

DEPARTMENT OF BIOCHEMISTRY

2021-22

Reports on Alumni meet on 15th May, 2021

The Department of Biochemistry organized an Interactive Session with Industry Expert and Alumni on “Career Prospects in Industry and Academia” & A Talk on “Mass Spectrometry and its Applications” by Mr. Gopi Kummarikuntla, Scientist, Analytical Sciences, CuraTeq Biologics, Hyderabad on 15th May 2021 from 10 am to 1:00pm on Zoom platform. The programme was conducted under DBT-Star college scheme.

The programme started with a talk by Mr.Gopi on the biotech career prospects in Industry. Mr. Gopi gave an overview of the various areas in biotech industry including research and development (R&D), manufacture and supply, commercial (healthcare, medical) and support functions (human resources, finance etc). He advised the students on the availability of jobs in areas like drug development, biotechnology services, Govt institutions, medical devices and academia.

Mr Gopi’s talk was followed by interaction of the undergraduate and post graduate students with the alumni who are working in industry, diagnostics, research institutes and agriculture. The alumni spoke about their experiences and explained the skills the students should develop to secure jobs in industry. The alumni advised the students to take up certification courses, improve their theoretical knowledge , and tailor their resumes to the job requirements. All the alumni extended their support to students by providing their contact details and interacted with students in the Q&A session. The alumni students also suggested the students to pursue courses in genetic counselling, clinical data management and insisted that the students should to pursue areas of research that can benefit the society. A total of 160 students from the undergraduate and post graduate courses of life sciences attended and found the interaction very useful in planning their career.

Principal Prof. Y. Ashok, addressing in the alumni meet

Mr. Gopi talk on career prospects

Mr. Gopi explaining the Job opportunities

Dr. Swarnalatha, alumni student at the meet

Dr. Nagmani discussing the career goals

Mr. Vishnuvardhan Reddy talking on integrated farming

Mr.D.Satish interacting with students

Mr.Riyaz Ahmed interacting with students on SAS

Mr.V.Srinivas advice on preparation for CSIR

Dr.Satish G speaking at the alumni meet.

2020-21

Student - Alumni Interaction

25th July, 2020

The Department of Biochemistry organized a webinar on “CAREER IN LIFE SCIENCES – SUCCESS STORIES” a Student - Alumni Interaction on 25th July, 2020 from 10 am to 1:00pm on Zoom platform. Alumni who are settled in the field of academics, as scientists and as industry experts were invited to interact with the students of present batches pursuing their studies for their orientation towards a successful career. Alumni were invited starting from the first batch of 2001-03 to 2013-15 batches. The alumni spoke about their experiences and narrated how they have reached the position they are in now. Since the invited alumni included who are settled at various places in India, USA and Switzerland they provided the information to the students about the various opportunities available and how to avail them. They gave suggestions to the students on how to have short term and long term goals and to plan in achieving these goals. The alumni also intimated to the students to approach them through their E-mail for any further guidance required which was very encouraging to the students.

Students from the undergraduate and postgraduate courses of life sciences attended the webinar and found the interaction very useful in planning their career. From the feedback on webinar, it was seen that 100% students felt the interactive session with the alumni was useful to them.

25th July, 2020
10:00am to 12:00 noon IST

Academics & Scientists

- Dr. Yammalur Rajaraja**
M. Sc. Biochemistry (1987-1989)
Scientific Assistant
Dr. A. S. Srinivasan Institute of Technology, U.S.A.
- Dr. Sushant P.D.**
M. Sc. Biochemistry (1987-1989)
Technical Officer
Ministry of Sports & Nutrition
M.Sc. 10% Hyderabad
- Mrs. Usha M.**
M. Sc. Biochemistry (1982-1984)
Lecturer, Sree's Degree College &
Womans, Mysore, Bangalore
- Dr. Sushree Khuntia**
M. Sc. Biochemistry (1996-99)
Research Officer
The University of Tennessee Health Science Center
Memphis, USA
- Dr. Anoop Kumar**
M. Sc. Biochemistry (1987-1989)
Dr. Srinivas RAO, Rajahmundry Center of Excellence
India & Hyderabad, USA
- Mr. J**
M. Sc. B
Oshin
Tamil

Industry Experts

- Dr. Srinivas Prasad**
M. Sc. Biochemistry (1988-90)
Srinivas Biotech, Pharma Ltd
Bangalore, Hyderabad
- Mr. Shreekanth Y.**
M. Sc. Biochemistry (1986-1988)
Deputy Manager, QA
MSP India, Andhra Pradesh
- Mr. Karthik Chakraborty**
M. Sc. Biochemistry (1988-90)
Quality Specialist, Novartis
Hyderabad
- Mr. Vinod Anil**
M. Sc. Biochemistry (1981)
Dr. Foundation Specialist
Anandhi Consultants, MA
New Jersey

2017-2018

Alumni interaction held in the Department of Biochemistry on

6/1/2018

The Department of Biochemistry has organised an alumni interaction with present B.Sc and M.Sc biochemistry students on 6th January, 2018. Six alumni students, belonging to 2008-15 batches were invited for this interaction. These alumni are employed in companies like DuPont, Indian Immunologicals Pvt. Ltd, Hemarus Therapeutics Pvt Ltd, and Intod International ltd, located at Hyderabad in various capacities. Two of the students of 2008-10 batch are pursuing their Ph.D programmes in institutes like Basavatarakam Indo American Cancer Research Institute, Hyderabad and BITS, Pilani, Hyderabad Campus.

The alumni have oriented the students on the varied opportunities available in life sciences in the fields of research, teaching and industry. They gave information to pursue Ph.D in the R&D sector in various corporate hospitals. They have insisted upon the students to get well trained and improve their technical skills in basic biochemical techniques during their practical courses which will help them to excel in their careers. Students have interacted enthusiastically with the alumni and got better insight into the available opportunities in various fields after completion of their courses. The alumni interaction turned out to be useful.
