Dear Dr Seema,

Thanks so much for your email and it has been great communicating with you through the last couple of months. I am marking my colleague Suheil on this email, he is an EducationUSA adviser as well in our office, here in the U.S. Consulate General Hyderabad. He will be the one presenting the session. As discussed we will have a session on "Your 5 steps to study in the U.S." and follow this up with a series of specialized sessions for interested students in the future. The session will include a PowerPoint presentation by the adviser for 40 minutes followed by a Q&A session for 20 minutes, where your students can ask any questions they have pertaining to higher education in the U.S.

Please feel free to call or email in case of anything else.

Thanks so much!

Best,

Sraavani
