Rally on Waste Management

As per the initiative of college, Abhyas Club joined a rally being conducted by Fusion Tech Club and NCC on 11th November, 2021. The main motive of this rally was to spread awareness about E-Waste and daily waste among people. The rally started around 3:45pm from the College Main entrance heading towards residential areas to attract as many people as possible. Students waved placards to stress the need for segregation to reduce the volume of waste going to landfills. Not just that but the harmful potential of E-Waste also was considered. While moving this rally we ended up in the college via Neredmet X roads.

After reaching the college we analyzed that how much organic and E-Waste is revolving around our society. After this rally we felt that we made a small change to curb the distress of these waste spreading in our locality and a world at large.
