

## Free Diabetes Camp 15<sup>th</sup> February, 2020

Medical and Health committee along with the Department of Biochemistry and NSS unit, BVC organized a medical camp on diabetes for teaching and non-teaching staff, students and residents of local community on 15<sup>th</sup> February, 2020. As a part to create awareness, a talk was organized from Dr.K. Srinivas Rao, Diabetologist on “Risk factors and prevention of Diabetes”. This was followed by free testing of random blood glucose levels for all the participants. All the participants availed the free service and the programme received a good appreciation.
