students and staff were encouraged to purchase the clay 'seed' Ganeshas which were given away in ecofriendly paper bags. The first idol was bought by the Principal, Prof. Y Ashok. The students and staff participated enthusiastically and made the event successful.

## Health Camp-2019

The Medical and Health Committee of BVC in association with Department of Biochemistry organized a health camp for the staff and students of BVC on 30<sup>th</sup> and 31<sup>st</sup> of August, 2019. The health camp was in association with Vimta Labs, Hyderabad. The tests in this health camp included Master Health checkup, Complete Health checkup, Diabetic screening, complete blood picture, glycosylated hemoglobin, fasting blood glucose, lipid profile, thyroid profile, calcium, uric acid, vitamin D and B<sub>12</sub> levels. These parameters are useful in assessing and having a follow up with ones' general health condition. A total of 155 people that included teaching (33), non-teaching staff (14) and students (108) got their tests done.

The health camp received a very good response from staff and students indicating an emerging health awareness among them.

*Dr. Lai Reddy*

### **Hemoglobin status of girl students among various age groups in college**

The Health camp organized on 30<sup>th</sup> and 31<sup>st</sup> of August by the Health Committee of BVC and Department of Biochemistry received a very good response from staff and students indicating health awareness among them. Apart from the teaching and non-teaching staff 108 students have got their thyroid and hemoglobin checked.

Interpretation of the data for hemoglobin among the girl students of the college revealed that,

- 71% of students who were tested were found to be non-anemic.
- 8 % of students are with mild anemia while 19% are moderately anemic.
- 2% of students are with severe anemia.

A diet plan should be followed by those who are anemic. There should be a healthful balance of iron-rich foods, such as leafy vegetables, nuts, seeds, and fortified breakfast cereals.

If left untreated, iron-deficiency anemia can cause serious health problems since having a low oxygen in the body can damage organs.

## OUTREACH PROGRAM FOR HIGH SCHOOL TEACHERS

Department of Physics and Electronics organized an Outreach Program for High School Science Teachers under STAR DBT Scheme on the theme "*Understanding the underlying Physics through activities*" on 30<sup>th</sup> August 2019. 28 science teachers from various schools in and around twin cities of Hyderabad and Secunderabad participated in the workshop. The workshop was inaugurated by Air Cmde JLN Sastry, VSM, Vice Chairman, BVB, Sainikpuri Kendra.

**Activities Conducted:** The workshop was conducted in two sessions. The first session was a lecture session by Prof. Ravindran Ethiraj on "Fundamental concepts of Physics". The second session had practical demonstrations on about 25 Physics experiments on topics such as Mechanics, Optics, Electricity and Magnetism etc. Most of our experiments presented in the program were designed in such a way that any teacher can easily assemble the experiment with very low cost and not much sophisticated instrumentation involved. All the faculty members of the department and about 25 students from BSc MPCs and MECs were involved in this programme.

**Report on: COMPUTER SCIENCE OUTREACH PROGRAM**

DATE : 29-08-2019

VENUE : MADHAPUR VILLAGE, KEESARA MANDAL.

At 8:00 am we all gathered at bus stop and reached the school by 10:00am , we took the computer system along with us from the college . After reaching we discussed about the scheduled classes with Principal and started explaining about topic to 9<sup>th</sup> and 10<sup>th</sup> classes batch wise. During the classes volunteers not only explained them about the computer basics but also about their future studies, general knowledge questions, and other topics. The students enjoyed their classes and nicely interacted with us not only that but also many students asked questions based on the computer. Along with the students the teachers also took part in it. We also used the project or to give presentations on MSWord, MExcel and PowerPoint through which the students can understand in a better way. The school ended at 3:30pm All the volunteers had a photo session along with the teacher's of the school and ended the outreach program. In this program 12(8 Girls and 4boys) volunteers took part.

**Report on BLOOD DONATION CAMP**

DATE : 17-08-2019

VENUE : BVC

NSS unit has organised a Blood donation camp to the children suffering from Thalassemia. All Volunteers were assembled at 8.30am and a door to door campaign was led by NCC and NSS volunteers. Campaign took place near the college surroundings and the Volunteers also took the chance to make announcements in the classrooms about the activity. The main camp started at 10.00am. The blood was donated to "THALASSEMIA & SICKLECELL SOCIETY VUPPALA VENKAIAH MEMORIAL BLOOD BANK" which is in Rajendra Nagar, Hyderabad. As a way to support and for encouragement Prof. Y. Ashok, Principal sir took the initiative to be a first donor. Next, Venu Madhav sir from NCC, Kondal Reddy sir from sports, Chandan Babu sir from The Bharat Scouts and Guides and many other lecturers donated bloods having their support and encouragement for many others to be a part in a great event and help the society. The blood donation camp was led by 20 NCC cadets, 8 Scouts and Guides members and NSS volunteers. Massive students donated blood and brought their friends and family members to donate blood. As a gratitude for their kindness Certificates have been given to the donors. Volunteers took great care of donors and refreshments were given to them and proper care was taken for those who felt weak and drowsy. Total of 285 units of blood was collected and the camp lasted till 3:30pm. Later refreshments were provided for the Volunteers and received great appreciation from principle sir for all their efforts in making the camp successful. In this program 43(30 boys and 13 girls) volunteers took part. (285 donors+48+46 volunteers=379)

**Report on - BLOOD DONATION RALLY 1**

**DATE : 15-08-2019**

**VENUE : BVC**

On 15<sup>th</sup> August after the completion of independence Day celebrations, at 12:45 the NSS unit of bhavan's Vivekananda college had conducted a rally in the streets of Nirmal Nagar. This rally was to bring to notice of the people near by areas about the blood donation camp that is going to be held in the college.

“Donate blood save life”

“Bead on or save life”

“Rakhtdaan Jeevandaan”

The street of Nirmal Nagar was echoed with the loud slogans by the NSS volunteers making the people who pass by to take an look at the rally. This was the first rally to bring awareness for blood donation camp. . In this program 46(30 girls and 16boys) volunteers took part.

**Report on BLOOD DONATION RALLY 2**

DATE : 16-08-2019

VENUE : BVC

As a part of blood donation campaign a second rally was conducted on 16 august at 3:30 pm by NSS volunteers of college along with the NCC cadets. A great number of volunteers had taken the initiative to join the rally. Rally was conducted in the streets of nerdmets. Plackards with catchy slogans were held by the volunteers to make people aware of the blood donation camp in college.

“Givebloodsavealife“

“RakhtdaanhaiUttamseva“

“Donatebloodbeahero“

These slogans were repeated constantly on the streets of nerdmets making the people to attend the blood donation camp. The rally did end at 4:30pm. The NSS and NCC cadets had together made this rally a successful one. In this program 48(37 girls and 11boys) volunteers took part.

REPORT

OUTREACH PROGRAM FOR HIGH SCHOOL TEACHERS

“Exploring science through Hands on Activities”

An outreach program was organised to High school teachers on 30<sup>th</sup> July, 2019 by Departments of Chemistry, Biochemistry and Microbiology funded by DBT-Star college scheme. The theme of this program was “Exploring science through hands on Activities”. A total of 32 High School Teachers from various government and private schools took active participation in this outreach program.

The program started at 9.30 with a formal inauguration by Air.cmdre (Retd).J.L.N.Sastry, Vice Chairman, BVB Kendra, Prof.Y.Ashok, Principal,Bhavans Vivekananda Collge and Dr. K.Anuradha, Coordinator, DBT-Star college scheme. They briefed on importance of Hands on activities for science teachers. All the teachers were grouped in to three batches and assigned to three departments Chemistry, Biochemistry and Microbiology on rotational basis, where they were trained on different experiments proposed.

Department of Chemistry trained teachers on Green chemistry methods. The experiments included were Use of Curcumin instead of Nessler’s reagent for testing the presence of ammonium ion; use of Thioacetamide in place of Hydrogen sulphide for testing Cations and Microwave synthesis of Benzoic acid from Benzamide.

Experiments included in Biochemistry are for alpha amylase (digestive enzyme) from saliva, Preparation of blood smear for differential count of leukocytes, Blood grouping and cardiac cycle was demonstrated to the teachers by a working model.

Hands on activities in Department of Microbiology emphasized on Staining of bacteria by simple staining, Lactophenol cotton blue staining of fungi, Observation of root nodules for bacteroid zones and Methylene Blue reduction test for testing the quality of Milk. Also the department took initiative in bringing awareness on Foldscope-a paper microscope that comes at an affordable and cheaper price to all the schools.

All the teachers got hands on training in the experiments. The participants gave a high appreciation for conducting the program through their feedback. The program ended with Valedictory program at 4.00 by distribution of certificates to all the participants.

# Report

## Outreach Program for School Children on “Awareness on Vaccination”

An outreach program “Awareness on Vaccination” was organized by department of Microbiology on 20<sup>th</sup> July 2019. It was conducted to create awareness on different types of Vaccines for school students of Zilla parishad boys High School, Malkajgiri. Students of MSc. Microbiology final year presented vedio on history of vaccine preparation, animated PowerPoint presentations on small pox and rabies vaccines and an oral lecture on Hepatitis.

In order to make the concept of Vaccine more appealing to school children, M.Sc students presented skit on school stage on Rabies and polio vaccination significance. There was an enthusiastic response from school students as they felt that the information was very useful in understanding the concept of Vaccination.

M.Sc Microbiology students creating awareness on vaccination (20th July, 2019)

### Report on the Outreach Programme

11<sup>th</sup> & 12<sup>th</sup> JULY, 2019

The department of Biochemistry has organized an outreach programme at Zilla Parishad High School for girls, Alwal on 11<sup>th</sup> and 12<sup>th</sup> July, 2019. Post graduate students of Biochemistry have participated with enthusiasm and displayed models and charts related to the various concepts of biological science. On the first day (11<sup>th</sup> July, 2019) the students demonstrated various experiments like achromic point of salivary amylase, Extraction of DNA from tomato followed by its microscopic observation, lipid analysis of junk foods, Development of latent fingerprint using iodine fumes and folding of DNA. On the second day (12<sup>th</sup> July, 2019), Dr. Kiranmai who was pursuing final year MBBS at MNR medical college, Sangareddy gave a talk to spread awareness about menstrual hygiene to the girl students. Following this, aspects related to nutrition, BMI, blood picture and blood grouping were explained by M.Sc students. School students were very enthusiastic to observe and learn the concepts of all these experiments.

Blood group determination and body mass index (BMI) calculations were done for 76 students of 10<sup>th</sup> standard. This programme received a good appreciation from the students and staff of the school.

Faculty and students of Dept of Biochemistry along with the students of ZPHS and faculty (11th July, 2019)

Demonstration of latent fingerprint using iodine fumes

Dr. Kiranmai, Final yr MBBS student spreading awareness on menstrual hygiene

Folding of DNA

Students observing the slides on blood picture

Students and Faculty of the Dept of Biochemistry with the students and Faculty of ZPHS

M.Sc students explaining the analysis of lipids in junk food to the school students

*W. Sai Reddy*

Outreach programme held on 11<sup>th</sup> & 12<sup>th</sup> JULY, 2019

# A REPORT ON COMMERCE OUTREACH PROGRAMME

## 2018-19

The students of Deccan Public School participating in the outreach programme conducted by Dept of Commerce, BVC on 19th Dec 2018. The Department of Commerce, Bhavan's Vivekananda College had conducted a Commerce Outreach Programme on 19<sup>th</sup> December, 2018 in the village of Gowraram in Telangana. The agenda of the Programme was to create awareness among the students about the field of Commerce and various employment opportunities available to the students.

The faculty of Dept of commerce, BVC, explaining the career opportunities to the students of Deccan Public school on 19th Dec, 2018

A total of 170 students from Deccan Public School had attended the Programme. The session commenced with an introduction of the students and the Teaching Volunteer. The students were questioned about the various career opportunities they were aware of. It was observed that the knowledge of Commerce among them was comparatively low. In the next part of the session, the students were briefed about Commerce, Trade, Industry and Investment. They were informed about the roles and responsibilities of Bankers, Accountants, Entrepreneurs, etc. and their pre-requisites in the present dynamic world.

The session was concluded with a feedback session where the students asked various informative questions.

## Report of AS Rao Award council –Science Talent Search -Summer camp/Out reach 2018 Programme

Department of Microbiology had conducted five day (26<sup>th</sup> April – 1<sup>st</sup> of May) summer camp /Outreach programme in biology for shortlisted school children of 9<sup>th</sup> & 10<sup>th</sup> standard in Science Talent search for AS Rao Award programme . This was organized Dr. Nageswar Rao and other council members at Vigyan concept school at Miyapur . Dr.K. Anuradha , Head ,Department of Microbiology, faculty members - Dr.J.Sarada, Dr.Y.Aparna, and Dr.S.Shalani Devi organized the programme with P.G students Ms. Hema Latha, S.Sowjanya and M.Harsha Vardhan and Mr. Srinivas for Biology students. Student participants were from Government and private schools in Telangana and Andhra Pradesh and were very keen in taking up higher education in Biology.

On 26<sup>th</sup> April morning Out reach Programme started with Inaugural after which students were divided according to the subject. Day one activity was on Food adulteration where students tested the quality of milk samples and Honey .Later students performed salivary amylase test to understand its role in food digestion.

Student volunteers at the registration of the outreach programme as part of AS Rao awards programme from 26th April to 1st May, 2018... Second day i.e on 27<sup>th</sup> students tested pH of common beverages water and other samples and calculated BMI for all participants in the summer camp. On 28<sup>th</sup> experiment like Osmosis was performed by the students in which they have learnt the principle and applications of Osmosis. After lunch break they worked on Paper chromatography technique to separate the pigments /coloured dyes. Every day at the end of the session students had rapid fire ,just a minute ,quiz games which helped them to remember the concepts learnt in the programme.

Interaction of resource persons with the student participants 26th April to 1st May, 2018

Students of 9th and 10th classes participating in the programme 26th April to 1st May, 2018

*Anuradha*  
**Head of the Department**  
 Department of Microbiology  
 Bharatiya Vidya Bhavan's Vivekananda College  
 Santikpuri, Secunderabad - 500 094.

Fourth day in the camp started with Blood typing for all the participants and Estimation of hemoglobin by sahilis method. Children enjoyed doing blood grouping for their friends and they also made an analysis of number of anemic people in the camp after estimation. Fifth day we had acid base titration technique with their applications .students were also demonstrated with DNA extraction, Microbiological cultivation and Staining of bacterial cultures. Children were made to play scientific anthakshari and solve the riddles in science

Last day i.e on 1<sup>st</sup> May ,we had report writing and presentation summarizing student activities and presented their observations as Poster to the trainers.

Orphanage Visit [Ashraya Foundation]

Date:26<sup>th</sup> January 2019

NSS Unit has visited an orphanage on 26<sup>th</sup> January which is located in teacher's colony, Thirumalagiri. An NGO Ashraya Foundation runs the orphanage. 13 Volunteers [7 boys and 6 girls] participated in this activity .There were around 25 kids in the orphanage in which most were students of class 6 and below and few were 7<sup>th</sup> and 8<sup>th</sup> standard students.

We reached the orphanage at around 1:00 pm .Lunch was provided to us because it was Republic Day .Even kids had their lunch. Then we conducted fun activities like dance, musical chairs, music and ball game .Everyone enjoyed a lot . Then we distributed the things collected to them [stationary items like pens, books, all in one game set, chocolates, biscuits]. The activity went till 5:00pm. We took a few photographs .It was a pleasant day with lot of fun .The kids requested us to come again.

## National Youth Day celebrated at Bhavan's College

OUR BUREAU

Hyderabad: Bhavan's Vivekananda College celebrated the National Youth Day as part of Silver jubilee celebrations of the college with great enthusiasm and positivity. B. Sumathi, IPS, Telangana was invited as the chief guest for this event. Prof. Y Ashok, Principal gave the welcome address. The towering statue of Swami Vivekananda was garlanded by the chief Guest and the Principal. The traditional lamp was lit followed by Bhavan's Prayer. Devotional songs were sung by the students.

The chief Guest gave an motivational speech and advised the students to follow their dreams and to strive to achieve excellence in their respective fields. She spoke about an initiative taken by the Telangana Police Department i.e Bharosa, which has been doing good work, reaching out to people. She appreciated the college for having such a positive and vibrant ambience in the campus.

Dr. Sanjeeva Rao, Coordinator, Centre of Excellence, presented the annual report at the MBA Seminar hall. The Principal congratulated the organisers and the coordinator of Centre of Excellence team for organising various competitions as part of National youth day Celebrations.

There was a skit performed by the students on

the life story of Swami Vivekananda that was well appreciated by the audience. The programme ended with the prize distribution ceremony. The NSS and NCC team of the college, visited few villages under the Village Adoption Programme and were given certificates and encouraged for their good deeds.

# A REPORT ON COMMERCE OUTREACH PROGRAMME

## 2018-19

The Department of Commerce, Bhavan's Vivekananda College had conducted a Commerce Outreach Programme on 19<sup>th</sup> December, 2018 in the village of Gowraram in Telangana. The agenda of the Programme was to create awareness among the students about the field of Commerce and various employment opportunities available to the students.

A total of 170 students from Deccan Public School had attended the Programme. The session commenced with an introduction of the students and the Teaching Volunteer. The students were questioned about the various career opportunities they were aware of. It was observed that the knowledge of Commerce among them was comparatively low. In the next part of the session, the students were briefed about Commerce, Trade, Industry and Investment. They were informed about the roles and responsibilities of Bankers, Accountants, Entrepreneurs, etc. and their pre-requisites in the present dynamic world.

The session was concluded with a feedback session where the students asked various informative questions.

#### **Mentors of the Programme**

## Report on sale of Green Ganesha held on

**12<sup>th</sup> September 2018**

The greENERGY club organized the sale of clay Ganesh as as a part of Green Ganesha program. 150 clay idols of Ganesha were sold. Each Ganesha idol had seeds of flowering plants. The Ganesha idols were available in two sizes of 9 and 13 inches respectively. Flexibility of getting customized painting done on the idols with water colors was also given as an option by the students. The idea of selling clay idols with seeds embedded was to encourage immersion of Ganesha in bucket of water at their respective homes, followed by putting the clay in pots so that the seeds germinate. This was taken up to spread awareness to save lakes. The event was organized on 12<sup>th</sup> of September 2018, on the eve of Ganesh Chaturthi. Students and staff were encouraged to purchase the clay 'seed' Ganeshas which were given away in ecofriendly paper bags. The first idol was bought by the Vice Chairman Air Commdr. JLN Sastry, VSM, BVB, followed by Prof. Y. Ashok, Principal of BVC. The event was very successful owing to the active and enthusiastic participation of the students and staff

Report on Elections Duty – General Elections

Date-9/12/2018

Approximately students from Bhavan's Vivekananda College our college which consists both NCC and NSS volunteers participated in the Election Duty .We did this duty with the help of Neredmet Police. We assembled in front of neredmet police station around 5.30 am .We were divided into groups along with the police. Each polling center were given 2 volunteers. We were given the work to make the people follow the Queue and help the disabled / Physically handicapped people to take to the polling station. We had our lunch at around 1.00 pm which was provided by the police. We sincerely did our jobs at the polling stations.

Voting lasted till 6.30 pm. Many of the people did not even use their Right to vote. We were there at the polling stations till the election officer cross checked the number of voters who voted. At approx 7.30pm we left the polling station and again assembled near Neredmet Police Station so that there would be a count of volunteers who did their duty. We were provided refreshments and at 7.45 pm we left to our houses.59 Students volunteers have taken part in this program.

## Report on Voice 4 Girls

**Date : 02-12-2018 to 16-12-2018**

The NSS students and other students (14) of Bhavans Vivekananda College got internship opportunity to work with VOICE 4 GIRLS . They provide basic training to bring the awareness education and other social issues.

### Training:

The training was held near Secunderabad Railway Station on 6<sup>th</sup> , 8<sup>th</sup>,9<sup>th</sup>,10<sup>th</sup>. The first two days was like giving training to the counselors about what to teach , how to teach, how to grab the attention of the students. On 11<sup>th</sup> and 12<sup>th</sup> there was micro teaching which means that the trainers will give each activity to the counselor and they have to act as counselor and teach about the each activity given to them. In micro teaching they will check how confident you are while teaching and any pros and cons and if they find anything lacking they give feedback about their teaching not only by trainer but also by others co counselors

On the last day of training they give information about their camp location,place and their respective field coordinator. On 11<sup>th</sup> we went to our camp location i.e. Kammadannam , Mahaboobnagar.

Day 1: The camp was started on 12<sup>th</sup> December 2018 at Kammadannam, Mahaboobnagar at 8:30. The camp name is HER VOICE DISHA , the camp is all about showing a direction a path or a way to the adolescent girls in rural areas. The day is started with our camp song,after that energizer for girl. After completion of camp song and energizer,their activities will be started . each activity plays a important role for the girls in which they involve with other school girls. By 1 all the activities will be complete after that the next session i.e. SPEAK UP will be started. The main aim of SPEAK UP is to make the girls only to speak in English for better communication where each and every student will take place in their session.

Day 2 : On day 2 they learnt about great women like Poorna Malavath , Angelina Jolie ,Mary Kom etc. What are the hurdles they faced in their life , family situations and how they overcame their hurdles and became successful in their lives.

Day 3: On day 3 counselor taught campus about getting an education and courses available at Intermediate and PG level.

Day 4: On day 4 we taught that there are different ways to earn money such as scholarships , part time job etc and how to be independent .

Day 5 : On day 5 we taught about being healthy and happy and different types of yogas, stretches , maintain body fit not only the body but also healthy mind.

Day 6 : On day 6 we taught about “I am growing up” which says that as we grow girls will face different problems,hurdles and how to overcome hurdles.

Day 7: On day 7 we taught about “My body my choices” .Campers learned about sexual reproductive system of both men and women, sexual organs and their functions and learned about how to make good choices in their life .

Day 8: On day 8 they learned about “My future family” and campers had drawn their future families. They also written what are their professions in future in their family.

Day 9: On day 9 they have learned about “Charting my bride future” campers learned about how to mend their future as per their choices at right time and make their lives more colorful and with happy smiles

Day 10 : On day 10 campers learned about “HER VOICE GRADUATION” . On the last day there was a debate between two groups on certain myths like during periods girls should not touch trees,not to eat pickles,not to go to temple etc. Counselors had given her HER VOICE DISHA batches to the campers as the special appreciation . Counselors had given certificates and camper books to all the camper as they successfully completed 10 days camp. From 2 to 5:30 pm they were final performance by all the nine classes were each and every student had participated in it.

NSS 1-Voice 4 Girls - Participation Certificate-02-12-2018 to16-2-2018

#### **Report on Swachh Bharath Abhyan at MGBS BUS STOP**

**Date – 2<sup>nd</sup> October 2018**

On the special occasion of Gandhi Jayanthi, [the birth date of Gandhiji] Osmania University conducted a Swachh Bharath Abhiyan on the 2<sup>nd</sup> October morning at Mahatma Gandhi bus stop Hyderabad.

The event was completely based on spreading awareness about having cleaner India and also cleaning different areas in and around the bus stop. Around 50 different colleges all over the city participated. **30 students** from our college NSS Team Bhavans started off early in the morning and reached the place around 9 am

We Bhavanites along with our NSS programming officer Mr P. Srinivas first registered ourselves and we were assigned to perform a rally about 1.5 km and returned and started cleaning the area immediately. We collected all the thrown plastic and non –biodegradable wastes into one bag and all the biodegradable wastes like paper, tickets into another bag.

There were many senior officers and OU lecturers who appreciated us on giving our best. The event came to an end at 12 pm and we all set back to our homes.

The main motto for the event to be conducted was to have a cleaner and greener country as Mahatma Gandhi rightly said “Sanitation is more important than Independence”.

**Report on Report on Blood Donation Camp**

The NSS and NCC unit of the college jointly organized a Blood Donation Camp in the college on Thursday , **27<sup>th</sup> September 2018**. The volunteers had come at around 8 am and organized the set up for the camp. It began around 10 am and continued up to 3:30 pm with a steady stream of donors throughout.

The Vivek Bharathi stage became a platform for the donors. They were checkups going on and the potential and eligible people donated blood. There were enough places where the donors could lie down, set and recuperate for a while before they leave the venue. They were provided refreshments (glucose water, banana etc.) the NSS volunteers saved the donors with the refreshments and helped the ones who were feeling sick/ill.

They were 276(246donors+30 NSS volunteers)members participating in the camp with zeal and enthusiasm of serving the people. About 5 of the NSS volunteers AND 15 NCC cadets donated blood.

With all the efforts we could collect whole 246 units of blood which were carefully sealed and transported away, while the NSS and NCC volunteers cleaned up the area. Throughout the day there were smiles and laughter all round a true embodiment of what we believe in – Selfless service with a smile. The donors received the certificate of recognition. Hence the aim – blood for the thalassemia diseased children of the camp was successfully achieved.

NSS 1a Blood Donation Camp in the college on Thursday, 27th September 2018.

## Report on Cancer screening for women

The Medical and Health committee along with NSS unit of Bhavan's Vivekananda College in collaboration with Grace Cancer Foundation organised "Cancer Screening for Women" on 15<sup>th</sup> September, 2018 at Vivek Bharathi Auditorium, BVC. The coordinator of the medical and health committee, Dr. Jyothi Nayar, flagged off a rally of NSS students in the previous day. The screening for breast and cervical cancer started from 8.30 am on 15-09-18. The participants were given consultation by Dr. S Chinna Babu, M.S., MD, MCH (Oncology), Robotic Surgeon, Apollo Hospital, Jubilee Hills and Founder, Grace Cancer foundation. A total of 34 women were screened, of which 11 were from surrounding communities like Vivekanandapuram and Defence Colony, while 23 were the teaching and non teaching staff of Bhavan's Vivekananda College, Bhavan's Sri Aurobindo Junior college and Bhavan's Sri Ramakrishna Vidyalaya. The tests included mammogram, Pap smear and X ray. The tests were performed at a nominal fee of Rs 500. The event was undertaken to bring about awareness among women with respect to breast and cervical cancer. The event was well received and appreciated by everyone.

### Student volunteers:

Report on -KERALA DONATIONS

DATE : 23-08-2018 and 28-08-2018

VENUE: BVC

The NSS unit of our college conducted a “relief operations” for flood hit kerala on 23<sup>rd</sup> and 28th august 2018.

we initially collected and donated essentials like new sleeping mats, bed sheets ,blankets ,rain coats ,food supplies like sugar, salt, tea, coffee, grains such as turdal, barley ,spelt, wheat and rice, daily essentials like match boxes, ORS packets, bandages, dettol, sanitary napkins and diapers. All the above thingd were collected by putting a desk in front of IT block and MBA block and the collected things were separated and packed in different boxes i.e; clothing, food, medicines etc....later we conducted a small rally , where we visited and collected things and funds from people who were living near our college.In this program, 56 volunteers (28 boys and 28 girls) have taken part.

NSS 1-Collected Donation -for KERALA state relief fund : 23-08-2018 and 28-08-2018

Donation

---

**streetcausebhavans** We make a living by what we get, but we make a life by what we give.  
We, the Street Cause Bhavan's community had contributed to Kerala relief fund where in we collected supplies such as

- 1.Rice -10kg
- 2.Dal -5kg
- 3.sugar -2kg
- 4.oil packets -3
- 5.biscuit packets -98
- 6.Maggie -8 packets
- 7.clothes -10 pairs of shirts,tops and pants
- 8.sarees -4
- 9.shampoo -25
- 10.brush and toothpaste -22sets
- 11.candles -40
12. match boxes -20
- 13.First aid kits -3
- 14.sanitary napkins 65 packets
- 15.soaps etc.

The contributions were made by students and teachers alike. The total amount we collected 20K (price of supplies donated). The collection drive became a grand success with the collective efforts of everyone.

NSS 2Collected Donation -for KERALA state relief fund : 23-08-2018 and 28-08-2018

### Health Camp

A Health camp was conducted by the Department of Biochemistry on 14<sup>th</sup> and 16<sup>th</sup> of August, 2018 for the staff and students of Bhavan's Vivekananda College. The camp was organized in association with Vimta labs. As a part of the camp various blood parameters like glucose, lipid profile, liver profile, kidney profile, complete blood count, thyroid profile, vitamin D and vitamin B12, were investigated. Complete health checkup panel, Master health checkup panel and Extended health checkup panel were included in the list of tests done apart from individual tests. About 39 staff members and 73 students got their tests done for various parameters. About 242 students got their blood group tested. There was an active involvement of students of under graduate and post graduate students in conducting the Health camp activities.

These health camps are successful in helping the staff and students to monitor their health status periodically and make necessary corrections in terms of diet or clinical help from a doctor. The department was appreciated by staff and students for the initiative taken and continuing the activity which has become useful at their convenience.

### Free Dental Check-up

The Department of Biochemistry and the NSS unit of Bhavan's Vivekananda College, Sainikpuri, organized a free dental check-up for staff and students of the college on 28<sup>th</sup> July, 2018. This camp was organized in the college in collaboration with the Department of Conservative Dentistry & Endodontics and Department of Public Health, Army College of Dental Sciences. There were 12 doctors and 11 interns who screened staff and students' oral health. The camp received a huge response with nearly 420 students availing this free dental check-up.

Prof.Y.Ashok, Principal, BVC, Dr.A.Sai Padma, Head, Dept of Biochemistry, Mrs.D.Rajani, Asst. Prof, Dept of Biochemistry, Mr.P.Srinivas, Co-ordinator, NCC and faculty of the Department of conservative dentistry and Endodontics, Army college of Dental Sciences along with the student volunteers at the Dental check up programme (28th July,2018)

**Report -SWACHH BHARAT SUMMER INTERNSHIP**

(26/7/18 TO 30/7/18)

The NSS unit of Bhavans took up the responsibility of helping the people of Nagaram to move towards welfare. With a Team of our dedicated volunteers visited the village and provided services that could help the dwellers of the village. We indulged in many activities such as Swach Bharath, Haritha haram, rallies, survey, Swachtha mela, street play, public speaking, door to door survey etc. We cleaned their streets, conducted rallies and educated them about the social evil prevailing in our country. We even took up door to door surveys where we got to have personal interaction with the people and could get to know more about their grievances. The main aim of ours behind conducting such a camp was to spread awareness amongst the slum dwellers and do our part and play our role in improving their living conditions and teach them to live healthy by keeping their surroundings clean and keeping themselves hygienic. In this program a total of 32 volunteers(20girls and 12 boys)have taken part.

**Report on SWACHH BHARATH**

**DATE: 24-07-2018 TO 31-07-2018**

**VENUE: BVC**

The NSS Unit of our college conducted its next event which was 'swachh bharat'. Under this we took up the responsibility of cleaning the ground around gym area and the handball court, behind the MBA block. The strength of our unit are our members, with the help of their active participation we achieved our predetermined target in a span of 7 days. The session commenced from 24<sup>th</sup> of July and continued till 31<sup>st</sup> of July. We had had an average participation of about 50 volunteers who worked around one hour per day. The working schedule was as follows:

Day 1 (24<sup>th</sup> July) - With a massive participation of 53 volunteers we cleaned the hand ball court and the working hours for the same were 3:30pm to 4:30pm.

Day 2 (25<sup>th</sup> July) - The second day with a team of 50 volunteers we started with the ground around the gym area, the working hours were 8:30am to 9:30am.

Day 3 (26<sup>th</sup> July) - Continued with gym area cleaning with a strength of 24 volunteers and the working hours were 8:30am to 9:30am.

Day 4 (27<sup>th</sup> July) - Moved to area behind the gym and continued with our work with a crew of 35 volunteers, working hours 8:30am to 9:30am.

Day 5 (28<sup>th</sup> July) - With a strength of 28 members carried on with our cleaning in the area behind the gym, working hours 8:30am to 9:30am.

Day 6 (30<sup>th</sup> July) - Divided ourselves into 2 groups and spread ourselves across the ground to pile up the waste collected and complete the left over work. Number of volunteers involved were 47, working hours 8:30am to 9:30am.

Day 7(31<sup>st</sup> July) - This was the final day of the event , with an active participation of 52 volunteers we successfully achieved our target, working hours 8:30m to 9:30am.

Keeping our surroundings clean is one of the basic necessities for a healthy living. The main purpose of conducting the Swachh Bharat event was to take an initiative and a step towards a healthy living and to induce the importance of a clean and healthy environment. The place cleared is also helpful for the players, the people accessing gym and gym trainees as they can use the ground for their warm-up sessions. In this entire program a **total of 100 volunteers** (61girls and 39 boys)has taken part.

### OUTREACH PROGRAMME

10<sup>th</sup> & 11<sup>th</sup> JULY, 2018

The department of Biochemistry has organized an outreach programme for the 7<sup>th</sup> consecutive time at Zilla Parishad High School for girls, Alwal on 10<sup>th</sup> and 11<sup>th</sup> July, 2018. Undergraduate and Post graduate students of Biochemistry have participated with enthusiasm and displayed models and charts related to the various concepts of biological science. They demonstrated various experiments like TLC of plant pigments, pH of various solutions of day to day use, microscopic visualization of stomata, working model of cardiac cycle and concepts of exothermic reactions and density. School students were very enthusiastic to observe and learn the concepts of all these experiments. Animations were also shown on circulatory and digestive systems.

Blood group determination was done for 133 students of 9<sup>th</sup> and 10<sup>th</sup> standards and body mass index (BMI) was done for nearly 60 students. This programme received a good appreciation from the students and staff of the school.

Students of M.Sc(Biochemistry), BVC explaining the experiments to students of ZPHS(10th July,2018)...

Students of M.Sc(Biochemistry), BVC interacting with the students of ZPHS(10th July,2018)...

Dr.A.Sai Padma, Head, Dept of Biochemistry along with the M.Sc students at the outreach programme organised at ZPHS 10th July,2018)...

### Report on a Visit to ZPHS:

The team of Abhyas Club on behalf of department of management studies on 20 th December 2018 visited Zilla Parishad High School, Neredmet . They conducted a session on career guidance and public speaking for students of 8 th to 10 th classes. They also conducted drawing competition and storytelling competition for the junior classes. At the end they

Distributed sweets and conducted a quick dance session of 15 minutes for them. And also conducted a session about the importance of physical fitness and conducted different games and also contributed sports items to the school.

#### List of Students Visited:

## Report

### Awareness programme on "Healthy Food for Daily Consumption"

4<sup>th</sup> August, 2018

#### Science club activity

As a part of Science club activity, an awareness programme on "Healthy food for Daily consumption" was organized. The aim was to make students and staff aware of the foods which we need to include in our daily life for better health. Students in a team of 2-3 were asked to prepare posters related to a particular nutritive food item and also prepare a dish using that food as the main ingredient. Total no of teams participated were 17 which includes nearly 55 students. Students actively participated in the poster competition and also prepared dishes with basic ingredients using simple cooking methods like soaking, sprouting, baking, fermentation, steaming etc. Information, innovation and creativity were observed in their posters and equally in preparing a good nutritious dish. Mrs. B. Kalpana (Dept of Genetics) and Mrs. Mary Nygi Kurian (Dept of Chemistry) were the judges for the poster and the dishes competition. BMI (Body Mass Index) was also calculated for the interested students.

#### Prize winners for the poster and dishes competition

Prize	Name of the Student	Class
First prize	1. Kanchan Singh 2. D. Rajashree 3. Afroz Zeba	B.Sc II year M.Bi.C
Second prize	1. Harshit Mishra 2. Sarvani Mannepalli Sai Lakshmi 3. J. Swati	B.Sc I Year M.Bi.C and M.G.C
Third prize	1. Priyanka, 2. Kottam Geeta Lakshmi 3. Niharika Sharma	M.Sc II year Biochemistry

On the same day, Dr. Deepa Agarwal, Nutritionist and Dietician, Apollo Cradle, Hyderabad, was available for free consultation. She clarified the doubts of the staff and students, and also highlighted the importance of planning a diet which has to be nutritious and specific to a particular health conditions. Staff and students have highly appreciated the inputs and advice given by her for a healthy life style.

Staff from other departments visited and also appreciated all the students for their active participation and making everyone understand the importance of foods which has to be included in our daily diet.

A. Lai Jode

Head, Dept. of Bio-Chemistry

## REPORT

### **A S Rao Awards Council workshop**

04/06/2018

We Mrs.T Sai Santoshi and Dr.GSVRK Choudary faculty members from Department of Physics and Electronics, Bhavan's Vivekananda college, Sainikpuri submit the following report on 19<sup>th</sup> Residential Science Workshop organised by Dr. A.S Rao Awards Council from 28<sup>th</sup> April to 3<sup>rd</sup> May 2018 at VIKAS Concept school.

The Aim of the Workshop was to inculcate the experimental skills coupled with analysing ability and understand the concepts of Basic Sciences at young age. The students are also exposed to lectures given by eminent personalities working in Basic Sciences. The students of 9<sup>th</sup> class from various schools in Telangana and Andhra Pradesh were selected through talent search examinations and were invited for the residential workshop. A total of 57 students (35 from private schools and 20 from government school) were divided into four groups. One group of 16 students were allotted to us to carry out projects in Physics,

We along with the help of 4 students (Mr M. Nikhil, Ms V. Vaishnavi, Ms.Manasa Usha, Ms.G.S. Meghana) from MPCs III yr and 2 students (Mr.Vishal and Ms.Nikhita) ) from MECs III yr have successfully completed the task assigned to us.

This the first time the students from our college participated in this Workshop which gave them a good experience.

The Department of Physics and Electronics has also supported the council with necessary equipment for carrying out the science projects in Physics.

We thank the Management of Bhavans Vivekananda College and Dr.A.S. Rao Awards Council for giving us this opportunity to interact with young minds.

### Report of AS Rao Award council –Science Talent Search -Summer camp/Out reach Programme

Department of Microbiology had conducted five day(26<sup>th</sup> April – 1<sup>st</sup> of May) summer camp /Outreach programme in biology for shortlisted school children of 9<sup>th</sup> & 10<sup>th</sup> standard in Science Talent search for AS Rao Award programme . This was organized Dr. Nageswar Rao and other council members at Vigyan concept school at Miyapur . Dr.K. Anuradha , Head ,Department of Microbiology, faculty members - Dr.J.Sarada, Dr,Y.Aparna, and Dr.S.Shalani Devi organized the programme with P.G students Ms. Hema Latha, S.Sowjanya and M.Harsha Vardhan and Mr. Srinivas for Biology students. Student participants were from Government and private schools in Telangana and Andhra Pradesh and were very keen in taking up higher education in Biology.

On 26<sup>th</sup> April morning Out reach Programme started with Inaugural after which students were divided according to the subject. Day one activity was on Food adulteration where students tested the quality of milk samples and Honey .Later students performed salivary amylase test to understand its role in food digestion.

Students participating in the wokshop on food adulteration and enzyme activities...

Second day i.e on 27<sup>th</sup> students tested pH of common beverages water and other samples and calculated BMI for all participants in the summer camp. On 28<sup>th</sup> experiment like Osmosis was performed by the students in which they have learnt the principle and applications of Osmosis. After lunch break they worked on Paper chromatography technique to separate the pigments /coloured dyes. Every day at the end of the session students had rapid fire ,just a minute ,quiz games which helped them to remember the concepts learnt in the programme.

Students participating in the quiz and other activites (26th April-1st May)

Fourth day in the camp started with Blood typing for all the participants and Estimation of hemoglobin by sahilis method. Children enjoyed doing blood grouping for their friends and they also made an analysis of number of anemic people in the camp after estimation. Fifth day we had acid base titration technique with their applications .students were also demonstrated with DNA extraction, Microbiological cultivation and Staining of bacterial cultures. Children were made to play scientific anthakshari and solve the riddles in science

Last day i.e on 1<sup>st</sup> May ,we had report writing and presentation summarizing student activities and presented their observations as Poster to the trainers.

## A Report

A 2-day workshop was held on March 9 and 10, 2018, at the School-College run by TSWREIS (Telanagana Social Welfare Residential Educational Institutes Society) at Domakonda, Kamireddy. This workshop, called TOT 2018 (Training of Trainers), aimed to train around 100 newly recruited college lecturers for colleges run by the Telangana Welfare Society.

Morning sessions were devoted to lectures and discussions about key topics on how to set up laboratories and prepare/procure reagents and equipment (preparation of stock solutions, data analysis). Afternoon sessions were devoted to laboratory work to learn basic techniques (microscopy, electrophoresis, etc.) and methods (protein estimation).

Head of the Department

Dear Sir,

**Sub:** Invitation to act as Resource Person during Two Days Workshop on Training of Trainers (9<sup>th</sup> to 10<sup>th</sup> March, 2018) at TSWRDC, Domakonda, Kamareddy – Req-Reg.

With the support of Telangana Social Welfare Residential Educational Institutions Society (TSWREIS), we are organizing Two Days Workshop on Training of Trainers (TOT-2018) from 9<sup>th</sup> to 10<sup>th</sup> March, 2018 at Telangana Social Welfare Residential Degree College for Women (TSWRDCW) for establishing life science laboratories and effective conducting of practical's at TSWRDCW. The teachers belonging to Life Science Departments (Botany, Zoology and Microbiology) of TSWRD Colleges across the Telangana State running under TSWREIS will undergo training during TOT-2018. We express gratitude for the consent given by you on telephonic conversation. We are pleased to invite you as a Resource Person for the TOT-2018 workshop. In this regard, we request you to make it possible to attend and deliver lecture related to workshop on TOT-2018.

In this regard, we request the Principal of the concerned college to relieve the resource person.

Thanking You,

Yours Sincerely,

  
Janardhan Rao Patwari  
(Principal)

### Pollution Check (24-02-2018)

The Department of Genetics and Biotechnology organized a pollution check campaign on 24<sup>th</sup> February, 2018, with an objective of educating vehicle owners on the importance of pollution control.

The students and faculty of the Life Science Department were actively involved in this program. The event began at 1:00 pm. Many staff and students, who commute to college by their own two & four wheelers, got their vehicles checked. The RTA approved pollution check agent checked a total of 105 vehicles, including 98 two wheelers & 7 four wheelers.

The enthusiasm, diligence and hard work of the members of the greENERGY club were appreciated by one and all.

### Free Health Camp

17-2-2018

The Department of Biochemistry organized a free health check-up for staff and students of the college in collaboration with Apollo Hospitals Enterprise Ltd on 17<sup>th</sup> Feb, 2018. The camp included the free services of checking blood pressure, random blood sugar, ECG and free consultations from the doctors of various specializations like Gynaecology, Pulmonology, Orthopaedic, Dermatology, Dental, Nutrition and diet planning. About 120 staff members and 171 students availed these free services. The camp was well received and got appreciated by the staff and students for having multi-speciality services at one place.

Some of the volunteers were helping the people who came and other's were sent to the nearby houses and apartments for collecting the information (count) of children below 5yrs and letting the parents know about the nearby pulse polio booths. "A STUDY TO SPREAD AWARENESS"

**NSS- 6-Marking the kid who have taken Polio Drops-PULSE POLIO PROGRAM -28-01-2018**

We helped them up to 1:00pm and all the 50 volunteer's gathered at our college, shared our experiences with our POand departed to our respective places.

### Outreach Program-Meet the Scientists

Bhavan's Vivekananda college ,Department of Microbiology On Saturday organized an event "Meet the Scientists" for science teachers and students at +2, UG and PG levels on , 27th January 2018. This event was a part of the outreach program organized by the International Congress on Cell Biology 2018,Hyderabad. This was the first-ever joint meeting of FCB (International Federation for Cell Biology), APOCB (Asian Pacific Organization for Cell Biology), and the Indian Society of Cell Biology (ISCB). The ICCB was organized by Centre for Cellular and Molecular Biology, (CCMB). Principal Prof.Y .Ashok, appreciated the initiative for conducting an outreach program at Bhavan's Vivekananda college and applauded the scientists for sharing their knowledge . There was an overwhelming response of 100 participants that included teachers and students of various institutions in twin cities. Teachers and students had a chance to interact with two eminent scientists, Prof. Margarete Heck and Dr. Mukund Thattai, who shared their personal journeys in Biology and spread the excitement of science. The teachers and students actively interacted with speakers Outreach Program addressing issues related to biology and its prospects

**Report on AIDS Day rally-1<sup>st</sup> December 2017**

Nss unit rallied on 1<sup>st</sup> December 2017 as part of World Aids Day. Volunteers created awareness on AIDS and other health issues. The rally started at 8:30am and continued till 11:30am. 35 volunteers took part in the program. All the volunteers were gathered in the college by 8am. We were divided into four teams. All the volunteers were in standing position to take rally with respective placard with a slogan written on it. We were shouting as much as possible to bring the awareness on AIDS and we covered 3 streets .i.e Sainikpuri, Defence colony and Vivekananda Puram.

Sainikpuri,  
SECUNDERABAD

Dear Sir / Madam,

**Safety Riding Training**  
**for Female students & Teachers**

SUB: Please give us permission on 24-11-2017 for female safety activity at your collage promiscuous.

Honda, as you know is the world renowned automobile manufacturer and is known for its superior technology worldwide. Honda follows Safety as integral part of our all its business activities & aims to support and enhance its role to create awareness for road safety and environment, specially for Females students; 'the next generation'.

Honda Motorcycle & Scooter India Pvt. Ltd. (HMSI), is a 100% subsidiary of Honda Motor co. Japan, having its Head Office at Manesar, Gurgaon. HMSI is promoting Safety Riding aggressively in India through its dealers, Traffic Police, SIAM, RTO'S & active participation from various schools & colleges.

In India more than 4.3 lac accidents occur annually & Adults are involved in 50% of road accidents in the country. Since children & Adults both are more prone to accidents, efforts need to be made to organize various road safety activities in a sustained manner for safety of awareness and precaution of accidents.

Our objective is to actively engage with the colleges and thus educate the females on various aspects of 'road safety' through our Riding Training workshops.

We conduct safety programs of Two wheeler learning for females of 18 Yrs & above.

NSS- 4-Road safety Awareness - Safe Riding Practice- Safety Riding-22nd November 2017

Subject: Regional Children's Science Congress

Dear Sir,

The Navodhaya School at Gopanpally, Hyderabad is organizing the Regional Children's Science Congress between 14<sup>th</sup> and 18<sup>th</sup> November. The University of Hyderabad is hosting it. As a part of the program, we would like to organize an event where scientific principles will be demonstrated through simple experimnts to children. This will provide hands-on experience of science in everyday life and enthuse children into thinking about scientific principlrs that operate around us.

A couple of years ago, students of your college had done a similar program for the AP Science Congress at the Univerisy of Hyderabad. This was done under the able guidance of Dr. Vidya Jonnalgadda and was a great success.

I would like to request you to support this event by conducting a similar event. The event is scheduled for the 18<sup>th</sup> of November , forenoon session. We will provide all the consumables that are required and all arrangements at the venue for operation. Transport and a certificate of appreciation will be provided for your support.

Thanking you in anticipation

Sincerely,

Prof. Krishnaveni Mishra  
Department of Biochemistry  
School of Life Sciences  
University of Hyderabad  
Hyderabad

## Regional science congress 2017

### Report

Department of Microbiology co ordinated the scientific demonstrations program at Regional Science Congress that was organized on 18.11.2017 at Hyderabad Central University. As part of this event scientific demonstrations were done for Navodaya School students 9<sup>th</sup> and 10<sup>th</sup> classes by selected team of students from B.Sc Final (MGC and MBIC) Bhavans Vivekananda College.

Resource person: Dr.J.Vidya

Head of the Department  
Department of Microbiology  
Bharatiya Vidya Bhavan's Vivekananda College  
Sainikpuri, Secunderabad - 500 094.

Regional Science congress 2017

Students of B.Sc from BVC demonstrating scientific experiments to students of Navodaya schools (18th November,2017)

## Protocols for Hands-on Activities for Children's Science Congress

### Activity 1: Quick Chromatography

1. Measure the circumference and height of the plastic glass or beaker that will be used as the chromatography chamber.
2. Pour solvent (plain water / some defined mixture of water:methanol or water:methanol:acetic acid) to a height of ~ 5mm in the chamber. Use a 1 mL syringe to measure the liquids.
3. Cover the chamber with a lid (plastic petri dish).
4. Cut a piece of filter paper to form a rectangle with width = 1 cm less than the circumference of the chamber and height = 1 cm less than the height of the chamber.
5. Draw a fine pencil line 1 cm from the width of the paper. This will be the bottom edge of your 'chromatogram'.
6. Make small but intense spots of color on the line using marker pen. Note the color of each dot using a code (e.g., R = red, Y = yellow; write everything with a pencil near the top edge of the paper).
7. Staple or pin together the height-edges of the paper to make a cylinder of paper.
8. Place the paper cylinder (with the color spots at the bottom) in the chamber. Make sure the paper is not touching the walls of the chamber and the spots are not be submerged in the liquid.
9. Wait till the liquid rises over the paper to almost the top. Take out the paper, take out the pins/staples. Allow to dry.
10. Note the distance traveled by solution and distance traveled by the colored spots.

Measure circumference and width of chamber

Cut the rectangle of paper. Make spots with color pens

Pour some liquid into chamber. Cover with lid.

Roll paper into cylinder. Place in chamber.

Worksheet for chromatography:

Experiment no.	Solution (ratios)	Spot #1	Spot #2	Spot #3	Spot #4	Spot #5	Spot #6
1.							
2.							
3.							
4.							
5.							
6.							

## Protocols for Hands-on Activities for Children's Science Congress

### Activity 2: Activity of salivary amylase

1. Take a 1% starch solution (Dissolve 1 g starch in 100 mL hot water). The % of starch is not very critical – a little more or less is quite OK.
2. Using a 1 mL syringe, make 10 well-spaced drops of 0.1 mL of iodine solution on a white tile or a set of glass slides.
3. To the first drop add 0.1 mL of starch solution; it should turn blue-black (this shows your solutions are 'working' as expected).
4. Mark the level of 0.5 mL in a test tube (use a clean 1 mL syringe and water). Collect saliva to this mark (now you have 0.5 mL of saliva).
5. Add 4.5 mL of water or a solution of dilute citric acid or lime (choona). Mix well. This is your enzyme stock.
6. In a plastic cup, mix 1 mL of enzyme with 1 mL of starch solution; this is your reaction mixture. Note the time.
7. Every 30 sec., mix 0.1 mL of reaction mixture with a drop of iodine solution on the tile, Mix with a clean (freshly washed) toothpick. Note the time it takes for the starch to be digested (no blue-black color produced when mixed with iodine).

Worksheet for amylase activity:

Volume of saliva			
Mixed with substance (and volume)			
Time from mixing	Color of spot	Color of spot	Color of spot
0.0 min.			
0.5 min.			
1.0 min.			
1.5 min.			
2.0 min.			
2.5 min.			
3.0 min.			
3.5 min.			
4.0 min.			
4.5 min.			
5.0 min.			

## Protocols for Hands-on Activities for Children's Science Congress

### Activity 3: Calculate your BMI

Measure:

1. Your height in cm
2. Your weight in kg
3. Circumference of your upper mid-arm (UMAC) in cm.

Draw:

1. Histogram of height.
2. Histogram of weight.
3. Histogram of UMAC.
4. Scatter plot of weight vs height; use different colors for boys and girls.
5. Scatter plot of height vs UMAC; use different colors for boys and girls.
6. Histogram of BMI; Box and Whiskers plot of BMI of boys and girls.

To draw histogram:

1. Note the lowest and highest reading for the property to be plotted.
2. Subtract former from latter to get 'range'.
3. Divide range into 5 equal parts, or 'class intervals'. You can round off to nearest integer to get equal-sized 'classes'.
4. Note the number of persons in each class interval, or 'frequency'.
5. Mark class intervals on X-axis. Construct rectangles with height proportional to 'frequency'.

To draw scatter plot:

1. Note the lowest and highest reading for both properties to be plotted.
2. Label the X- and Y- axes using a suitable scale.
3. For each reading, make one dot (with appropriate values corresponding to the X- and Y- axes).

To calculate BMI:

$$BMI = \frac{\text{Body mass (kg)}}{\text{Square of height (m}^2\text{)}}$$

To draw box and whisker plot:

1. Arrange the reading in an ascending order.
2. Locate the mid-value or 'median'; this value divides the data set into two sets with equal number of readings (50% of readings are below the median value and 50% of the readings are above the median value). The median is also called the Q2 (second quartile).
3. For each of the two sub-sets, locate the mid-values. The mid-value of the first set (with values lower than median) is called Q1 (first quartile). The mid-value of the second set (with values higher than median) is called Q3 (third quartile).
4. Note the minimum and maximum values.
5. Draw the box of the box plot with ends at Q1 and Q3. Draw a line across the box at Q2. From the mid-points of edges of the box, draw whiskers to mark the minimum and maximum values.

## Protocols for Hands-on Activities for Children's Science Congress

### Activity 4: Measure your Resting and Elevated Pulse

1. Measure your resting pulse for 3 consecutive 30 sec. periods.
2. Run or jog or jump for 30 sec., or 60 sec., or 90 sec. (note the time).
3. Measure your pulse for consecutive 30 sec. periods until it returns to resting rate (for at least 60 sec.).
4. Plot your reading (time on X-axis; pulse rate on Y-axis; you can convert to % of starting rate).
5. Compare your readings with at least 4 other persons and answer the following questions:
  - a. What is the average resting pulse rate?
  - b. Does pulse rate increase with activity?
  - c. Does type of activity (running versus jogging versus jumping) affect pulse rate?
  - d. Does increase in pulse rate depend on how long you were active?
  - e. Does the time taken for pulse rate to return to normal depend on how much higher it was at starting point?

Worksheet for pulse rate:

	1	2	3	4	5
Name					
Resting pulse 1					
Resting pulse 2					
Resting pulse 3					
Type of activity					
Duration (sec.)					
Pulse count 1					
Pulse count 2					
Pulse count 3					
Pulse count 4					
Pulse count 5					
Pulse count 6					
Pulse count 7					
Pulse count 8					
Pulse count 9					
Pulse count 10					

## Protocols for Hands-on Activities for Children's Science Congress

### Activity 6: Quick Titration

1. Measure 0.5 mL or 1 mL of base solution into the plastic cup (use a clean 1 mL syringe).
2. Add a drop of indicator phenolphthalein to the base; it should turn deep pink.
3. Fill a clean 1 mL syringe with acid solution.
4. Add the acid drop-wise to the base solution. Mix the solution in the cup by gentle swirling. Keep adding acid just until the pink color disappears. Note the amount of acid required to neutralize the base (in case more than 1 mL is required, refill the syringe with acid).
5. Repeat the titration by switching the solutions: take acid in the plastic cup and add indicator (solution will remain colorless), and titrate with base taken in syringe (note the amount of base required for solution to just turn pink).

Worksheet for titration data:

Experiment no.	Substance in cup (acid/ base)	Volume in cup (mL)	Substance in syringe (acid/base)	Volume added for neutralization (mL)
1.				
2.				
3.				
4.				
5.				
6.				
7.				
8.				
9.				
10.				

Calculations: strength x volume of acid = strength x volume of base

If strength of acid = 1N; strength of base =

- solution on a white tile or a set of glass slides.
- To the first drop add 0.1 mL of starch solution; it should turn blue-black (this shows your solutions are 'working' as expected).
  - Mark the level of 0.5 mL in a test tube (use a clean 1 mL syringe and water). Collect saliva to this mark (now you have 0.5 mL of saliva).
  - Add 4.5 mL of water or a solution of dilute citric acid or lime (choona). Mix well. This is your enzyme stock.
  - In a plastic cup, mix 1 mL of enzyme with 1 mL of starch solution; this is your reaction mixture. Note the time.
  - Every 30 sec., mix 0.1 mL of reaction mixture with a drop of iodine solution on the tile. Mix with a clean (freshly washed) toothpick. Note the time it takes for the starch to be digested (no blue-black color produced when mixed with iodine).

0.5 min.			
1.0 min.			
1.5 min.			
2.0 min.			
2.5 min.			
3.0 min.			
3.5 min.			
4.0 min.			
4.5 min.			
5.0 min.			

## Protocols for Hands-on Activities for Children's Science Congress

### Activity 8: pH of common substances

1. Make a solution / juice / soft paste of the substance.
2. Place small drop of it on a slide or any other clean surface. Soak it using a piece of pH paper and note change of color.
3. Note the pH based on color scale.
4. Display your results as a graphic.

Worksheet for pH data:

Item	pH
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.

### Activity 2: Activity of salivary amylase

1. Take a 1% starch solution (Dissolve 1 g starch in 100 mL hot water). The % of starch is not very critical – a little more or less is quite OK.
2. Using a 1 mL syringe, make 10 well-spaced drops of 0.1 mL of iodine

## Protocols for Hands-on Activities for Children's Science Congress

### Activity 10: Mass and weight

1. Use a spring balance to measure the weight of a small, water-proof article in air (or place in plastic bag before weighing).
2. Measure the weight of the same object after complete immersion in water.

Challenge:

Explain the relationship between mass and weight.

Worksheet for noting weights:

Object no.	Description	Weight in air (g)	Weight in water (g)	% change

## Abhyas Report:

10<sup>th</sup> October 2017... Our first visit to 'Grace Orphanage', which is a home for underprivileged children of all ages. It is located at Neredmet 'X' Road, Sainikpuri and is run by Mr. Victor Emmanuel.

Our arrival was greeted by all the little kids and few volunteers of the orphanage. Our presence made them cheer with happiness and they welcomed us with open arms.

Abhyas members distributed eatables and then interacted with the children to know more about their lives and future goals. Later the team conducted few games and also taught them few activities like singing, dancing, drawing, English speaking .

Everyone had a great time and the event was successful.

Date: 10 - 10 - 2017

Greetings from Grace social and educational society,

We are happy to express our thankfulness with the heart of the gratitude for your love, concern and Remarkable support towards us; Your kind gesture to our orphanage recently has brought cheers on faces and almost felt like family atmosphere and even loved your companion very much which brought the positive impact on our life styles.

We all the children as a family praying for you and your families for your well being, prosper and success. Looking forward with an expectation that you will visit us again and your continue support will really change our life into fullness.

Thanking you

M. Grace Children Home

# WELCOME!

We're Glad You're Here

## Abhyas Report:

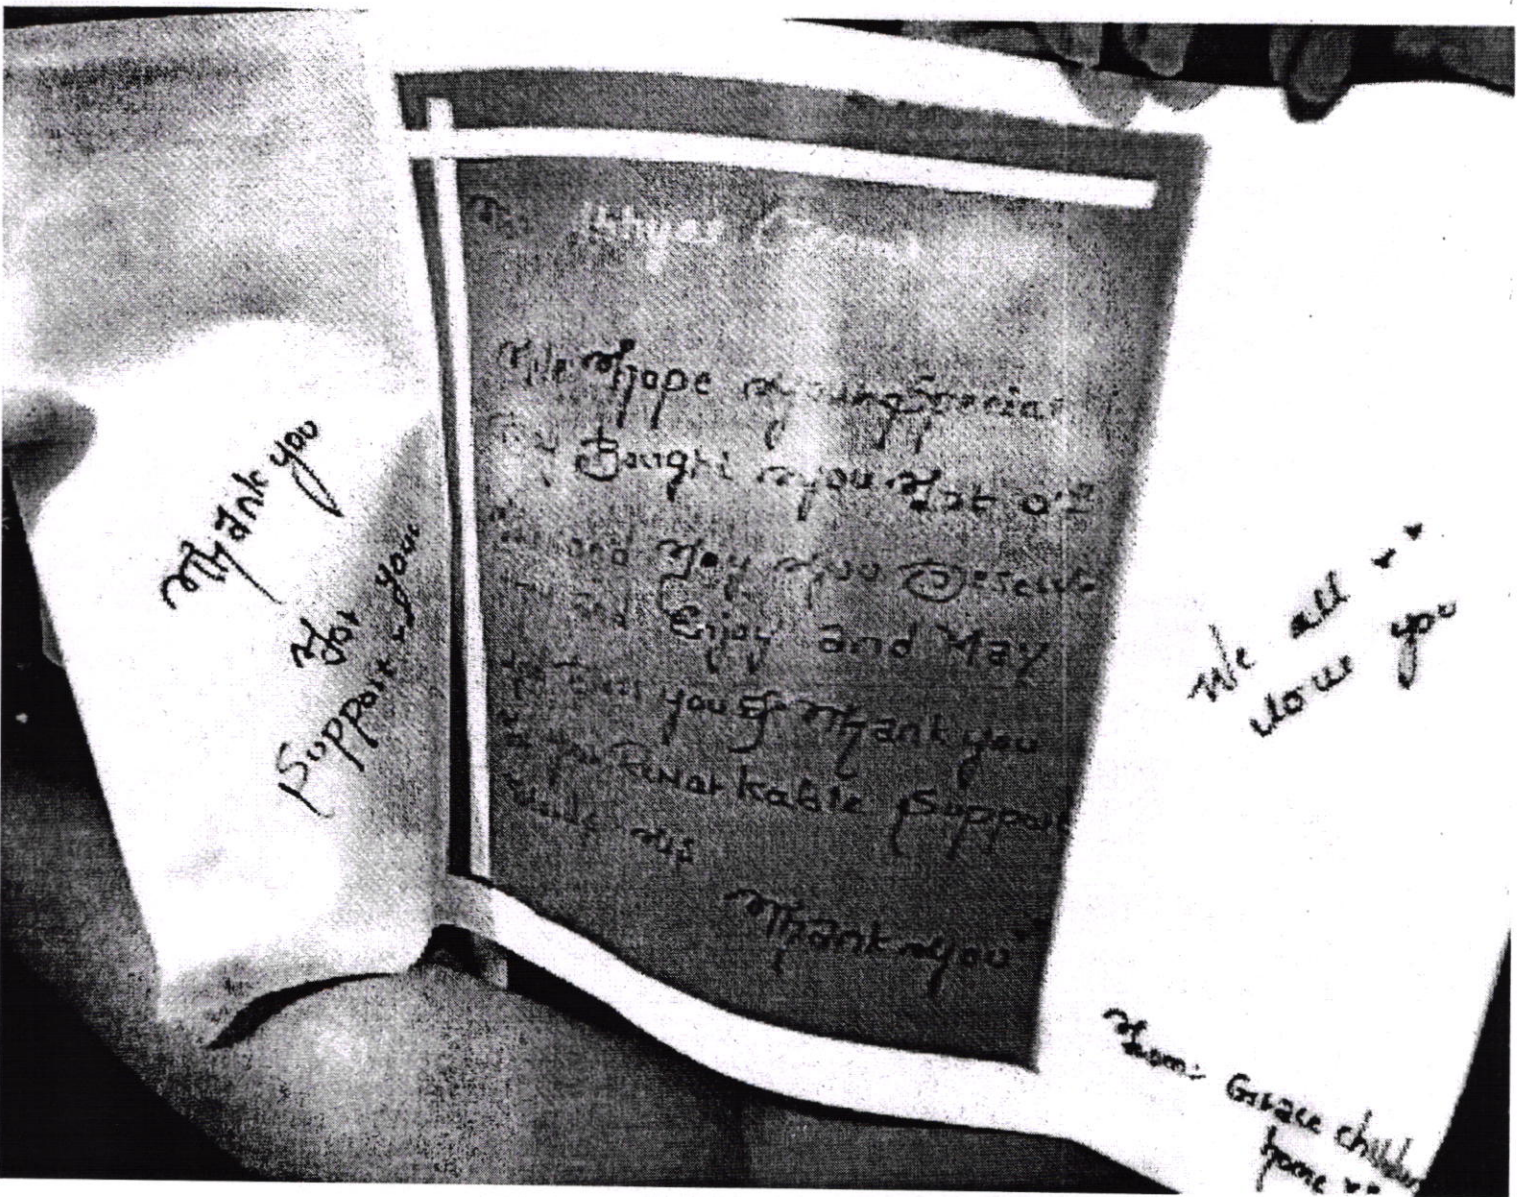

### The shared Happiness....

*Happiness doubles when we share it with someone. We the members of Abhyas club experienced this 'Understatement' when we celebrated the festival of Lights and happiness with our beloved brothers and sisters at the 'Grace Orphanage'. We call it as an understatement as we experienced the happiness multiplying limitlessly to see the smiling faces of the kids when we distributed chocolates and new clothing as Diwali gifts. The kids and the members of Abhyas together performed dandiya and enjoyed the day.*

Sub: Request for conducting SWACHH BHARATH ABHIYAN in your college -  
permission - Reg.

Sir,

As we all know that with the intimation of Swachh Bharat Abhiyan, by our Honorable Prime Minister of India Shri. Narendra Modi, whole India united in this cause and contributing at their best to bring the country into a Swachh Bharath.

Hence, everyone should be aware of their locality at least in cleanliness and hygiene. We must take initiation in cleaning our house and surrounding as far as possible. By doing so, we can make our whole country clean and green by 2010.

In this regard, we are seeking your permission to conduct Swachh Bharath campaigning in collaboration with NSS unit of your college on 18<sup>th</sup> September 2017.

Thanking you With Regards

(A B Prabha Raj)

## OUTREACH PROGRAM 2017-18

Department of Physics & Electronics conducted an outreach program to IX and X class students of ZPHS-Yapral, Secunderabad, on 16<sup>th</sup> September 2017. A total of 15 students from BSc MPCs and MECs participated in the program and faculty members Mrs.P.Lavanya and Mrs.T.Santoshi accompanied the students.

Concepts in light, heat, electricity and magnetism were explained through power point presentations, oral and experimental demonstrations. The school students enjoyed the session and the school administration was very happy with us as the program became very successful by teamwork.

### Health Camp

A Health camp was conducted by the Department of Biochemistry on 12<sup>th</sup> and 13<sup>th</sup> of September, 2017 for the staff and students of Bhavan's Vivekananda College. The camp was organized in association with Vimta labs. As a part of the camp various blood parameters like glucose, lipid profile, liver profile, kidney profile, complete blood count, thyroid profile, vitamin D and vitamin B12, were investigated. Complete health checkup panel, Master health checkup panel and Extended health checkup panel were included in the list of tests done. About 33 staff members and 43 students got their tests done for various panel of tests. The health camp was successful in helping the staff and students to monitor their health status and make necessary corrections in terms of diet or clinical help from a doctor.

## Report on sale of Green Ganesha held on 24<sup>th</sup> August 2017

The greENERGY club organized the sale of clay Ganeshas as a part of Green Ganesha program. The highlight of the program was that the clay Ganesha idols had seeds embedded inside. The idea was to encourage immersion of Ganesha in bucket followed by putting the clay in pots so that the seeds germinate. This was taken up to spread awareness to save lakes. The event was organized on 24<sup>th</sup> of August 2017, on the eve of Ganesh Chaturthi.

Students and staff were encouraged to purchase the clay 'seed' Ganeshas which were given away in ecofriendly paper bags. About 80 clay Ganeshas were sold. The first idol was bought by the Principal of BVC. The event was very successful owing to the active and enthusiastic participation of the students and staff.

Prof.Y.Ashok, Principal, BVC purchasing clay ganesha,(24th Aug 2017)

## A REPORT ON COMMERCE OUTREACH PROGRAMME

2017-18

The faculty from Dept of Commerce with the students of ZPHS Gajwel 5th Aug 2017  
The Department of Commerce, Bhavans Vivekananda College had conducted a Commerce Outreach Programme on 5<sup>th</sup> August, 2017 in the village of Gajwel in Telangana. The objective of the Programme was to create awareness among the students about the field of Commerce and various job opportunities available to the students.

Students of BVC interacting with students of G D R school 5 th August, 2017

A total of 100 students from G.D.R School had attended the Programme. The session commenced with an introduction of the students and the Teaching Volunteer. The students were asked about the various career opportunities they were aware of. It was observed that the knowledge of Commerce among them was comparatively low. In the next part of the session, the students were briefed about Commerce, Trade and Industry. They were informed about the roles and responsibilities of Bankers, Accountants, Entrepreneurs etc. and their prerequisites in the present dynamic world.

The session was concluded with a feedback session where the students asked various informative questions.

D.O.F.No.1-1/2017(Secy)

18<sup>th</sup> August, 2017

Dear Sir/Madam,

The Ministry of Human Resource Development, vide its letter No.11014/02/2016-CDN(Pt.1) dated August 17, 2017 has sent a call for participation from all Colleges/Universities/Institutions in '**SWACHHTA PAKHWADA (1<sup>st</sup> to 15<sup>th</sup> September, 2017)**' for spreading the message of cleanliness not only among the students but also in the surrounding areas.

In this regard, a **day-wise action plan for Swachhta Pakhwada is enclosed**. It is requested to constitute a Committee of teachers and students for organizing these events and for ensuring highest participation from the student community. A documentation of the activities may be maintained at the institutional level, which may be placed on the Facebook and publicized through Twitter.

The Government has also announced a nationwide essay competition on "**What I can do for a Clean India**" and also a **short films competition**. The last date for entries for these competitions is **8<sup>th</sup> September, 2017**. The winning entries from the institute level essay competition and members of the film clubs may be asked to participate in the competitions proposed by the Ministry of Drinking Water and Sanitation.

Accordingly, keeping in view the importance of the issue and in order to make the Swachhta Pakhwada a success, I request you to undertake the above activities in your esteemed University and also ensure the participation of your affiliated colleges in '**SWACHHTA PAKHWADA from 1<sup>st</sup> to 15<sup>th</sup> September, 2017**' to spread awareness of and evoke sensitivity to virtues of sanitation and cleanliness and help the Government in successfully achieving the initiative of Swachh Bharat Abhiyaan.

This may please be treated as urgent.

## Department of Microbiology

### Outreach Program 2017

An outreach program "Cancer Awareness" was organized by department of Microbiology on 26<sup>th</sup> July 2017. It was conducted to create awareness on different types of cancer for school students of Zilla parishad boys High School, Malkajgiri. Students of MSc. Microbiology gave PowerPoint presentations on different aspects of prevention of cancer and identification of symptoms for early detection. There was an enthusiastic response from school students as they felt that the information was very useful in understanding the concept of cancer .

### Report on Outreach programme 2017-18

The department of Biochemistry has organised an outreach programme at Zilla Parishad High School for girls, Alwal on 28<sup>th</sup> and 29<sup>th</sup> of June, 2017. The purpose of the programme was to encourage the young minds to develop interest towards life sciences and consider it as a future career option.

The graduate and postgraduate students of Biochemistry participated with enthusiasm. They displayed models and charts related to biological science. Many science experiments like osmosis, photosynthesis, vitamin C activity, dialysis, fermentation and lung capacity determination were demonstrated to students.

Blood group determination was done for 87 students and Body Mass Index (BMI) was calculated for 218 students. This programme received good appreciation from the students and staff of the school.

Students of M.Sc (Biochemistry) explaining the experiments to high school students (28th june 2017...

Students of ZPHS looking at the model for determination of lung capacity 28th june 2017.

The process of osmosis being demonstrated to school students 28th june 2017.

### Outreach Program 2017-18:

As a part of department activities, Department of Computer Science organized a 5 day Outreach program on "FUNDAMENTALS OF COMPUTERS" from 19-6-2017 to 24-6-2017 at Government School (Boys and Girls)-Tirumalagiri and Z.P.H. School- Kapra, for 8th & 9th class students.

Following faculty members of our department along with B.C.A final year students conducted theory and practical Classes at their school using Projector rooms and computer labs.

- Mrs. Jaya Lakshmi
- Mrs. K. Padma Priya
- Mrs. B.Divya Rekha

The BCA student were exposed to real world teaching applications and achieved wonderful experience teaching to school students. Students gave very positive feedback. Also expressed their opinion of conduction such classes regularly and teach many more useful applications for them in future.

Following BCA Student volunteers took classes and conducted practical at school computer lab.

School:ZPHS Tirumalgherry	Boys	School:ZPHS Girls	School:ZPHS,Kapra	School:ZPHS,Nagaram
Ruchika Murthy		Priya Shinde	S.Krishna Priyanka	T.T.V.Vamsi Krishna
Kanchan		Shalini Yadav	Surbhi Kasal	N.Naveen
Reena		Madhavi	V.Shruthi	P.Rajesh
Priyanka Pawar		Rajesh Singh		
		Krishna Murthy		

The course covers the topics :

- Computer Fundamentals
- Ms-Word
- Ms-Powerpoint
- Internet fundamentals

The faculty were happy and got different experience from teaching to school students. The feedback from school students is appreciated. We are thankful to Schools Headmasters, for their co-operation and support for the successful execution of the program. We will try to provide more practical

for N. Shastri

hours in the fore coming programs to improve more student understandability

**REPORT ON**

**SHOE DISTRIBUTION PROGRAMME 2<sup>nd</sup> February 2017**

The NSS unit of Bhavans Vivekananda college was initiated to donate shoe pair poor students of a Government school children. As we conducted a special camp in Nemuragomla Village, we decided to support the government school children. We discussed this initiation with our Chairman and Principal Prof.Y.Ashok and with the faculty members of BVC. Respected Principal and all the staff members supported by contributing one pair of shoe. The total contribution is Rs 20,000 was collected and distributed 72 pairs of School shoes. We Invited Principal sir ,Srinivas sir ,Vijayalaxmi madam and other staff members to distribute the shoes. The program was organized in school premises and invited all the village officials. Our principal sir is addressed about this event and about social responsibility and provided the shoes to the all children of school. They were very happy for receiving their respective pair of shoes. As a token of appreciation , School principal presented a shalu to Pricipal Prof Y ashok and srinivassir. We thank Prof Y ashok, all HOD's and Lectures for contributing their support to NSS . NSS Unit of BVC donated 72 Pairs Of Shoes to Government School children of Nemuragomla Village of Worth Rs 20,000/- on 2<sup>nd</sup> February 2017. 22 volunteers helped to organized this program

## Health Camp

A Health camp was conducted by the Department of Biochemistry on 6<sup>th</sup> and 7<sup>th</sup> of January, 2017 for the staff and students of Bhavan's Vivekananda College. The camp was organized in association with Vimta labs. As a part of the camp various blood parameters like glucose, lipid profile, liver profile, kidney profile, complete blood count, thyroid profile, vitamin D and vitamin B12, were investigated. This year Complete health checkup panel, Master health checkup panel and Extended health checkup panel were also included in the list of tests done. About 58 staff members and 115 students got their different blood parameters evaluated. The health camp received a good response and was well appreciated by the staff and students.

Health camp for the faculty organised by Dept. of Biochemistry(6th January, 2017)...

## RECYCLING OF PAPER

26-09-2016

The greENERGY club motivates every individual to be a torch bearer in protecting mother earth. As part of environmental studies project, the second year BtGC students got associated with recycling of paper. They collected 820 kilo grams of waste paper from various departments, under the guidance of Dr. Jyothi Nayar. The recycling of paper is undertaken in collaboration with ITC limited.

Faculty of Dept of Biotechnology and Genetics and the students taking part in the collection of waste paper in the college campus (26th september,2016)

Students involved in the paper collection in the campus (26th september,2016)

**Report on SwacchBhavans-Campus Cleaning-17<sup>th</sup> September 2016**

NSS unit organized campus cleaning program on 17<sup>th</sup> September 2016 on the occasion of NSS DAY .**200 volunteers** participated in this program.

The program aims to inculcate social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. it also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster victims.

## Outreach Program

As a part of department activities, Mathematics and Statistics department organized a 3 day Outreach program on "STATISTICS, STATISTICAL DATA AND ANALYSIS OF STATISTICAL DATA THROUGH MEASURES OF CENTRAL TENDENCY" from 26,27,29 AUG 2016 at Z.P.H. School, Nagaram, Ranga Reddy District for 10th class students.

Following faculty members of our department took classes .

Mrs. P. Rajini  
Mr. N Chandan Babu

The Following Student Volunteer took part in this Program

G Rajashree (B.Sc (MSCs IIIA))  
R Gowtham Kumar (B.Sc (MSCs IIIA))  
V Swathi (B.Sc (MSCs IIIB))  
N Sandhya (B.Sc (MSCs IIIB))

The course covers the topics :

Introduction to Statistics and Computation of Mean, Median, Mode  
Drawing Ogive Curve  
Computation of Mean, Median, Mode through Ms Excel

The faculty were happy and got different experience from teaching to school students. The feedback from school students is appreciated. We are thankful to ZPH School Headmaster, Mr. Aravindan Kumar and faculty members for their co-operation and support for the successful completion of the Outreach program. We will try to provide more topics in the fore coming programs to improve more student understandability.

Mrs.P.Rajini, Lecturer, BVC explaining statistics concepts to students

Department of computer science

Outreach Program

As a part of department activities, Computer department organized a 5 day Outreach program on "FUNDAMENTALS OF COMPUTERS" from 18-7-2016 to 22-7-2016 at Z.P.H. School, Neredmet, Secunderabad for 9th class students.

Following faculty members of our department took classes and conducted practical at school computer lab.

- Mr. N. Bhaskar, Mrs. P. Padmapriya, Mr. D. Ramakrishna, Mrs. Jayalakshmi,
- Mr. Ch.N.V.Mallikharjun Rao, Mrs. VijayaKumari, Mrs. Sridevi

*Five students of physical participated*

The course covers the topics:

- Computer Fundamentals Ms-Word
- Ms-Powerpoint
- Internet fundamentals

The faculty were happy and got different experience from teaching to school students. The feedback from school students is appreciated. Participants were given participation certificates. We are thankful to ZPH School Headmaster, Ms. Aasha (student co-ordinator) for their co-operation and support for the successful execution of the program. We will try to provide more practical hours in the fore coming programs to improve more student understandability.

Mr.D.Ramakrishna, Faculty from Dept of computer science interacting with school children (18th July,2016)

Mrs.K.Saraswathi, Head, Dept of computer science, interacting with student (22nd July,2016).

NSS unit conducted a special camp from 16<sup>th</sup> July to 22<sup>nd</sup> July 2016 at Nemuragomla village of Nalgonda district. **44 volunteers** took part in the camp

The following activities were conducted during the camp

- ) Survey
- ) IMPORTANCE OF SANITATION
- ) SWACHH BHARATH
- ) Cleaning the school campus
- ) RALLY
- ) EYE CHECKUP camp
- ) Games for the school children.
- ) Health camp in the village
- ) Essay writing competition and digital training classes
- ) Tree plantation

Report on Outreach programme for 2016-17

The Department of Biochemistry has organized an outreach programme for school children of ZP High School for Girls, Alwal on 30th of June and 2nd of July, 2016. The programme included lectures and practical session of few science experiments which they will not be able to carry out in their schools. They were shown experiments like dialysis, osmosis, achromic point of salivary amylase and differential count. They were also shown tissue sections of uterus, muscle and liver. Upon request by the school staff, blood grouping was done for about 87 children. The teaching staff, graduate and post graduate students of the department have taken part in this programme. This will encourage the school children to develop interest towards life sciences and ignite their young minds towards considering life sciences as their future career option.

Students observing the osmosis experiment (30th June, 2016)...

Students of M.Sc( Biochemistry) explaining differential count to school students (30th June 2016)

School students being explained about osmosis and dialysis(2nd July, 2016)

M.Sc students demonstrating and explaining tissue sections to school students (2nd July, 2016)

## OUTREACH PROGRAMME 2016-17

### REPORT

Department of Microbiology organized an Outreach Programme for school students of 8<sup>th</sup> and 9<sup>th</sup> classes about "Health and Hygiene" on 06.08.2016 at Nimmagadda Anandamma Memorial Girls School. As part of the programme, the students were made aware about the different infections caused by Bacteria, Viruses, Protozoan and Fungi. They were explained about the various reasons that lead to development of infectious diseases. A PowerPoint presentation on importance of hygiene in leading a healthy lifestyle and detailed information on the different methods of maintaining cleanliness was given. Students were introduced to the concept of Normal Human Microbial flora and their role in causing opportunistic infections. Demonstration of bacterial slides under the microscope and different bacterial culture plates enhanced the students enthusiasm as they were introduced to them for the first time.

## Report on workshop conducted by A S Rao Awards Council

253

04-06-2016

Dr A S Rao Awards Council requested faculty members from Department of Physics and electronics, Bhavan's Vivekananda college, Sainikpuri to be the guides for the science projects in physics for 17<sup>th</sup> Residential Science Workshop organised from 28<sup>th</sup> April to 3<sup>th</sup> May 2016 at VIKAS Concept school.

The selected students of 9<sup>th</sup> class from various schools in Telangana and Andhra Pradesh are selected through talent search examinations are allotted projects in Physics, Chemistry and Biology in a six day residential workshop. The Aim of the workshop is to incorporate importance of experimental skill and analysing the results in understanding the theory behind the experiments.

We Mrs T Sai Santoshi, Mrs B Niraimathi and Dr GSVRK Choudary have accepted to be resource persons for guiding the students for the science projects in physics. The department of physics and electronics has supported the council with following equipment for carrying out the science projects in physics.

Spectrometer and slit box	1
prism	2
mercury vapour lamp with choke	1
extension board	1
Melde's Apparatus tuning fork with pulley with holder	1
Battery eliminator	1
stewart and gees set up	1
Bread board	3
Transformer 9-0-9, 6-0-6	1+1
Diodes	6
Resistance box	2
Ammeter and voltmeter	2+2
Cathode ray Oscilloscope with probe	1
Electrolytic capacitors 100, 330 micro farad	6
multi meter	1
DC power supply	1
Resistors 1 K $\Omega$ , 10 K $\Omega$	3+3
capacitors 1000, 2200 micro farad	3
logic trainer kit board	1

We thank the management of Bhavans Vivekananda College and Dr A S Rao Awards Council for giving us this opportunity to interact with young minds.

27-04-2016

To

The Principal  
Bhavan's Vivekananda College  
Sainikpuri

Dear Sir,

Sub: Apparatus for Dr. AS Rao's Awards Council Workshop

Dr. As Rao's Awards Council has requested 3 of the faculty members of the our department to participate in the science workshop for 9<sup>th</sup> class students who are toppers in the Science Talent Search Examinations as resource persons during 28<sup>th</sup> April to 3<sup>rd</sup> May 2016. The workshop will be held at Vikas, The Concept School, Miyapur. In this regard we would like to use some of the equipment/apparatus from the Physics Laboratory in the workshop. The list is enclosed.

So I kindly request you to permit us to carry the said equipment/apparatus. They will be returned back on 03-05-2016.

The following faculty members will be participating in the workshop.

1. Mrs B Niraimathi
2. Dr GSVRK Choudary
3. Mrs T Sai Santoshi

Thank you.

Yours faithfully

B Niraimathi

## Report on sale of Green Ganesha held on 3rd September 2016

The greENERGY club organized the sale of clay Ganeshas as a part of Green Ganesha program. The objective of this exercise was to bring awareness among the students and the faculty members to actively participate in conserving nature and encourage them to use clay idols instead of plaster of Paris. The event was organized on 3rd of September 2016, on the eve of Ganesh Chaturthi.

Students and staff were encouraged to purchase the clay Ganeshas which were given away in ecofriendly paper bags. About 66 clay Ganeshas were sold. The first idol was bought by the Hon. Director, followed by the Principal of BVC. The event was very successful owing to the active and enthusiastic participation of the students and staff.

Faculty and students of GreEnergy club displaying the clay idols of Ganesha on 3rd September, 2016

## Report on Outreach programme for 2015-16

The Department has organized an outreach programme for school children of ZP High School for Girls, Alwal on 1st August, 2015. The programme included lectures and practical session of few science experiments which they will not be able to carry out in their schools. They were shown experiments like dialysis, diffusion and qualitative determination of ascorbic acid in citrus fruits. The purpose of the programme was to encourage the young minds to develop interest towards life sciences and consider it as a future career option.

Another outreach programme was organized for the same school children of ZP High School for Girls, Alwal on 5<sup>th</sup> and 6<sup>th</sup> Jan, 2016. The teaching staff, graduate and post graduate students of the department have taken up this programme to encourage the school children to develop interest towards life sciences and consider it as their future career option. The programme included experiments like thin layer chromatography of plant pigments, enzyme catalase activity, cross sections of root and shoot. Upon the request of school authorities, blood grouping was done for about 131 children.

**Report on GHMC Elections-2<sup>nd</sup> Feb 2016**

It was a great experience for all of us NSS volunteers(18) to took part in GHMC election. The office

als of GHMC conducted a meeting on 30<sup>th</sup> January 2016 at MRO office at Malkajgiri. They explained details about election process. We all are divided in to various groups. Each group was the part of another group of GHMC officials. We were helping the officials in finding the name and details of voter who visited the booth. We helped in maintaining the queue of voters, providing water, providing voter slips and applying ink to voter etc. Finally election process was completed around 6:30pm

### Report on Health Camp

The department of Biochemistry organized a two-day Health Camp on 20th and 21st of January, 2016. The biochemical parameters that were tested included complete blood picture, lipid profile, creatinine, uric acid, serum calcium, Vitamin D, Vitamin B12 and thyroid profile. On 18th January, 2016 a lecture was organized by the department to give awareness to the staff regarding the clinical significance of different tests to be conducted during the health camp. The staff was made aware by a lecture why the tests were chosen and what the increased or decreased levels in the blood indicate. The camp received a good response with 79 staff members and students getting their blood parameters tested. Blood Hemoglobin levels were done free of cost to 200 girl students to assess their anemic condition. Body mass index and blood grouping were also done for the students.

Sub: VOICE 4 GIRLS CAMP

Respected Sir,

We thank you for giving us permission and extending your support to us, to attend the VOICE 4 GIRLS CAMP.

VOICE 4 GIRLS is an social enterprise that works for marginalised adolescent girls by imparting critical knowledge, life skills and spoken english.

The following students from our college have attended the camp.

- 1) Vistwas G - BA Mass Com III Yr
- 2) Shreya Diksh - BSc HACS III Yr
- 3) Suman Arya - BCom Hons II Yr
- 4) Sri Charvi - BSc HACS I Yr
- 5) Varchani - BSc HACS I Yr
- 6) Harika - BSc HACS I Yr

Following is a small summary of the camp.

We attended "HER-VOICE-DISHA" CAMP that was held from Dec 1<sup>st</sup> to Dec 18<sup>th</sup> 2015, which comprised of a pre-camp training of 5 days from Dec 1<sup>st</sup> to Dec 5<sup>th</sup> 2015 at Hyderabad.

During the training period we were trained with the curriculum to be delivered to the students.

The camp was held in different locations of Telangana in association with 'Telangana Social Welfare Residential Educational Institutions Society' (TSWREIS) from 6<sup>th</sup> Dec to 18<sup>th</sup> Dec 2015.

Each assigned location had 250 students from different government schools.

The 10 day camp had 10 activity based chapters to be covered as per the curriculum.

The feedback we got was very positive as the students in the camp were impressed with our teaching and curriculum and the camp was successfully completed.

On the onset of successful completion of the camp we thank you and the faculty for the support extended to us. We wish and hope our juniors are given the learning experience and the opportunity by attending the upcoming camps.

Your Thankfully

Vishwas G

Shreya Dixit

Suman Arya

Sri Charan

**Dental Camp organized by Department of Chemistry in association with Army College of Dental Sciences in the year 2015**  
Dental Check-up (11/12/2015)

Dental check up for the students and staff of Bhavans Vivekananda College was held on 11<sup>th</sup> December, 2015. The event was organized by the Health and Medical Committee. Dr. Mrunalini Koneru and her team of dentists from Army College of Dental Sciences carried out the check up. The turnout of the participants was about 300. This check up emphasized on the importance of oral hygiene and those with dental cavities and other problems were advised to take necessary treatment. The committee is thankful to Dr. Madhumita Bhattacharjee for helping in organizing the event. The event turned out to be a successful one with huge participation from staff and students of the college.

## Report on sale of Green Ganesha held on 16<sup>th</sup> September 2015

The greENERGY club organized the sale of clay Ganeshas as a part of Green Ganesha program. The objective of this exercise was to bring awareness among the students and the faculty members to actively participate in conserving nature and encourage them to use clay idols instead of plaster of Paris. The event was organized on 16<sup>th</sup> of September 2015, on the eve of Ganesh Chaturthi.

Students and staff were encouraged to purchase the clay Ganeshas which were given away in ecofriendly paper bags. About 80 clay Ganeshas were sold. The first idol was bought by the Hon. Director, followed by the Principal of BVC. The event was very successful owing to the active and enthusiastic participation of the students and staff.

Prof .Y.Ashok, Principal , BVC taking the clay idol of ganesha from Dr.B.Kalpna, Asst Prof, Dept of Genetics and Biotechnology (16th Sept, 2015)

## RECYCLING OF PAPER

27-08-2015

The greENERGY club motivates every individual to be a torch bearer in protecting mother earth. As part of environmental studies project, the second year BtGC students got associated with recycling of paper. They collected 1939 kilo grams of waste paper from various departments, under the guidance of Dr. Jyothi Nayar. The recycling of paper is undertaken in collaboration with ITC limited.

Students handing over waste paper collected from various departments to the ITC (27th Aug,2015)...

## Report on Pollution Check in the college

held on 22<sup>nd</sup> August 2015

The Department of Botany, Genetics and Biotechnology organized a pollution check campaign on 22<sup>nd</sup> August 2015, with an objective of educating vehicle owners on the importance of pollution control.

The students and faculty of the Life Science Department were actively involved in this program. The event began at 2:00 pm. Many staff and students, who commute to college by their own two & four wheelers, got their vehicles checked. The event went on till 5:00 pm in the evening. The RTA approved pollution check agent Mr. Mahesh checked a total of 153 vehicles, including 145 two wheelers & 8 four wheelers.

The enthusiasm, diligence and hard work of the members of the greENERGY club were appreciated by one and all.

The greENERGY club is happy & proud to organize such an event which is commendable for an educational institution.

Activities 2015-16

**Report on Blood Donation Camp-22<sup>nd</sup> August 2015**

The **National Service Scheme** (NSS) unit of Bhavan's Vivekananda College conducted a blood donation camp on 22<sup>nd</sup> August 2015 in the college premises and collected 263 blood units

The blood which is collected is donated to the **Thalassemia & Sickle Cell Society**. It is a great initiative for noble cause.

The college Director Col M.VijayaRao inaugurated the program. Students came forward in large numbers voluntarily to donate blood. The donors were presented with certificates.

Volunteers donated blood liberally for the people who are suffering from Thalassemia disease. Sri JLN SastryVCM , Vice Chaiman BVC Kendra, Sri M VijayaRao Director BVC and Prof Y Ashok , Principal BVC appreciated all the donors. **364 NSS volunteers** helped to conduct the program smoothly

The blood donation camp was a great success due to untiring efforts of NSS program officer Mr.P.Srinivasa, and the student volunteers greatly contributed for the success of the program

**Report on Awareness on Road Driving- 8th August 2015**

The number of women motorcycle riders are increasing continuously in the last few years. Women are riding motorbikes more than ever. All the top motorcycle brands are coming up with motorbike models to suit the women population. There are some kinds of motorcycles which are more popular among girls.

- ) Get motorbikes for short riders
- ) Light motorbikes are ideal for girls
- ) More and more women are riding motorbikes
- ) Some motorcycle brands are favored by women
- ) There are lists of motorcycles which are popular among women

It is always to do proper checkup for the motorcycle before you are riding it. This practice helps you to know about any irregularity in the motorbike as gives you time to make it right.

- ) Do proper maintenance
- ) Assists in avoiding accidents
- ) Always check motorbike engine
- ) Know more about your motorbike
- ) Helps to check any irregularity

NSS unit of our college in collaboration with Here Moto Corp organized a safe riding campaigning to all the **volunteers (100)** especially for girl volunteers. All

the volunteers provided with some knowledge about vehicles,driving licence,vehicle insurance and driving. The programme started around 2 :30pm and continued till 4:30pm. Volunteers were provided driving tricks using vehicles and simulators

Subject: Proposal of Road Safety Activities for Junior & Senior Collage students on 30.07.2015

Respected Sir,

Honda, as you know is the world renowned automobile manufacturer and is known for its superior technology worldwide. Honda follows Safety as integral part of our all its business activities & aims to support and enhance its role to create awareness for road safety and environment. Honda has over 45 years rich experience of Road Safety promotion activities in Japan & many other countries.

Honda Motorcycle & Scooter India Pvt. Ltd. (HMSI) is a 100% subsidiary of Honda Motor co. Japan, having its Head Office at Manesar, Gurgaon. We are promoting Safety Riding aggressively in India through our dealers, Traffic Police, SIAM, RTO'S, Schools, Colleges and corporates.

Our objective is to actively engage with organizations working for Road Safety and thus education on various aspects of 'Road Safety' through our Safety Riding training programs.

We are managing Traffic Training Park at Eight locations in India i.e. Jaipur, Delhi (Roshanara Bagh and Baba Kharak Singh Marg), Bhubaneswar, Cuttack, Nashik, Chandigarh and **recently we opened new Traffic Training Park at Goshamahal, Hyderabad**, where Safety Riding activities are being conducted on daily basis.

We have tied up with Department of Science & Technology, Govt. of Rajasthan at Jaipur, Traffic police at Delhi, Chandigarh and Hyderabad, Transport Department at Bhubaneswar and Cuttack and Yeola Industrial Co-op Estate Ltd at Yeola, Nashik.

We would like to invite your students for the safety riding training program at **Traffic Training Park, Goshamahal, Hyderabad.**

**Safety riding activities** will include:

**1. Theoretical Training for Senior School students ( Duration: 2 Hrs )**

To improve Road Sense of Senior School students as well as your school staff . It will cover various topics like

**Developing Road Sense**

You in the Rider's seat, you and your vehicle, Road signs signals & markings, Rules of the road, See - Think - Do.

**Applying Road Sense**

Sharing the road. Challenging Riding condition, Emergency strategies

### OUTREACH PROGRAMME

The Department of Biochemistry organized an outreach programme for school children of ZP High School for Girls, Alwal on 1<sup>st</sup> August, 2015. The programme included lectures and practical session of few science experiments which they will not be able to carry out in their schools. They were shown experiments like dialysis, diffusion and qualitative determination of ascorbic acid in citrus fruits. The purpose of the programme was to encourage the young minds to develop interest towards life sciences and consider it as a future career option.

Final yr M.Sc(Biochemistry) students and Faculty of the Dept of Biochemistry interacting and explaining the experiments to the students of ZPHS, Alwal (1st August, 2015)

# Report on workshop conducted by A S Rao Awards Council

06/06/2015

Dr A S Rao Awards Council requested faculty members from Department of Physics and electronics, Bhavan's Vivekananda college, Sainikpuri to be the Resource person for the 16<sup>th</sup> Residential Science Workshop organised from 30<sup>th</sup> April to 5<sup>th</sup> May 2015 at VIKAS Concept school.

The students of 9<sup>th</sup> class from various schools in Telangana and Andhra Pradesh are selected through a talent search examination for a six day residential workshop and are allotted with projects in the subject of their choice. The Aim of the workshop is to equip the students with the necessary experimental skills and introduce various analyzing methods.

The department of physics and electronics has provided the necessary equipment to the council for carrying out the science projects.

I Mrs T Sai Santoshi thank the management of Bhavans Vivekananda College and Dr A S Rao Awards Council for giving me this opportunity to interact with young minds.

Mrs T Sai Santhoshi

**Sub:** To conduct an outreach programme- Reg.

Sir,

The Department of Microbiology from Bhavans Vivekananda College, Sainikpuri is interested in conducting an outreach programme in your school. On the occasion of the "Antibiotic Awareness Week" from 18<sup>th</sup> to 24<sup>th</sup> November observed by WHO we would like to bring awareness on the controlled use and resistance developed against misuse of antibiotics. In this regard we would like to enlighten the students about the use and misuse of antibiotics. Looking forward for your cooperation and a productive interaction.

Thanking You,

*Raj*

## Outreach Program 2015-16

### Report

Department of Microbiology organized an outreach program on account of Antibiotic Awareness Week declared by WHO. It was organized for the 10<sup>th</sup> standard students of St. Adams High School, Chikkadpally, Hyderabad on 01.11.15. The program aimed at creating awareness about widespread development of antibiotic resistance due to the misuse of antibiotics. The students were made aware about the difference between bacterial and viral diseases and the significance of proper use of antibiotics as prescribed by a medical practitioner. Brief outlines on the action of antibiotics and their role in killing bacteria was discussed. The details about the widespread development of antibiotic resistance and the severe consequences were also explained.
