Report on ECO FEST 2016

The 'gre-Energy' club of the department of Genetics & Biotechnology, Bhavan's Vivekananda College of Science, Humanities, & Commerce conducted Ecofest – 2016 on the eve of Sankranti.

The 'gre-Energy' club is involved in various activities to promote awareness of environment & conservation of environment.

Ecofest – 2016 included the following events

- Fashion Show- Where a large number of students participated in the traditional attire.
- Nutri-chef – A cookery competition in which students prepared delicious, wholesome, traditional dishes and explained their nutritional content.
- Aromed – Students displayed Aromatic & Medicinal plants used in various systems of medicine.
- Anthakshari – A fun-filled event for students.

Ecofest – 2016 had a large number of enthusiastic participants. It was a very colorful & fun-filled event

Report on sale of Green Ganesha held on

16th September 2015

The greENERGY club organized the sale of clay Ganeshas as a part of Green Ganesha program. The objective of this exercise was to bring awareness among the students and the faculty members to actively participate in conserving nature and encourage them to use clay idols instead of plaster of Paris. The event was organized on 16th of September 2015, on the eve of Ganesh Chaturthi.

Students and staff were encouraged to purchase the clay Ganeshas which were given away in ecofriendly paper bags. About 80 clay Ganeshas were sold. The first idol was bought by the Hon. Director, followed by the Principal of BVC. The event was very successful owing to the active and enthusiastic participation of the students and staff.

RECYCLING OF PAPER

27-08-2015

The greENERGY club motivates every individual to be a torch bearer in protecting mother earth. As part of environmental studies project, the second year BtGC students got associated with recycling of paper. They collected 1939 kilo grams of waste paper from various departments, under the guidance of Dr. Jyothi Nayar. The recycling of paper is undertaken in collaboration with ITC limited.

Report on Pollution Check in the college

held on 22nd August 2015

The Department of Botany, Genetics and Biotechnology organized a pollution check campaign on 22nd August 2015, with an objective of educating vehicle owners on the importance of pollution control.

The students and faculty of the Life Science Department were actively involved in this program. The event began at 2:00 pm. Many staff and students, who commute to college by their own two & four wheelers, got their vehicles checked. The event went on till 5:00 pm in the evening. The RTA approved pollution check agent Mr. Mahesh checked a total of 153 vehicles, including 145 two wheelers & 8 four wheelers.

The enthusiasm, diligence and hard work of the members of the greENERGY club were appreciated by one and all.

The greENERGY club is happy & proud to organize such an event which is commendable for an educational institution.
