Orientation Programme For The International Students (2016-2017)

Bhavan's Vivekananda college organized an Orientation programme for its International Students on August 10, 2016. The theme of the program was "THE WORLD IS ONE FAMILY". The Foreign Students' Advisory and Welfare Committee under the able guidance of the Principal and the college management organized the program with a view to guide and mentor the International Students. The main aim of this induction program was to enlighten the freshers about the rules, regulations and the code of conduct of the college, and providing all help in reaching out to all the foreign students of BVC.

Air Cmde(Retd) J.L.N Sastry, Emeritus Vice chairman, BVB, Sainikpuri, Col.M.Vijay Rao, Hon. Director, B.V.C, Prof. Y. Ashok, Principal and Vice Principal Mrs. B Niraimati addressed the students. They rendered valuable suggestions and guidelines to the students. The students were introduced to the culture and philosophy of the college. The student coordinators organized an interesting interactive session with the new students. The senior students discussed the various activities of the college and highlighted the various laurels and mile stones achieved by the college. The programme helped the students to develop a sense of bonding for the institution. Around 70 foreign students from 21 different countries like: [Tanzania](#), [Uganda](#), [Sudan](#), [South Africa](#), [Zambia](#), [Rwanda](#), [Kazakistan](#), [Madagascar.](#), [Indonesia](#), [South Sudan](#), [Nigeria](#), [DR Congo](#), [Cameroon](#), [Afghanistan](#), [Kenya](#), [Tajikistan](#), [Yemen](#), [Burundi](#), participated in this programme.

The orientation programme was a good platform to understand the problems of the foreign students and to provide them with all the necessary facilities. No wonder, Bhavan's Vivekananda College is the top choice in Hyderabad for foreign students to pursue their UG studies.
