REPORT OF WORKSHOP ON ENTREPRENEUR FOUNDATION

The Bhavan's Entrepreneur Development Cell and Bhavan's Institution Innovation Council In association with The National Small Industries Corporation (NSIC) conducted a 15 day workshop on Entrepreneur Foundation from 22/12/2022 to 05/01/2023 to develop the entrepreneurial mindset among the students.

The workshop was inaugurated on 22nd of December, 2022 . Mr. M. Thirmal Rao, Coordinator, ED Cell presented the welcome address, followed by the address of Dr. G.S.V.R.K. Choudary, Principal. The inaugural was hosted by Prerana Purohit and Abhijay Munipally, students of ED cell. The first session of Day 1 was conducted by Mr. David Samuel where the students were briefed about the techniques of ideation and the roadmap of entrepreneurship. The second session was conducted by Mr. N. Manoharan where the students were apprised about the various Government schemes and the sources of funds that can be accessed by those who aspire to take the path of Entrepreneurship. After which, the students were given a tour of the campus of NSIC that helped them understand the Incubation facilities at NSIC.

A total of 104 students attended the workshop. The Faculty in charges for the workshop were Mrs. Kalyani Gorti, and Mrs. T. Sai Santoshi Faculty from ED Cell. The workshop was interactive and informative. The programme helped the students clear all the queries and doubts about entrepreneurship. It gave the students an opportunity to explore and enhance their entrepreneurial abilities by different games conducted in the workshop which in turn helped them in acquiring a lucid picture on entrepreneurship.

EntreCon

On World Entrepreneurs' Day, which is on 21 August 2022, The Entrepreneur Development Cell and the Institution Innovation Council (IIC) of Bhavan's Vivekananda College conducted an event of Declamation named EntreCon, for the students of Bhavan's Vivekananda College on 22 August 2022. The event was coordinated by Mr. M Thirimal Rao, Coordinator of ED Cell, under the able guidance of Mrs. B Niraimathi, Officiating Principal, Bhavan's Vivekananda College.

The event commenced with the welcoming of the Chief Guest Air Cmdr JLN Sastry, VSM, Vice Chairman, BVB, Sainikpuri, and the Guests of Honour, Mr. Aditya Deendyal and Ms. Indrani Dwarampudi, who are two of Bhavan's Vivekananda College's notable alumni.

The event proceeded with the felicitation of two of Bhavan's Vivekananda College's successful alumni who have excelled in the field of entrepreneurship and set an example to everyone around, Mr Aditya Deendyal, Executive Director of Alankrita Resort & Convention and Ms. Indrani Dwarampudi, the founder and CEO of Berry Ads and Branding. The Guests of Honour then spoke about their experiences in the field of Entrepreneurship.

The competition then kick-started where the participants had to dress up as their favorite Entrepreneur and talk about them and the problems they faced and overcame. Each student was given a time limit of 2 minutes. 34 students from different departments participated in the competition.

Sneha Simhadri from 1H1 bagged the 1st Prize, Sakshi from 2H2 bagged the 2nd Prize and Rishi Kumar from 3BA bagged the 3rd Prize.

BALA VIKASA

A FIELD VISIT | 29. AUGUST.2022

WHY A FIELD VISIT?

A field visit to Bala Vikasa has been planned by the ED cell of Bhavan's for all the UG students for the 1st time. Bala Vikasa is a centre where the facilities of Incubating early-stage, innovative start-up's trying to solve a social issue or creating a positive social impact, working with corporates on developing innovative and growth oriented Corporate Social Responsibility (CSR) agendas and programs and training the interested stakeholders in the areas of Social and Responsible Business is provided.

The main agenda of the field visit was to make the young upcoming entrepreneurs to know the incubate facilities they have.

54 students along with 2 faculty members have taken part in the field visit.

OUR LEARNING IN BALA VIKASA CAMPUS

As we stepped down from the bus the into the beautiful environment of Bala Vikasa campus the 1st thing, we could see there was "BALA VIKASA – HELPING COMMUNITIES HELP THEMSELVES". We entered into the campus as guided by Ms Parvati then were introduced about the Bala Vikasa its history and purpose by Mr. M. Vijayendra. Then we were explained about start up incubators, process of Incubation and what kind of support does Bala Vikasa do in a very interactive way by Mr. M. Vijayender. Many students were appreciated for the start-up ideas they had and Bala Vikasa has also given a word that they will support the students in their start-ups and also provide internships.

The students have enjoyed the interaction session and the beautiful environment of the campus. It has been a wonderful and knowledgeable field visit.
