TO WHOM SO EVER IT MAY CONCERN

It is my pleasure to state that Dr. Lakshman Varanasi, Asst Professor, Institute of Molecular and Translational medicine, Palacky University OLOMOUC 77900 CZECH Republic, has spared his valuable time from 12th October to 20th November, 2017 to deliver class lectures to the post graduate students of Biochemistry. He covered various topics on architecture of biomembranes and transport of molecules across them, bioanalytical techniques and chromatin structure. He also took viva-voce for undergraduate and post graduate students during their practical examinations.

We highly appreciate his contribution to the college as an alumnus with his vast experience of research.

Yours Sincerely,

Head, Dept. of Bio-Chemistry

Dr Sai Padma,

I have returned from my trip and plan to take a class tomorrow.

Could you tell me the time my class has been scheduled for? I think we decided on something, but I do not remember. Could you also tell me which batch of students it is for?

Regards,

Lakshman

Report of the alumni interaction held in the Department of Biochemistry on 6/1/2018

The Department of Biochemistry has organised an alumni interaction on 6th January, 2018. Six alumni students, Ms. D.Sarika and Ms. M.Nikhila (2008-10 batch), Ms. U.R.Sriveena (2011-13 batch) and Mr.S.Anvesh , Mr.B.Divakar and Mr. Devaraj Kumar (2013-15 batch) were invited for the meet. D. Sarika is compiling her Ph.D thesis from Basavatarakam Indo American Cancer Research Institute, Hyderabad and M. Nikhila is pursuing her Ph.D from BITS, Pilani, Hyderabad Campus. The other alumni are employed in companies including DuPont, Hyderabad., Indian Immunologicals Pvt. Ltd, Hyderabad., Hemarus Therapeutics Pvt Ltd, Hyderabad and Intod International Ltd, Hyderabad at various capacities.

The alumni have motivated post graduate and under graduate Biochemistry students on the opportunities available in life sciences. They explained in detail various opportunities in the fields of research, teaching and industry. The alumni also gave information in the R&D sector in various corporate hospitals to pursue Ph.D. Students have interacted with the alumni and got better insight into the available opportunities after completion of their courses. All the alumni insisted upon the students to get well trained in basic biochemical techniques during their course and guided the students to improve their technical skills to excel in their careers.
