The Principal

Bhavan's Vivekananda  
College

Subject: Proposal of Road Safety Activities for Junior & Senior College students on 30.07.2015.

Respected Sir,

Honda, as you know is the world renowned automobile manufacturer and is known for its superior technology worldwide. Honda follows Safety as integral part of our all its business activities & aims to support and enhance its role to create awareness for road safety and environment. Honda has over 45 years rich experience of Road Safety promotion activities in Japan & many other countries.

Honda Motorcycle & Scooter India Pvt. Ltd. (HMSI) is a 100% subsidiary of Honda Motor Co. Japan, having its Head Office at Manesar, Gurgaon. We are promoting Safety Riding aggressively in India through our dealers, Traffic Police, SIAM, RTO'S, Schools, Colleges and corporates.

Our objective is to actively engage with organizations working for Road Safety and thus education on various aspects of 'Road Safety' through our Safety Riding training programs.

We are managing Traffic Training Park at Eight locations in India - e. Jaipur, Delhi (Roshanara Bagh and Baba Kharak Singh Marg), Bhubaneswar, Cuttack, Nashik, Chandigarh and recently we opened new Traffic Training Park at Goshamahal, Hyderabad, where Safety Riding activities are being conducted on daily basis.

We have tied up with Department of Science & Technology, Govt. of Rajasthan at Jaipur, Traffic police at Delhi, Chandigarh and Hyderabad, Transport Department at Bhubaneswar and Cuttack and Yeola Industrial Co-op Estate Ltd at Yeola, Nashik.

We would like to invite your students for the safety riding training program at Traffic Training Park, Goshamahal, Hyderabad,

Safety riding activities will include:

**1. Theoretical Training for Senior School students ( Duration: 2 Hrs )**

To improve Road Sense of Senior School students as well as your school staff. It will cover various topics like

**Developing Road Sense**

You in the Rider's seat, you and your vehicle, Road signs signals & markings, Rules of the road, See - Think - Do.

**Applying Road Sense**

Sharing the road, Challenging Riding condition, Emergency strategies.

**Report on Awareness on Road Driving- 8th August 2015**

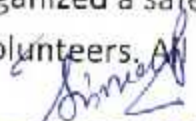

The number of women motorcycle riders are increasing continuously in the last few years. Women are riding motorbikes more than ever. All the top motorcycle brands are coming up with motorbike models to suit the women population. There are some kinds of motorcycles which are more popular among girls.

- Get motorbikes for short riders
- Light motorbikes are ideal for girls
- More and more women are riding motorbikes
- Some motorcycle brands are favored by women
- There are lists of motorcycles which are popular among women

It is always to do proper checkup for the motorcycle before you are riding it. This practice helps you to know about any irregularity in the motorbike as gives you time to make it right.

- Do proper maintenance
- Assists in avoiding accidents
- Always check motorbike engine
- Know more about your motorbike
- Helps to check any irregularity

**NSS unit of our college in collaboration** with Here Moto Corp organized a safe riding campaigning to all the volunteers (100) especially for girl volunteers. All the volunteers provided with some knowledge about
