

**BHAVAN'S VIVEKANANDA COLLEGE OF SCIENCE, HUMANITIES AND  
COMMERCE, SAINIKPURI, SECUNDERABAD.**

**Autonomous College**

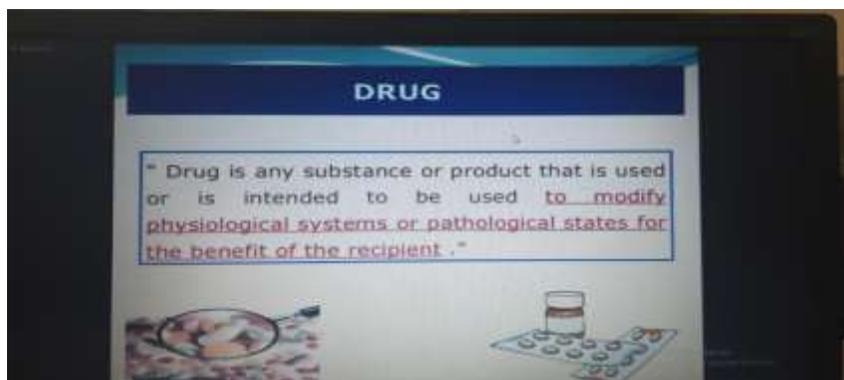

**Affiliated to OSMANIA UNIVERSITY, Secunderabad**

## **GUEST LECTURE ON “DRUGS AND FORMULATIONS”**

**2021-22**

Department of Chemistry organized a guest lecture on “Drugs and Formulations” on 10th November 2021 at 2:00pm on Microsoft Teams platform.

The resource person for the guest lecture was Dr. A Santhoshi, Assistant Professor Department of Chemistry, BJR Government Degree College. 100 students participated in the session. The lecture helped them to understand the importance of Drugs and Formulations and how chemical substances are combined to produce final medicinal products. The lecture was very informative.

**BHAVAN'S VIVEKANANDA COLLEGE**  
of Science, Humanities & Commerce

Sainikpuri, Secunderabad - 500094

Accredited with 'A' Grade by NAAC

Autonomous College, Affiliated to O.U

WEBINAR ON  
**DRUGS AND FORMULATIONS**

10<sup>th</sup> November 2021

2.00 p.m. - 3.30 p.m

Organized by  
**Department of Chemistry**

Under DBT-Star College Scheme

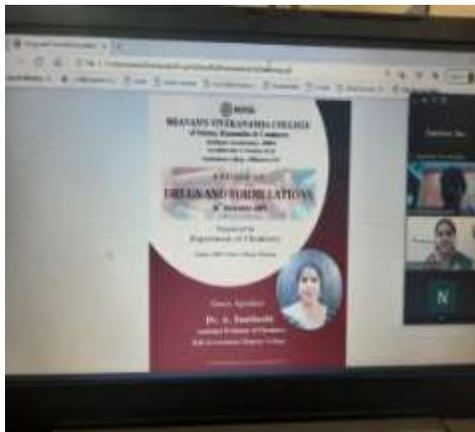

Guest Speaker:

**Dr. A. Santhoshi**

Assistant Professor of Chemistry

BJR Government Degree College

**GUEST LECTURE ON "MASS SPECTROMETRY"**

**2021-22**

Department of Chemistry organized a guest lecture on "Mass Spectrometry" on 8th September 2021 at 1:30pm on Zoom platform.

The resource person for the guest lecture was Dr. Naresh Kumar Katari, Assistant Professor Department of Chemistry. School of Science. GITAM (Deemed to be University) and DRC member. 85 students participated in the session. The lecture helped them to understand the principle behind Mass Spectrometry and how it is useful to identify unknown compounds with molecular weight determination, to determine structure and chemical properties of molecules.

The lecture was very informative. He also discussed about the wide applications of Mass Spectrometry.

## GUEST LECTURE ON MASS SPECTROMETRY

September, 8, 2021 | 2:00pm to 3:30 pm | Microsoft Teams Platform

**Guest Speaker:**  
 Dr. Nareesh Kumar Katari,  
 Assistant Professor,  
 GITAM Deemed to be University

**under DBT Star College Scheme  
 Organised by  
 Department of Chemistry**

For further details, contact : Ms Mary Nygi Kurian,  
 Offg Head Department of Chemistry, BVC

**Mass Spectrometry**

- Powerful analytical technique
- Smallest scale
- Destructive technique
- Useful for identification of species

According to the IUPAC (International Union of Pure and Applied Chemistry), it is the branch of science dealing with all aspects of mass spectrometers and results obtained with these instruments.
