Thank you for your application for the above course. We are pleased to make you an unconditional offer of admission to this course.

If you would like to accept this offer, please email us at pgadmissions@napier.ac.uk detailing your full name, Edinburgh Napier Number and the course applied for. Alternatively, you can reply to this email confirming your acceptance of the offer.

Your Course

Information relating to your course, including details about the modules you will study can be found on our Courses Webpage. You will also find links to the Unistats website on this page, which provides information about accreditation (where applicable), teaching contact hours and student satisfaction.

Fees & Funding

You have been assessed as an Overseas student. If you believe this fee assessment is incorrect you should complete a Fee Status Enquiry and return to the Postgraduate Admissions Team within 28 days. The assessment of your fee eligibility is based on the information provided to us as part of the application process. In the event that information is later identified by the University or other partners such as the Student Awards Agency for Scotland (SAAS) which brings the assessment of fee eligibility into doubt, then the University reserves the right to revise its assessment of fee eligibility or to withdraw the offer we have made you.

As an overseas student, a pre-payment deposit of £3500 must be paid to Edinburgh Napier University to secure your place on this course. This payment should be made once you are holding an unconditional firm offer of admission. This deposit is only refundable in the event that you are unable to secure a student visa for study with us, or if you change your mind within 14 days of making your deposit payment. Payment should be made directly to the University Finance Office, please go to our website to find out how to do this.

Before the University will issue a Confirmation of Acceptance (CAS), we will check that you have paid your £3500 deposit and that you have the maintenance in place to meet the Tier 4 requirements before you apply for your visa. This check will either take place by the Visa and International Support Team or by our colleagues overseas. In most cases, you will be contacted once you pay your deposit so please ensure you have your financial evidence ready or are in the process of preparing it. The evidence you are required to show is detailed on our website or you can contact our Visa and International Support Team.

Please note the final deadline date for issuing Confirmation of Acceptance for Studies (CAS) letters is December 2020 if you are applying outside the U.K. for your Tier 4 Student Visa. If you are applying from within the U.K. please contact the International Support Team to make an appointment.

You need this letter to apply for a Tier 4 Student visa. You must meet all the conditions of your offer, receive an unconditional offer, then pay your £3,500 deposit by this date in order for us to issue a CAS letter to you. If you do not believe you can meet this deadline date, please let us know and we can review deferring your offer to the next available intake instead.

Failure to do so may result in your visa application being refused and you may not be allowed to enrol at the University. Information or questions regarding this matter should be sent to our Tier 4 Team. Management Aptitude Test and Test Scores

- ¹ The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- ² MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- ³ All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- ⁴ The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- ⁵ The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- ⁶ The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- ⁷ The percentile below for the Composite Score represents the percentage of

Dear Chandra Prakash Reddy

Congratulations! We are pleased to make you a **conditional offer** to study with Brunel University London from January 2021. Please read this letter carefully as it contains everything you need to know about your offer.

Your Course

Your Brunel Student ID: 2102833
Course Title: MSc International Business
Department: Brunel Business School
Mode of Study: Full-Time
CAH3 code: CAH17-01-02 (Business Studies)
Academic Level: Masters Degree
Registration Date: 4 January 2021
End Date: 27 March 2022

Tuition Fees: Based on the information you have provided on your application form, you have been classed as an Overseas student for fees purposes. Tuition fees for 2020/1 will be £17,355. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation [UKCISA's website](#). If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our [Student Financial Policy](#) on our website. Please click on the Student Financial Policy link relating to your year of entry.

Additional Costs:

Your course may carry additional course-related costs that you will be required to pay. Please read the 'Additional Costs' document to see if any additional costs apply to your chosen course.

Your Offer

Your offer is conditional on the following:

- Pass your degree with an average mark of 55% or above.
- Obtain a score of 6.5 with no less than 6 in any section in an IELTS test or an equivalent English language qualification, or attend and pass a Brunel English Language Course (<https://www.brunel.ac.uk/international/language-centre> - please note there is an additional fee for this course).
- Provide a deposit of £3000 or evidence of approved sponsorship or a scholarship at a value of £3000 (this does not include a scholarship awarded by Brunel University London). This is required prior to issue of a Confirmation of Acceptance of Study (CAS) Number. Details on how to pay the deposit can be found at <http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The best way to make a deposit payment is to pay online as we will receive this more quickly which means you will get your CAS sooner. The deposit will be deducted from your tuition fees. In the event of a visa refusal, the deposit will be fully refunded if you supply a copy of the refusal letter. Please consult the Admissions Policy (below) for full details of the refund policy. To register on the course you will be required to provide evidence of approved sponsorship or pay a total of 60% of the course fee for this academic year (including your deposit payment).

You must meet all of these conditions (and provide evidence of this to the Admissions Office) as soon as possible. Please upload all documentary evidence to your my Applications portal. If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note, if you do not provide evidence that you have met your conditions and you require a Tier 4 Visa to study in the UK, we will not be able to issue a Confirmation of Acceptance for Studies (CAS), which means you may not be able to obtain your Visa in time for the start of the course. If this happens, please contact the Admissions Office to discuss deferring your entry to this course.

Registration requirements

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- The original or a certified copy of your highest qualification: Bachelor of Business Administration at Osmania University
- The original or a certified copy of your English Language qualification: IELTS Pending
- Provide evidence of approved sponsorship or a scholarship, or pay either 60% of the course fee or the full course fee for this academic year (including your deposit payment).

Your Student Contract

It is important that you read your offer carefully. We have based your offer on the information you provided when you applied. If your conditions include completing qualifications that you are no longer

taking, or if you anticipate any problems with being able to meet your conditions, you must contact us straightaway.

Please be aware that if:

- You do not satisfy the conditions set out above by/at the relevant time;
 - You fail to provide evidence as or if required;
- and/or
- It becomes apparent to us that any of the information you have provided to us, at any time, is false, inaccurate, misleading or incomplete,

By accepting our offer:

- You are agreeing to be subject to the terms and conditions set out in this letter.
- You are agreeing to Brunel University London's Terms and Conditions, Statutes, Council Ordinances and Senate Regulations, and all University rules, policies and procedures in force. - A legal contract is formed between you and the University on the basis of the terms and conditions of your offer that are set out in this letter.

You can read a full copy of our Admissions Policy [here](#).

To exercise the right to cancel, you must inform Brunel University London of your decision to cancel in writing, i.e. by post or e-mail (or you may wish to use our standard cancellation form which can be found in the Student Contract, found [here](#)). To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

Please note that if your studies with us will start within the cancellation period, you may not be entitled to a full refund of the fees you have already paid to represent the value of any services actually provided to you before the expiry of the cancellation period. For information on your legal right to cancel this contract, visit our [website](#)).

Further Information

Tier 4 (General) Immigration Information

Please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Tier 4 (General) Student Visa, if you need this to study in the UK. Under the current Tier 4 regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 3 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 3 months before the course start date, please contact international-admissions@brunel.ac.uk.

- **Estimated costs of living**

To meet UK Visas and Immigration (UKVI) maintenance requirements, when you apply for your Tier 4 student visa you will need to show that you have £1,265 for living costs for every month of your course (up to a maximum of 9 months or £11,385). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the [UK Council for International Student Affairs \(UKCISA\) website](http://www.ukcisa.org.uk).

- **Changing the course that you wish to study**

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Tier 4 (General) visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Tier 4 application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.

Tuition Fees: Based on the information you have provided on your application form, you have been classed as an Overseas student for fees purposes. Tuition fees for 2020/1 will be £17,355. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation UKCISA's website. If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter

(financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our Student Financial Policy on our website. Please click on the Student Financial Policy link relating to your year of entry.

Additional Costs:

Your course may carry additional course-related costs that you will be required to pay. Please read the 'Additional Costs' document to see if any additional costs apply to your chosen course.

Your Offer

Your offer is conditional on the following:

- Provide a copy of your Undergraduate degree certificate confirming the qualification and final grade/score you were awarded, as detailed in your course application.
- Provide a deposit of £3000 or evidence of approved sponsorship or a scholarship at a value of £3000 (this does not include a scholarship awarded by Brunel University London). This is required prior to issue of a Confirmation of Acceptance of Study (CAS) Number. Details on how to pay the deposit can be found at <http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The best way to make a deposit payment is to pay online as we will receive this more quickly which means you will get your CAS sooner. The deposit will be deducted from your tuition fees. In the event of a visa refusal, the deposit will be fully refunded if you supply a copy of the refusal letter. Please consult the Admissions Policy (below) for full details of the refund policy. To register on the course you will be required to provide evidence of approved sponsorship or pay a total of 60% of the course fee for this academic year (including your deposit payment).

You must meet all of these conditions (and provide evidence of this to the Admissions Office) as soon as possible. Please upload all documentary evidence to your my Applications portal. If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note, if you do not provide evidence that you have met your conditions and you require a Tier 4 Visa to study in the UK, we will not be able to issue a Confirmation of Acceptance for Studies (CAS), which means you may not be able to obtain your Visa in time for the start of the course. If this happens, please contact the Admissions Office to discuss deferring your entry to this course.

Registration requirements

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- The original or a certified copy of your highest qualification: Bachelor Business Administration, Osmania University, 92%
- Provide evidence of approved sponsorship or a scholarship, or pay either 60% of the course fee or the full course fee for this academic year (including your deposit payment).

Further Information

Tier 4 (General) Immigration Information

Please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Tier 4 (General) Student Visa, if you need this to study in the UK. Under the current Tier 4 regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 3 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 3 months before the course start date, please contact international-admissions@brunel.ac.uk.

• Estimated costs of living

To meet UK Visas and Immigration (UKVI) maintenance requirements, when you apply for your Tier 4 student visa you will need to show that you have £1,265 for living costs for every month of your course (up to a maximum of 9 months or £11,385). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the [UK Council for International Student Affairs \(UKCISA\) website](#).

• Changing the course that you wish to study

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Tier 4 (General) visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Tier 4 application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.

Management Aptitude Test and Test Scores

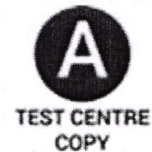

- 1 The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2 MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- 3 All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- 4 The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- 5 The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- 6 The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- 7 The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- 8 All scores and percentile below figures are reported after rounding off to the nearest whole number.
- 9 Personal data is as reported by the candidate.

Dear Yashwanth

Congratulations! We are pleased to make you a **conditional offer** to study with Brunel University London from January 2021. Please read this letter carefully as it contains everything you need to know about your offer.

Your Course

Your Brunel Student ID: 2104854

Course Title: MSc International Business

Department: Brunel Business School

Mode of Study: Full-Time

CAH3 code: CAH17-01-02 (Business Studies)

Academic Level: Masters Degree

Registration Date: 4 January 2021

End Date:

27 March 2022

Tuition Fees:

Based on the information you have provided on your application form, you have been classed as an Overseas student for fees purposes. Tuition fees for 2020/1 will be £17,355. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation UKCISA's website. If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our Student Financial Policy on our website. Please click on the Student Financial Policy link relating to your year of entry.

Additional Costs:

Your course may carry additional course-related costs that you will be required to pay. Please read the 'Additional Costs' document to see if any additional costs apply to your chosen course.

Your Offer

Your offer is conditional on the following:

- Provide a copy of your Undergraduate degree certificate confirming the qualification and final grade/score you were awarded, as detailed in your course application.
- Obtain a score of 6.5 with no less than 6 in any section in an IELTS test or an equivalent English language qualification, or attend and pass a Brunel English Language Course (<https://www.brunel.ac.uk/international/language-centre> - please note there is an additional fee for this course).
- Provide a deposit of £3000 or evidence of approved sponsorship or a scholarship at a value of £3000 (this does not include a scholarship awarded by Brunel University London). This is required prior to issue of a Confirmation of Acceptance of Study (CAS) Number. Details on how to pay the deposit can be found at <http://www.brunel.ac.uk/international/fees-and-funding/making-a-payment>. The best way to make a deposit payment is to pay online as we will receive this more quickly which means you will get your CAS sooner. The deposit will be deducted

from your tuition fees. In the event of a visa refusal, the deposit will be fully refunded if you supply a copy of the refusal letter. Please consult the Admissions Policy (below) for full details of the refund policy. To register on the course you will be required to provide evidence of approved sponsorship or pay a total of 60% of the course fee for this academic year (including your deposit payment).

You must meet all of these conditions (and provide evidence of this to the Admissions Office) as soon as possible. Please upload all documentary evidence to your my Applications portal. If you don't think you will be able to make this deadline you must contact us as soon as possible.

Please note, if you do not provide evidence that you have met your conditions and you require a Tier 4 Visa to study in the UK, we will not be able to issue a Confirmation of Acceptance for Studies (CAS), which means you may not be able to obtain your Visa in time for the start of the course. If this happens, please contact the Admissions Office to discuss deferring your entry to this course.

Registration requirements

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- The original or a certified copy of your highest qualification: BA Business Administration, Osmania University, 77%
- The original or a certified copy of your English Language qualification: IELTS or equivalent
- Provide evidence of approved sponsorship or a scholarship, or pay either 60% of the course fee or the full course fee for this academic year (including your deposit payment).

Your Student Contract

It is important that you read your offer carefully. We have based your offer on the information you provided when you applied. If your conditions include completing qualifications that you are no longer taking, or if you anticipate any problems with being able to meet your conditions, you must contact us straightaway.

Please be aware that if:

- You do not satisfy the conditions set out above by/at the relevant time;

Further Information

Tier 4 (General) Immigration Information

Please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Tier 4 (General) Student Visa, if you need this to study in the UK. Under the current Tier 4 regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 3 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 3 months before the course start date, please contact international-admissions@brunel.ac.uk.

- **Estimated costs of living**

To meet UK Visas and Immigration (UKVI) maintenance requirements, when you apply for your Tier 4 student visa you will need to show that you have £1,265 for living costs for every month of your course (up to a maximum of 9 months or £11,385). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly

before you start your course. Useful advice about this can be found on the UK Council for International Student Affairs (UKCISA) website.

- **Changing the course that you wish to study**

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Tier 4 (General) visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Tier 4 application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.
