Dear Sir

We would like to bring to your kind notice that the Career Guidance and Placement Cell (CGPC) of our college has conducted Placement Eligibility Test (PET) for all the final year students of the college 20th June 2015. The PET paper consisted of three sections viz aptitude, email writing and personal introduction. 776 students have appeared for the test and 526 students have qualified for the test, CGPC strongly feels there is a need for skill development (for placements) of those 250 students who could not qualify the PET.

In this regard we have approached the following agencies for providing the training module

1. T.I.M.E
2. Talent Beacon
3. Neemus Education
4. Disha Training and Consultancy services
5. Stratadigm Education and Training Ltd

Based on the discussions with them, cost associated with the programme and the track record we would like to recommend T.I.M.E for the training module. The college has to provide infrastructure facilities for conducting the programme. In this regard we would like to suggest that we can charge Rs. 100 per student in order to meet our infrastructure and other expenses.

Hope you will do the needful.

Thanking You

Dear Sir

We would like to bring to your kind notice that Career Guidance and Placement Cell (CGPC) of our college has conducted online Placement Eligibility Test for all the final year students of our college on 24th and 25th June 2016. A total of 806 students have appeared for the test and 561 students have qualified for the test, CGPC strongly feels there is a need for skill development (for placements) of those 245 students who could not qualify the PET. Apart from the UG students, we also feel that around 87 MBA students require the training.

In this regard we have approached the following agencies for providing training module.

1. TIME
2. Talent Beacon
3. Abigya Training and Consulting

Comparative statement for training module of Enhancing Employability Skills

	TIME	Talent Beacon	Abigya Training & Consulting
Cost	Rs.1,500	Rs. 2700	Rs.1,700
No. of Hours per Student	48	60	45
No of Students per Batch	60	60	60
Effective Cost per Student Hour	31.25	45	37.78
Additional Benefit	Free Workshops for II and III year Students

Based on the discussion with them, cost associated with the programme and the track record, we would like to recommend TIME for the training module. The college has to provide infrastructure facilities for conducting the programme. In this regard we would like to suggest that we can charge Rs.100 extra per student in order to meet our infrastructure and other expenses. A total amount of Rs.1600 will be paid by the student who undergo the training module.

Hope you will do the needful.

Thanking You

With Regards

Time institute may be given the contract. CGPC co-ordinator may submit a review report after the training module.
