

ACTIVITIES 2017-18

ECO FEST 2018

The greEnergy club of the Department of Genetics & Biotechnology, Bhavan's Vivekananda College of Science, Humanities and Commerce, Sainikpuri, organized ECOFEST on 27th Jan, 2018. The Programs included Essay writing competition, Kite making and decoration, skit on Conservation of rivers, Nutri Chef, Group Dance, best dressed students in ethnic attire. The aim of ECOFEST is to be one with nature, conserve it and appreciate our planet Earth. The fest was successful owing to the enthusiastic participation from the students.

Sale of Clay Ganeshas

The greENERGY club organized the sale of clay Ganeshas as a part of Green Ganesha program. The highlight of the program was that the clay Ganesha idols had to have seeds embedded inside. The idea was to encourage immersion of Ganesha in a bucket followed by putting the clay in pots so that the seeds germinate. This was taken up to spread awareness to save lakes. The event was organized on 24th of August 2017, on the eve of Ganesh Chaturthi.

Students and staff were encouraged to purchase the clay 'seed' Ganeshas which were given away in ecofriendly paper bags. About 80 clay Ganeshas were sold. The first idol was bought by the Principal of BVC Prof. Y. Ashok. The event was very successful owing to the active and enthusiastic participation of the students and staff.

RECYCLING OF PAPER 21 August 2017

The greENERGY club motivates every individual to be a torch bearer in protecting mother earth. As part of the environmental studies project, the second year MGC students got associated with recycling of paper. They collected 1882 kilo grams of waste paper from various departments under the guidance of Dr. Jyothi Nayar. The recycling of paper is undertaken in collaboration with ITC limited.
