

Bhavan's Vivekananda College
of Science, Humanities & Commerce
Sainikpuri, Secunderabad – 500094
Accredited with 'A' grade by NAAC
Affiliated to Osmania University

Strategic Plan 2014-2019

Bhavan's Vivekananda College of Science, Humanities and Commerce was established in the year 1993. The College strives to improve in every aspect, which is evident by its growth since inception. The College is located in a 10 acre lush green campus, with its principles strongly rooted in the ideology of K.M.Munshiji, the founder of Bharatiya Vidya Bhavan. The main objective of the college is all round development of the student, which is reflected in its Vision and Mission.

BVC's Vision:

Youth empowerment with Culture, Knowledge and Strength of body and mind.

Bhavan's Mission:

- Bhavan's Vivekananda College (BVC) seeks to provide quality higher education to its students in both general education and discipline-specific courses.
- BVC will continue to provide its graduates with a solid academic foundation for further educational opportunities, and the knowledge and skills for career opportunities upon graduating.
- BVC seeks to integrate into the students' programme of study, the development of skills including critical thinking, problem-solving, written and oral communication and laboratory research techniques.
- BVC seeks to learn, to adapt and to lead in the creation of a pool of committed and competent individuals dedicated to the process of nation building.

The College was accredited with "A" grade by NAAC in the year 2012. It aims at the continuous improvement of its academics and infrastructure. The IQAC and the College Development Cell have laid down a strategic development plan for the next five years after taking inputs from the Principal, Management, Stake holders, Industry and Alumni. Briefly, the plans are:

1. As the college completed 20 years of establishment and also attained NAAC "A" accreditation, as per the UGC Act, the college attained eligibility to apply for Autonomous status. Therefore, the first strategic plan aims at attaining Autonomous status for the college which brings qualitative improvements in designing curricula as per the needs of industry and in devising methods for teaching, learning, and evaluation of examination.

2. Autonomous colleges are strengthened with a strong examination branch. Therefore, proposals have been laid to develop the Examination branch infrastructure which include complete automation, purchase of required software, formation of a committee, addressal of security issues etc.
3. With the increase in students' strength, the college plans to go for automation of library in terms of book cataloguing, circulation and acquisition.
4. To improve the transparency in administration and effective management in terms of admissions and examinations, the college plans to adopt and implement e-Governance strategies for prompt services.
5. As the College is on the expansion and growth path, it proposes to develop infrastructure by renovating existing buildings, to add infrastructure upon requirement, to enhance the amenities in terms of providing lift facilities, renovation of rest rooms etc.
6. The College has shown tremendous improvement in winning inter college championships. It proposes construction of a Sports Complex, Yoga center, Gymnasium with all amenities that aid in the holistic development of the student.
7. Based on the feedback from stakeholders and alumni, the college plans to undertake new courses/new programmes which focus on employability and skill development and meet the requirements of industry.
8. To strengthen the teaching-learning process and to align with the advancements in technology, the college plans to bring digital literacy among its faculty by developing the required ICT facilities in the campus in terms of smart classrooms, upgraded computers, LCD facilities etc. It also proposes the establishment of a Media Centre with a Lecture capturing system.
9. As per the suggestions received from students and staff on the seating facility in the canteen, the college proposes to renovate the canteen and improve the facilities.
10. To strengthen research, Research Consultancy and Extension Committee of the college has taken the initiative to encourage the faculty to apply for research grants to funding bodies like UGC, DST, DBT, ICSSR etc and to felicitate them as a token of appreciation for publishing research papers in peer reviewed journals, book publications etc. The College proposes to elevate the status of all

eligible PG departments by applying for Research Centre recognition from the parent university.

11. The college proposes to collaborate with industries and research institutes of National importance by signing MOUs to strengthen the network and bridge the gap between Industry and Academia.
12. The College proposes to go for Alumni registration to build a strong alumni and social network.
13. The College is endowed with a lush green sprawling campus. To maintain the sustainability of the green carpet area and to preserve biodiversity, the college proposes to undertake internal green audits, implement waste management strategies, organize annual tree plantations, adopt energy management strategies like installation of solar panels, improve ground water levels by maintaining rain water harvesting pits etc.
