Awareness Workshop on Startups for Higher Education Institutions

Students from Bhavans' Entrepreneur Development Cell, along with faculty member Mrs. Kalyani Gorti, joined over 15 colleges and universities at the Osmania Technology Business Incubator (TBI) for an immersive workshop on startups on June 21st, 2023.

The workshop, held under the guidance of In-charge Director Mr. Vidya Sagar, provided valuable insights into the world of startups and the crucial support system offered by T-hub.

The workshop delved deeper into the challenges and solutions for institutional startup ecosystems, presented by Mr. Vidya Sagar. Dr. Sharat Chandra Aduri then showcased the transformative power of TBI Osmania, highlighting its infrastructure and programs across the pre-incubation, incubation, and acceleration stages. He also shared inspiring success stories of startups nurtured by TBI Osmania, leaving the participants equipped with knowledge and optimism to pursue their entrepreneurial aspirations.
