DEPARTMENT OF MICROBIOLOGY

Report on Value added course – “Training in Analytical Techniques”

Value added course on “Training in Analytical techniques” was organized from 23rd to 28th December 2019. This training was organized for M.Sc second year students in Microbiology in collaboration with Star Tech Labs, (Standard Total Analytical Research and Technical Laboratory) at Madinaguda, Hyderabad. Total 30 students have participated. Dr.K.Anuradha, HOD of Microbiology and senior faculty Dr.J.Sarada from Department of Microbiology had organized the six day training programme to provide value addition to their curriculum and skill enhancement for M.Sc students.

Star Tech Labs provides high quality analytical services and a leading service provider in the field of Environmental Monitoring, Industrial Hygiene Monitoring, Indoor Air Quality Monitoring, Audits and related Consultancy Services. They have capabilities and expertise in the field of Quality Control / Quality Assurance / Validations in Pharmaceutical, Food, Packaged Drinking Water and Mineral & Engineering Industries.

On 23rd morning the course was initiated by Dr.K.Anuradha and Dr.Ramana from Star Tech Labs by briefing on the purpose and relevance of the training programme to students. Each day students were trained in handling high end model equipments like HPLC, GC, LCMS, ICP-MS, GAS Chromatograph MS with Auto injector, Fourier Transform Infrared Spectrophotometer etc.

Training was designed by conducting a demonstrative lecture, followed by analysis of the data. Training programme was concluded with feedback of students and certificate distribution. Students were happy with the training and gave good feedback on the training programme.
