Dear Sir/ Madam

We are planning to conduct a STUDENT OUTREACH CAMPAIGN to encourage youth to join Indian Army .We would like to educate the students about the job opportunities ,education qualification requirements and advantages of serving in the army through vedios, talks and interaction in your Institute. All we need is students (preferably from different faculties) assembled in an auditorium /seminar hall with public announcement system and projector.

Please let us know if you are agreeing for the said campaign .Suitable dates will be shared with you after the finalization of campaign schedule by higher Headquarters.

Thankyou

Regards
