Dr.Sujaritha Sundara Rajan is a daughter of Sundara Rajan and Janakavalli.She has a sibling who is her first student of dance Supraja.S.Her native and her birth place is Chennai.She's lives in Hyderabad.

Dr. Sujaritha Sundara Rajan, by passion and profession is a classical dance practitioner. Her desire to teach dance to the adolescents and spread its significance and culture is uninterrupted and everlasting. In addition to this, she is a vocalist, a music composer and a sound engineer. As a humanitarian, she taught dance in various NGOs and presently teaches dance to mentally challenged students. Apart from this, she runs a dance school “KalaKruthizz” and commutes across Hyderabad, her present residence, to teach this body coordination form to several students.

She received her Doctorate degree in Indigenous Dance from Academy of Universal Global Peace, which is recognized in 77 UN countries. Besides this, she holds degrees of B. Com. and M. Com. She completed her audio engineering which was certified by Apple Inc.

She marked her debut in the year 1997 at a near religious ritual center and there has been no looking back since then. Gifted with consummate footwork and a pleasing stage presence, her exhilarating dance recitals have captivated societies across Hyderabad and then all over India. She marks her presentations with aesthetic looks and facial expressions.

**Her motive is to “Give what you have to the society and inspire others to give”.**
