

Activities(2016-17)

Event 1: Game Plan

The Abhyas Club, on 2nd July 2016, organized an event called 'Game plan' at 2:30pm in room no.105 for the first, second and third year BBA students. After an introduction by the organizers about the game, the event began with a lot of excitement. Students were asked to form their own teams. There were a total of 6 teams comprising of 10 members each. The students had to decide a leader for each of their respective teams who would direct and lead them throughout the activity. The leaders had to bid on how many rockets they would be able to make in 20 minutes and the required number of resources to complete this task. The team with the maximum number of rockets were declared as the winners. The game also took a surprise turn when in the last 5 minutes the leaders were informed about the changes in the rocket design, which helped in testing the leaders and their respective teams performance under pressure. The main purpose of this event was to check how well the students would be able to anticipate changes and how well the students could work under pressure. All in all, the event was a successful one and ended on a good note.

Event 2: What's your number?

The Abhyas Club (BBA 3rd years) organized an event called '**What's your number?**' on 16th July 2016 in Room Nos. 303 and 304 at 2:30PM. Eleven teams participated and each team consisted of 5 members each. Each team was given a 7 digit number and every first member of the team was required to communicate each digit through their postures and body movements to the remaining members of their team. The rest of the team was required to guess the number and write it down on a piece of paper. The total time limit given to all the team members was 7 minutes. This event was conducted to see how well the students were able to coordinate and communicate with one another within a limited time frame. The game ended on a very good note.

Event 3: Bazinga

The Abhyas Club (MBA 2nd years) organized an event called '**Bazinga**' on 23rd July 2016 in Room Nos.304 and 305, MBA block at 3:30pm. Twelve teams participated and each team consisted of 4 members.

The entire event was an informal one and followed the format of the game *Tic-Tac-Toe*. The outline of the box of *Tic-Tac-Toe* was placed on the floor in room no.305 and just as in the original game the students were required to fill the boxes. Instead of X's and O's the students were supposed to fill the box with the words *Debtor* and *Creditor*. To decide which team would make the move first a toss was done. Two teams competed with each other at a time, with one team being named as the creditor and the other the debtor. Whichever team made the tie first and shouted bazinga was declared as the winner. Each team played against each other until one was declared as the winner.

The event helped in familiarizing the management students of various years with one another.

Event 4: Marshmallow Challenge

The Abhyas Club (BBA 1st years) conducted an event 'Marshmallow Challenge' on 30th July 2016 in Room no.304 at 3:30pm. Twelve teams participated and each team consisted of 6 members each.

The game was divided into 2 rounds. In the first round the teams were provided with 20 spaghetti sticks, 3 feet of thread, a plastic base for the build and a marshmallow. The students were required to build a tower with the limited resources within a time frame of 20 minutes. The tallest tower which was able to balance the marshmallow on top was declared the winner of the first round. Two teams (Team 2 and 4) qualified for the second round.

The second round was named 'Coined Rim'. The qualified teams were provided with 10 coins and a bowl. The participants had to balance the maximum number of coins on the rim of the bowl within a time frame of one minute. The participant who was able to balance the most number of coins was declared the winner.

The two rounds conducted, helped in testing the student's team building skills, coordination, cooperation and time management, ability to use limited resources, hand-eye coordination, focus and their capacity to observe.

Event 5: How Many?

This Abhyas Club conducted an event on 6th August 2016. The BBA 1st and 3rd years, as well as MBA 2nd year's took part in a few fun filled outdoor activities conducted by the management department's faculty members. The event consisted of two main games. The first was 'News Quiz'. This was an innovative form of quiz in which not only the mind but also feet had to be quick. Questions related to current affairs were asked along with 4 options. The students had to run to the correct option box which were on 4 ends of the ground i.e.; options A,B,C,D on the North, South, East and West of the grounds respectively. The students who weren't fast enough to make their place in the box or ran to the wrong box were eliminated. This event helped in warming up the students up for the second game.

The second game played by the students was called 'How Many?'. This game took every student down their memory lane. Random numbers were announced and every student was required to form themselves into groups of that number. Any student left out was eliminated. The "Lucky 2" who remained till the end was declared as the winners. Apart from these the students were allowed to play anything they wished to. Everyone had a blast playing Tug of war, Football, Badminton, Dodge ball and many other games. The high energy levels of the faculty passed on to the students and it was an energizing event.
