# EDITOR'S NOTE

Every so often, we remember parts of our lives which we cherish immensely. Sometimes it's a compliment a friend said to you, sometimes it's an event etched into your memory – which stays with you till the end. Such memories bring joy, as well as melancholy, because you know it might never happen again - *“Just remember, the sweet is never as sweet without the sour.”*

There is a name for this feeling – Nostalgia, and we hope to invoke it within you.

This edition contains a collection of memories from the events like Best out of Waste, Management Day celebration, Young Manager & other events.

I have perused the inaugural copy of SAMVRIDHI, Vol-II, No:4 brought out by BVC MBA Dept.

I congratulate Dr. N.S. Chakravarty Head of Dept and Mrs. K. Suvarchala Rani and her team of students who have conceived, compiled and edited a new effort with many interesting articles. I am sure that with this springboard, SAMVRIDHI will grow in the years to come as many more enthusiastic management students will actively participate, through their contributions to this magazine.

Col.(Retd) M. Vijay Rao (Hon. Director, BVC)

It gives me immense pleasure to congratulate the faculty and students of Management Studies on their maiden effort in bringing out the quarterly magazine “SAMVRIDHI – BEYOND HALLS OF IVY”.

My appreciation to every member involved in making this initiative bear fruits. I am very confident that the magazine gives the faculty an opportunity to nurture and explore the inherent potential of the students.

Best wishes to all the faculty members and students.
