Campus France, an agency that operates under the aegis of the French ministries of Foreign Affairs, National Education, and Higher Education and Research, **promotes higher education in France across the globe**

Higher educations being a priority sector of the Embassy of France in India, scholarships are awarded to meritorious Indian students to pursue their higher education in France. French companies also come forward with substantial funding opportunities.

Apart from offering world class programs, France also extends an unparalleled cultural experience, an access to all of Europe, the opportunity to learn a foreign language that is major value addition in today's global work force and the opportunity to do internships. You may like to note that a large number of programs, in various fields, are taught entirely in English.

Candidates residing in Telangana and Andhra Pradesh can benefit from the services of the Campus France office in Hyderabad, which includes counseling on course options and choice of institution, guidance on admission procedures, follow-up, assistance with scholarship applications, housing, visa procedures, annual pre-departure orientations, admission tours etc.

Each year Campus France organizes career forums and exhibitions where colleges, universities and private schools from France present their respective establishments. This is an ideal opportunity for students and parents alike to meet the representatives directly. In the New year we are organizing an admission tour in Hyderabad on the 5th of February 2019 wherein it would be a very good opportunity to meet one to one with best French Institutions, discover the programs taught in English offered in France and have an edge in the Indian job market.

In this regard I request you to kindly intimate the students of your esteemed institution to participate along with their Parents to know more about the French higher education opportunities

Thanks and Regards,
