Dear Dr. Mahendra,

Greetings from Karvy!

Following our successful collaboration with your institute last academic year, we wish to continue & strengthen our relationship further.

We are looking forward to have a mutually beneficial collaboration with reputed institutions like yours to facilitate learning and education, we take industry-institute collaboration seriously and believe in creating and continuing relations.

We intend on conducting financial workshops for MBA/PGDM Ist & IInd year students to help them gain basics knowledge of financial market, understating of BFSI as a sector & give internship opportunities.

Our workshop is committed to help the students understand and develop relevant financial skills and functional competencies through various student engagements/touch points like online test, unlimited access to e-learning modules, stock markets updates via WhatsApp messages etc.

We are sure the students gain both theoretical and practical knowledge and we help them bridge the gap between their capabilities and industry expectations from students.

Please find below details of the financial workshop:
