Reaccredited with 'A' Grade by NAAC

Autonomous College

Affiliated to Osmania University

# **A Journey through 30 years of Academic Excellence**

Statue of  
**Swami Vivekananda**  
was inaugurated to commemorate the  
**Silver Jubilee of the college**

Inaugurated on 6th September 2018

**A Journey  
through  
30 Years of  
Academic  
Excellence**

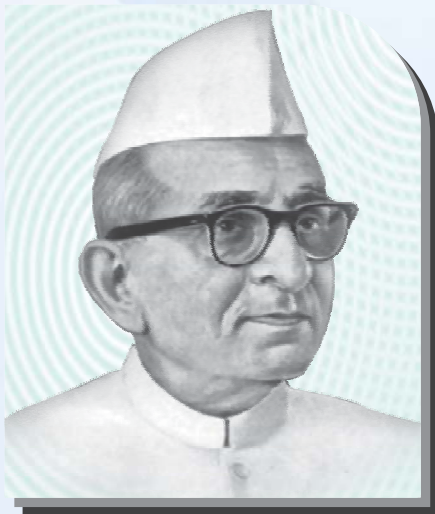

## Vision

Youth empowerment with Culture, Knowledge and Strength of body and mind

## Mission

- ◆ To provide quality education, in both general education and discipline-specific courses.
- ◆ To provide a strong academic foundation of knowledge and skills for further educational pursuits and career opportunities.
- ◆ To inculcate scientific and research skills.
- ◆ To adapt and to lead a group of committed and competent individuals, dedicated to the process of nation building.

## Founder

**Dr. Kanhaiyalal Maneklal Munshi**

Kulapati Dr.K.M.Munshi was born in Bharuch, Gujarat on 30<sup>th</sup> December 1887. He acquired LL.B degree in the year 1907 and practiced law in Bombay. He was a social reformer and activist in the areas of women's rights and caste prejudice. Munshiji joined the Indian National Congress in 1916 and subsequently functioned as the Secretary of Bombay Presidency Association. He held several important posts like Member of Constituent Assembly of India, Minister of Agriculture and Food of India and Governor of Uttar Pradesh.

Dr.K.M.Munshi was a philosopher in action and a man with great ideas and courage. He was known for his multifaceted personality. The versatility of Munshiji was seen in his roles as a lawyer, creative writer, constitution-maker, freedom fighter, administrator, organization-builder and champion of Indian culture.

Munshiji founded Bharatiya Vidya Bhavan, an educational trust, in the year 1938 with the blessings of Mahatma Gandhi, with an aim to preserve Indian culture, education and art from a secular perspective. He said,

“We, the Bhavan's family, whether it is the smaller one or the larger, must make every effort to uphold Dharma- the three-fold aspects of which are Satyam, Shivam and Sundaram- Truth, Love and Beauty, in the personal and collective life.” Munshiji not only wanted to connect Indian education with its magnificent heritage, but also wanted to encompass the best of the modern world in the fields of Science and Management.

Through the discerning vision of Dr.K.M.Munshi, the Bhavan has thrived as a strong national movement with an international outlook, devoted to dissemination and modernization of Indian culture.

## MESSAGE

I am pleased to know that Bhavan's Vivekananda College of Science Humanities and Commerce has completed its 30<sup>th</sup> years of journey on 3<sup>rd</sup> August, 2023. To commemorate this occasion, the College is also bringing out a Souvenir showcasing the journey and achievements.

Since its inception Bhavan's Vivekananda College has nurtured the holistic development of its students. On this special occasion, I extend my best wishes to the Principal, faculty members, students and all staff associated with the College. I congratulate them and wish them all success in their future endeavours.

I wish the College and the Souvenir release a grand success.

(Prof. M. Jagadesh Kumar)  
Chairman, University Grants Commission

## Guest of Honour's message

I am very happy to know that Bhavan's Vivekananda College of Science, Humanities and Commerce is celebrating 30 years of its journey and bringing a souvenir.

The purpose of education extends beyond imparting mere bookish knowledge; it is about instilling humanitarian values such as wisdom, compassion, courage, humility, integrity and reliability in students. I am confident that Bhavan's believe in holistic education for a student, encompassing academics, co-curricular activities, sports education and life skills.

I extend my warm wishes to the Principal, faculty, staff and students of the college as they continue their journey towards excellence

All the best!!

## Message from *Chairman*

**Shri D. Prabhakar Rao**

It gives me immense pleasure to write a message for the souvenir on the completion of three decades of academic excellence.

'Let noble thoughts come to us from all directions' is a guiding principle that has shaped the institution's journey. Over the past 30 years, the institution has embraced this philosophy, fostering an environment where knowledge, wisdom, and compassion converge. Throughout its distinguished history, the institution has consistently set new standards of excellence, not only in academics but also in the realm of sports. I take great pride in its unwavering commitment to excellence, which has undoubtedly contributed to its standing as a beacon of knowledge and achievement in the region.

On this happiest occasion, I extend my greetings and best wishes to the Principal and the entire team for their hard work and tireless efforts in making this college a shining star within the educational landscape of the region.

All the best!!!

D. Prabhakar Rao

Chairman

# Message from *Vice Chairman*

**Air Cmde (Retd.) J.L.N. Sastry, VSM**

I am extremely happy to pen the following few lines by way of a message to the Tri-decade celebrations of Bhavan's Vivekananda College of Science, Humanities and Commerce, Sainikpuri.

Established in 1993, the College has been advancing with the noble mission of educating young minds for the past 30 years, with the avowed aim of forming a strong national identity and infusion of a justifiable pride in the rich cultural legacy of India. Keeping itself in tune with the emerging challenges of the 21st Century in the field, it has continuously assimilated fresh perspectives and current global trends in dissemination of knowledge. Its record of achievements in academics, sports and co-curricular activities is appreciable.

I congratulate the Principal, staff and students on this momentous occasion. As we mark three decades of academic success, may this institution continue to thrive and inspire for many more years to come.

Best wishes for all future endeavors!!!

A handwritten signature in black ink, appearing to read 'J.L.N. Sastry'.

Air Commodore (Retd) J L N Sastry

Vice Chairman

# Message from *Hon. Secretary*

**Gp Capt. (Retd.) D. Ramanaiah**

I am delighted to know that Bhavan's Vivekananda College of Science, Humanities and Commerce is celebrating 29th Annual Day on 9th March, 2024 marking its 30-year academic journey, includes the release of a souvenir.

BVC has consistently served as a paragon of academic and professional distinction since its establishment, diligently nurturing the comprehensive development of its students. I commend the institution for its unwavering dedication to fostering a culture of excellence, equality, and inclusivity.

The completion of three decades of service is a remarkable milestone in the trajectory of any educational institution. It speaks volumes about BVC's resilience, commitment, and contributions to the realm of education.

It is a matter of utmost pleasure for me to partake in this joyous occasion. I extend my profound best wishes to the Principal, Faculty, Staff and Students.

  
Gp Capt. (Retd.) D. Ramanaiah  
Hon. Secretary

# Message from *Principal*

**Dr. G S V R K Choudary**

It gives me immense pleasure to share that Bhavan's Vivekananda College of Science, Humanities and Commerce has decided to publish a souvenir on successful completion of its thirty years of journey.

The institution is steadfast in its commitment to develop a system of conscious, constant and catalytic action aimed at enhancing academic, administrative and research performance. It provides students with an environment conducive to study, learn, and grow in a dignified manner. The overall campus life is characterized by excitement and vibrancy, fostering the harmonious development of students' faculties.

I extend my heartfelt gratitude to the entire Bhavan's Family—students, parents, faculty, and staff—for their enduring commitment to our shared vision. Together, let us continue to inspire and be inspired, shaping the future leaders and contributors to the society.

Here's the achievements of the past, the celebrations of today, and the promises of brighter tomorrow.

All the best!!!

## Bhavan's Faith (Core Values)

The Bhavan stands for the reintegration of Indian Culture. In a world falling to pieces under the impact of an amoral technological avalanche, it tries to hold fast to the fundamental values for which our culture stands- Rita, Satya, Yagna and Tapas:

- ⦿ Faith in God Who forms the Cosmic Order.
- ⦿ TRUTH which is in accord with mind, word and deed.
- ⦿ DEDICATION which offers all the life's movements as an Offering to God.
- ⦿ SUBLIMATION which purifies the body and mind and transmutes instincts, passions and emotions into things of beauty.

This, regardless of forms and doctrines in Dharma, the three fold aspects of which are SATYAM, SHIVAM, SUNDARAM- Truth, Love and Beauty. It is for these values that our forefathers lived and died. So did Sri Ramakrishna Paramahansa, Swami Dayananda, Swami Vivekananda, Gandhiji and Sri Aurobindo among the moderns. These values are embedded in our national outlook. We can look forward to the future with confidence only because they have the vitality which gives the power to indicate their validity even in this fear and avarice-ridden age of ours.

We, the Bhavan's family, whether it is the smaller or the larger one, must make every effort in restoring these values in our personal and collective lives

## About BVC

Bharatiya Vidya Bhavan, Sainikpuri Kendra was established on 8th of July, 1989, on the merger of erstwhile Ramakrishna Seva Samithi with the Bharatiya Vidya Bhavan.

Bharatiya Vidya Bhavan was founded by Kulapati Dr.K.M.Munshi on 7th of November, 1938, with the blessings and support of Mahatma Gandhi. The main aim of the Bhavan is to preserve and perpetuate eternal Indian values through its conglomerate of more than 367 constituent institutions including 119 centers in India and 7 centers abroad. The Bhavan, started as an educational trust, serves to envisage the best in the various fields of education including Science, Arts, Technology, Economics and Management. The Bhavan has several schools and colleges under its umbrella which strive to maintain its motto- "Let noble thoughts come to us from every side", a quote from the Rigveda.

Bhavan's Vivekananda college of Science, Humanities and Commerce was established under the aegis of Bharatiya Vidya Bhavan, on 2nd of August, 1993 with 131 students. Since inception, the college has been strongly promoting the ideals of the Bhavan, by providing education blended with a strong foundation of the fundamental values of life. The college offers undergraduate programmes in Physical sciences, Lifesciences, commerce, Mass communication and Business administration as well as 5 post graduate programmes (Computer Science, Microbiology, Biochemistry, Business administration and Commerce). Currently, 2 doctoral programmes are offered in microbiology and biochemistry. The curriculum of the courses is designed to cater to the growing needs of industry and society. The college also strives to raise the intellectual and moral standards of the students.

The college has been reaccredited with 'A' grade by NAAC in 2022 and granted autonomy by the UGC from 2022 - 2027. The sprawling, vibrant campus has a peaceful atmosphere conducive to not only teaching and learning, but also to the development of the future citizens of our country.

## Leadership Legacy

### Dr. Shubha Kakade

Principal (1992-2003)

Founder Member & Principal

She served the institution for a period of 11 years (1993 to 2003) and was instrumental in establishing UG and PG courses.

### Prof Y. Ashok

Principal (2003-2022)

Founder Member

Joined the college in the year 1993 served as Head, Department of Commerce for 10 years prior to become the Principal. Under his leadership the college obtained NAAC 'A' Grade and UGC Autonomy.

### Ms. B. Niraimathi

Officiating Principal (1.7.2022 to 30.10.2022)

Founder Member

Joined the college in the year 1993 and served as the Head, Department of Physics and Electronics. Currently holding the responsibilities as the IQAC Coordinator of the organization.

### Dr. GSVRK Choudary

Principal (1<sup>st</sup> November, 2022 to till date)

Joined the college in the year 1999 as a faculty in the Department of Physics and Electronics and took the charge as the Principal from 1<sup>st</sup> November, 2022. Under his able guidance a new programme - BBA (Hons) in Business Intelligence and Analytics has been introduced. The college has been recognized with Silver Membership by Global Standardization and Accreditation Agency (GSAAA)

## 30+ Years of Perseverance - Our Pillar of Resilience

## Alumni Reflections

**B.Com (Regulars) 1993 - 1996**

**Mr. Ish Shetty**, Divisional Vice President - HDFC Credit Cards

Greetings everyone!!!

My name is Ish Shetty. I have been extremely fortunate to be associated with this brilliant institution called Bhavans! My heartfelt congratulations to each and every person, including our respected professors, teachers and all the other students who have graduated and pursuing graduation, on this remarkable three decades that the college celebrates today. It's been a great institution, instrumental in churning out some brilliant and responsible citizens of the future, who have gone out to achieve great things in life. In deed it is a proud moment as we celebrate thirty glorious years of its existence. My heartfelt congratulations to everyone, and I wish those who have been associated with this institution in the past and today will have very bright and excellent future. I am sure Bhavans will continue to light candles and create brilliance with every wink.

**B.Com (Regulars) 1993 - 1996**

**Vivek Sridharan**, Principal - Institutional Business

ICICI Prudential Asset Management Company Ltd

I feel extremely privileged in being a part of Bhavans College. I had one of the best experiences of my student life while studying in Bhavans college. I feel a very high sense of joy and pride on the college completing 30 successful years of imparting knowledge across students. Our college practiced from day one the importance of education and knowledge in an individual and our teachers relentlessly worked towards the same. Although our college was extremely disciplined when it came to education, there was also a very informal relationship between the lectures and students. This always helped me and many other students to reach out to our lectures for both academic as well as personal guidance. I personally gained a lot from my fellow students as all of them were very unique and multi-dimensional. I wish our college all the very best in completing a successful 30 yrs. I wish the college as well as all the students all the very best.

**B.Sc (MBC) 1994 - 1997**

**Dr. Vasavi Mohan**, Head and Consultant, Department of Cytogenetics

Apollo healthcare and lifestyle, Hyderabad

Looking back in time, I feel it is not-so-long-ago, that I graduated from Bhavan's Vivekananda College, with its wonderful location and lush-green surroundings. Choosing Bhavan's after my mother suggesting to do so, was the best thing that happened to me. I spent my most cherished time in this prestigious institution that nurtured my personal and academic goals.

Sciences and languages were taught brilliantly, learning became enjoyable, equipping our minds to take up challenges and deliver. Self-discipline was encouraged by example while we also enjoyed the friendly company of our mentors.

Today, I am most grateful to all my teachers - it is their mentoring that has given me the confidence with which I work today, and for the shaping of my career.

And for everything that I'm capable of today, I'll remain a proud Bhavanite....

**Mr. Navin Gadidala**, Product Management in Oracle Oracle Financials

I wish good luck to Team Commerce in Bhavan's Vivekananda and congratulate the Principal and all the faculty members. Education in BVC laid the foundation for all my future accomplishments. The college is led by few visionaries who made a person with disability like me pursue commerce degree as day college even in those days of 'Accessibility' being such a foreign word. The curriculum is rich with the overall development of a person. The commitment, grit, and diligence of the people at the helm of things and lecturers is showing the results and undoubtedly, kids studying here are privy to the best in the business.

**B.Com (Regulars) 1996 - 1999**

**Dr Sreelatha Komandur**, Research Officer and Genetic counsellor, Kamineni academy of medical sciences and Research Center, LB Nagar, Hyderabad

Being one of the first Master's batch students in Bhavan's college, I joined with a lot of apprehensions. But they were put to rest immediately by the dynamic teachers we had. They guided and gave unwavering support throughout the course and beyond, because of which I could pursue my passion of working in the field of Human Genetics. Thank you Bhavans college and all the teachers!

As an alumni, I wanted to express my deep gratitude for the invaluable experiences and education I received at Bhavans Vivekananda College, Sainikpuri. The dedicated faculty, vibrant campus life, and diverse opportunities have profoundly shaped my journey post my college life.

The skills acquired during my time at Bhavans Vivekananda College has helped me clear the State Civil Services in my first attempt to get into Government Services and continue to be instrumental in my personal and professional growth. I am proud to be a part of the Bhavans community and appreciate the foundation it provided for my success.

I wish the institution continued excellence and prosperity.

**M.Sc (Microbiology) 2000 - 2002**

**Mr. Girish D.A.**, Zonal Manager Wonderchef Home Appliances Pvt. Ltd.

If we talk about student transforming into Professional.

Bhavan's is the right place where one can excel in academic as well as overall personality development of student - Communication skills , presentation skills , leadership qualities etc .

Not to forget equal importance is given to sports

Students can relax of their future , yes college supports campus placements with attractive package for fresher.

**B.Sc (M.S.Cs) 1999 - 2002 & MBA 2004 -2006**

**B.Com (Hons) 2000-2003**

**Mr. Abhishek Mandhana**, Vice President Operations, Bank of America, Singapore.

I had a tremendous foundation given by our college that has helped me in my career. The teachers made it really special and some of the lectures are still very clear till this day. I wish the college, teachers, the current and future batches the very best.

**B.Com (Hons) 2000-2003**

**Mr. Lucky Vatnani**, Manager - Ding Junhui Snooker Academy, Sheffield, UK

I am so grateful to the college for the support I received during my time there as it helped me achieve my goals in my sporting career, it was a crucial time where I was given the flexibility to work on my sport and also do my studies which is why I was able to perform my best to become India no 2 in Snooker in 2009/10 and the learning I got through the course gave me the confidence in my current job of managing the snooker academy in UK

**M.Sc (Biochemistry) 2001 - 2003**

**Dr. P.N.B.Srinivas**, Principal Scientist CuraTeQ Biologics  
(Aurobindo Pharma Ltd)

Bhavans has a pleasant and rich green campus with dedicated and well qualified staff. I had the privilege to be part of the first batch of MSc-Biochemistry. The vast experience of management helped setting up good standard for us, particularly the scientific orientation more importantly conducting scientific seminars and conferences such "Gyan Tarangini". Support from our lecturers in picking up the subject was immense and was greatly joyed to also be part of the support meeting organized to make Bhavans an autonomous institution and to be part of board of studies.

**M.Sc (Computer Science) 2001-2003**

**Mr. P. Anil**, Application Engineer, Discover Financial Services, Texas, USA

Bhavans gave me life full of memories. I have learned a lot in Bhavans as a student n as a faculty member. It is one of my best decisions to study in Bhavans. Joined with zero skills n came out of Bhavans with confidence and a strong foundation for my career. Thank you, Bhavans, for beautiful memories and great career. You are not less than my parents. I will be forever grateful to Bhavans

**Mr. Bhaskara Puranam**, Executive Director, National Institute of Urban Management, Municipal Administration and Urban Development Department, Govt. of Telangana

As an alumni, I wanted to express my deep gratitude for the invaluable experiences and education I received at Bhavans Vivekananda College, Sainikpuri. The dedicated faculty, vibrant campus life, and diverse opportunities have profoundly shaped my journey post my college life.

The skills acquired during my time at Bhavans Vivekananda College has helped me clear the State Civil Services in my first attempt to get into Government Services and continue to be instrumental in my personal and professional growth. I am proud to be a part of the Bhavans community and appreciate the foundation it provided for my success.

I wish the institution continued excellence and prosperity.

**MBA 2002 -2004**

**Mr. Amaan Raza**, Data Scientist, TELUS

A wise person once said: there are two things that determine your success: your upbringing and your education. Extremely privileged to be part of such an incredible institution (Bhavans) that focusses on holistic development that nurtures minds to soar beyond horizons. During my formative years at Bhavans I learned the following three golden principles:

Think BIG: Embrace audacious dreams

Start Small: Begin with humble steps

Fail Fast: Failure is your best Teacher

**B.Com (Regulars) 2002-2005**

**Mr. Kalyan Chandra Mamidanna**, Director, Software Engineering, OpenText Technologies

Bhavan Vivekananda College has been instrumental in my academic and personal growth. I received an excellent education and I learned so much from the brilliant professors who challenged me to think critically and creatively. I also enjoyed the diverse and stimulating learning environment, where I interacted with students and faculty from different backgrounds and disciplines. I gained valuable insights and experiences that prepared me for my future endeavors. I also made lifelong friends and connections that have enriched my personal and professional life. I am honored to be an alumnus of this institution, where the pursuit of knowledge is not just a journey but a lifelong commitment. The invaluable lessons learned continue to influence my personal and professional life. Thank you for providing an environment that empowers individuals to excel and contribute meaningfully to society.

**B.Sc (MECs) – 2000 to 2003**  
**M.Sc (Computer Science) – 2003 to 2005**

**Mr. Ayyappa Chakilam**, Managing Partner, Sree Sita Rama Book Publisher

Happy 30th Anniversary to our esteemed alma mater!

As we celebrate this milestone, I'm reminded of how our college played a pivotal role in shaping my career journey.

From the invaluable education I received, to the fabulous support of mentors and lecturers, every experience contributed to my growth and success.

Here's to the institution that laid the foundation for my career and continues to inspire excellence in all its alumni. Cheers to 30 years of excellence and countless more to come!

**MBA 2004-2006**

**M.Sc (Microbiology) 2006 - 2008**

**Dr. Prasad Ernala**, Bio-Safety Officer, R&D Sr. Scientist, (Bio-Process- Bio-Manufacturing) Verschuren Centre

As a proud member of our Bhavan's Vivekananda PG college alumni, I am writing to express my gratitude.

Having attended Bhavan's Vivekananda PG College, I was fortunate to be there and engage in a stimulating learning experience. Insights from the teachers guided me into the industry and my career journey. Every teacher in the Dept. of Microbiology left a lasting impression on me. It is with great appreciation that I reach out to you today.

As I embark on my professional journey, I am happy to guide those who are willing to follow my path. The wisdom and experience available from the experienced teachers are treasures that I am keen to tap into.

Allow me to share a brief update on my current status: I am actively working as a senior scientist in the field of fermentation technology development. The knowledge I gained during my time at Bhavan's College has equipped me well, and it made me ready to contribute meaningfully to any organization.

I look forward to continuing our conversation and building a lasting professional relationship. I would like to thank all my teachers for their generosity.

I wish continued success for the Department of Microbiology.

**M.Sc (Biochemistry) 2008 - 2010**

**Ms. Nikhila**, Associate Manager, Pfizer

I, graduated from Bhavan's Vivekananda college in 2010 with a Master of science (Biochemistry) degree. Currently, working with Pfizer as Associate manager.

Sharing my experience of 2 years. Life at Bhavan's was disciplined starting our day with prayer to having practical labs everyday. Lecturers were best in their respective fields. Interactive classes helped us to think logically. Knowledge ( theoretical & practical) gained and skills developed during labs gave the confidence to face the future. In parallel to academics we had presentations (oral & paper), events and development classes, all of which played a role in my overall development. I cherish every moment spent with my friends at Bhavans.

I am grateful to be part of Bhavan's. Best wishes for future.

**MBA 2009 -2011**

**Mr. Prakash Dangwal**, HR. Business Partner, Dupont

I prakash dangwal is full of joy and it brings me immense pride to see our institution reach this significant milestone of 30 years of success. It feels like just yesterday when I walked through the parking lot, sung our Prayer, which has so much depth and meaning in today's world narrative, but we thought that long ago.

Looking back on my time as a student, I recall countless memories that have shaped me into the person I am today. for all my lecturers who showed patience and lot of efforts to nurture us.

This institution instilled values that go beyond the realms of academia. emphasis on integrity, discipline has been instrumental in shaping my character. There is no back door for any exception here, rule remains same for everyone without discretion to none. The achievements and milestones attained by me and our graduates are a testament to the quality education at Bhavans.

As we celebrate 30 years of success, I take a moment to appreciate the dedicated faculty, staff, and administrators who has given countless sacrifices above and beyond their pay. Their commitment have made our college the best amongst equals.

Let us recognize this occasion as an opportunity to reflect on our own journeys.

Let us remain actively involved, giving back and supporting future generations of students, just as our college supported us during our formative years.

On this momentous occasion, I extend my heartfelt gratitude and congratulations to every member of the BVC community – past and present. Here's to three decades of triumph, growth, and transformation.

**Mr. K Vincent Joseph**, Product Owner at &P Global

The name "Bhavans Vivekananda College" always invokes a sense of reverence and value-driven education for me. My time here has been both enriching and challenging. As an alumnus, I would like to mention that the different courses offered by the college has allowed me to explore and choose my academic horizon. The dedication and expertise shown by the faculty here is truly commendable. Every lecturer has been instrumental in fostering a learning environment, and their passion for teaching is evident in their interactions with students. The curriculum is well-structured and provides a good balance between theoretical knowledge and practical application.

Overall, my experience at Bhavans has been positive, and I am grateful for the opportunities it has provided me which helped shape me who I am today. I believe that with continued efforts to address areas of improvement, the institution has the potential to further excel and empower its students.

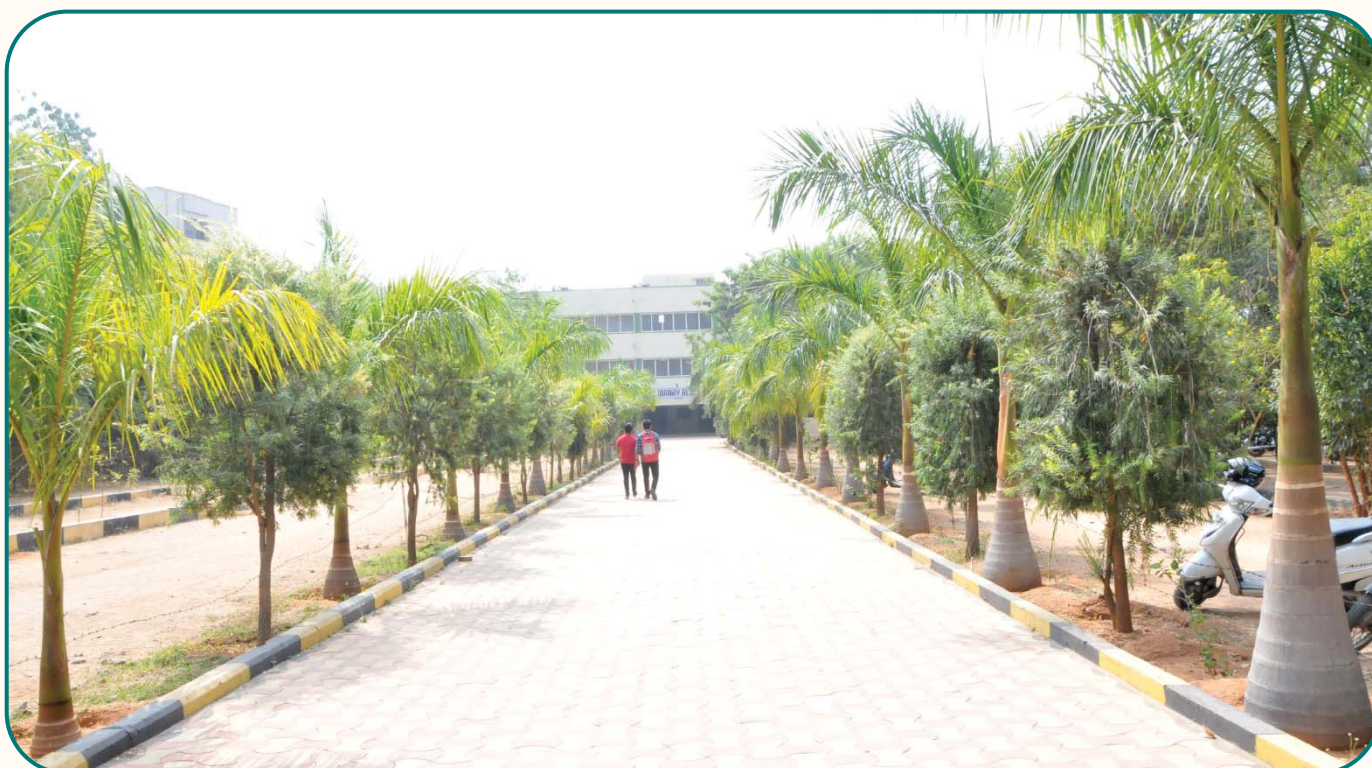

**BCA 2010- 2013**

**Dr. Swaathi Upender**, R & D Metrology Functional Design Engineer, ASML, Veldhoven

As I look back, I realize that I developed as an individual beyond just academics at BVC. Bhavan's gave me the room to make mistakes, to learn from them and grow. I am forever grateful for the support and encouragement that I received from my teachers and well wishers.

**B.Sc (MPCs) 2010- 2013**

**BBA 2011-2014**

**Mr Krishna Teja**, Sr. Manager - Key Accounts Management, Moglix

Well done! Graduating from Bhavans is an accomplishment which will set you up for the rest of your life. Choosing to attend such a very special college was a fantastic first step in a life of purpose, guided by the values the college encourages. It made a huge difference for me, one which has become more apparent in the ten years since I graduated. I wish I were as young as you are so that I can graduate again but it's impossible. So enjoy the college life and be responsible for all the things you do and it will surely reflect on your future.

One thing I wanna conclude is that enjoy the way you go and be careful.

Cheers !!!

**M.Sc (Microbiology) 2013 - 2015**

**Dr. Sangeetha Devi Kumar**, Project Research Scientist (Post doctoral)

Indian institute of science, Bangalore

The right kind of training and guidance during the formative years really shapes one's career. At Bhavan's, I had the most wonderful teachers whose lessons piqued my interest in science, particularly Biology. They provided me (and still do) with the perfect foundation I required to pursue my higher studies in science. 8 years later, I still go back to the lessons (both academic and non-academic) taught to me in college when I need to figure something out. Bhavan's Vivekananda college was and will remain my first step towards a passionate career in science. One's first step towards a successful journey is often taken at Bhavan's Vivekananda college!"

**M.Com 2014 -2016**

**Mr. G. Raju**, Assistant Manager, HDFC Bank

My journey at Bhavan's Vivekananda College as an M.Com student was an unforgettable experience. Initially apprehensive about studying in Hyderabad and adjusting to a new environment, especially, English as the medium of instruction instead of my native Telugu, my concerns were eased by the supportive faculty of the department and the skills acquired in the college, particularly in communication and finance, have been invaluable in my career, culminating in my current role as Assistant Manager at HDFC Bank. Reflecting on my time at BVC, it was not merely an educational institution but a transformative journey, instilling in me academic knowledge and life lessons, notably self-belief and the importance of seeking assistance when needed. The memories of those classrooms and inspirational figures continue to guide me in future.

**Mr. Harsh Radia**, Senior Operations Specialist, Randstad Source Right, Hyderabad.

Bhavans Vivekananda Degree College! The more I say about it the less it is. In an amazing locality of Sainikpuri Lies a place so close to my heart. A center of excellence and the epitome of personality development, with great faculty and infrastructure enabling the students to reach their goals. I am proud to call myself a Bhavanite!

**BA 2015 -2018**

**Ms. C. Sri Lakshmi Alekhya**, Digital Marketing Quality Specialist, Google

Top-notch education, disciplined, skilled faculty, great lab facilities, a wide variety of book collections, and many more... incredibly proud to be a part of this wonder.

**B.Sc (MBIC) 2016-2019**

**Mr. Batchu Srikanth**, Research Associate, Dr. REDDY'S BIOLOGICS

I have been fortunate enough to choose Bhartiya Vidya Bhavans Vivekananda College for studying both my bachelors and masters. One reason being that the college has very good reputation for its academic and rich cultural heritage. I'm proud to say that this institution emphasizes the importance of character building along with academic achievements of its students. How Bhavans college is different from others is by being practical in all the courses that are taught here.

Coming to Microbiology department, it has really helpful, skilled lecturers who are highly knowledgeable in their subject. They helped me throughout my academics in my M.Sc., by shaping my understanding of science, especially providing us with a lot of exposure in terms of taking us to different workshops, giving hands-on training on different techniques which imbibed in me a great practical knowledge of the subject. The amount of knowledge I gained throughout the course, helped me successfully complete my research project which was a part of my course curriculum.

**M.Sc (Microbiology) 2017 2019**

**BBA 2017-2020**

**Ms. Patricia M. Longwani**, Finance Professional, Climate Change Specialist.

Congratulations to my alma mater on reaching the remarkable milestone of 30 years! As an international student, my time at Bhavans Vivekananda College was transformative, shaping both my education and worldview. Here's to three decades of excellence in academia and community. Wishing continued success and growth to in the years to come!"

**BA (MPE) 2018-2021**

**Ms. Indulekha**, Currently pursuing: MBA at School of Management Studies, University of Hyderabad.

As Bhavans Vivekananda College has completed 30 years of its inception, I truly feel content and proud to have been an integral part of this institute and take pride in being its alumni. The college has shaped me as an individual, enlightened me as a student and gifted me a box full of fond memories to cherish throughout my life. I count myself fortunate to always have the blessings and constant support of my teachers. I wish to make the college proud and to contribute to its laurels and triumphs in future as well. The college, throughout its remarkable journey has achieved the set milestones and with its renowned faculty and ever learning students, continuous success is inevitable. Wishing the absolute best

**BBA 2017-2020 & MBA 2020 - 2022**

**Ms. Arya Nandan**, ADP as Senior Payroll Implementation Consultant

Bhavan's holds a special place in my heart, leaving an enduring mark. Every moment, both inside and outside the classroom, is a cherished memory. The nurturing staff and administrative team provided love, care, and guidance through every challenge. I am truly grateful, and proudly say, 'I am a part of Bhavan's'. It's here that I discovered and developed my hidden talents, preparing myself for the competitive world. Being part of this marvelous educational institution has been an incredible journey." To anyone joining this family, I would like you to embark on your journey, embrace the opportunities, challenges, and connections that await. Forge your path with passion, integrity, and curiosity. Remember, you carry the legacy forward, shaping the future with every step. Wishing you a fulfilling and transformative college experience. Go forth and conquer!"

**Ms. Ravali Gunda, Pursuing MBA in Business Analytics Woxsen University**

It is with immense gratitude and pride that I reflect on the invaluable foundation and opportunities provided by BVC. As we celebrate 30 glorious years of academic excellence and holistic development, I am deeply honored to be recognized as an outstanding alumnus of the inaugural batch of HBA. My journey from Bhavans Vivekananda College to pursuing an MBA in Business Analytics at Woxsen University and subsequently finding placement at SAP Labs India, Bangalore, has been shaped by the values, knowledge, and experiences instilled during my time at our esteemed institution. I extend my heartfelt congratulations to the faculty, staff, current students, and fellow alumni on this momentous occasion. May our institute continue to inspire and empower generations of students to achieve their aspirations and make meaningful contributions to society.

**B.Com (HBA) 2019 -2022**

**Mr. Sreeram Nithin, Business Analyst at Lognormal Analytics**

Bhavans College has been instrumental in shaping my personality and career trajectory since I embarked on my journey in 2020 as part of the inaugural batch pursuing a BSc Hons in Data Science. The college experience proved transformative, fostering holistic development and nurturing newfound confidence. Initially reserved, I blossomed into a confident communicator, eventually assuming the role of Public Relations head and orchestrating numerous college events. Additionally, I served as coordinator of the PSCIFE club, actively participating in competitions nationwide. Alongside my involvement in PSCIFE, I also held leadership positions and membership roles in multiple other clubs within the college community, enriching my collegiate experience and broadening my skill set. The supportive faculty played a pivotal role, offering guidance in academic pursuits such as research paper writing and article publication. This enriching journey culminated in the prestigious 'Navaratna' Award, bestowed upon nine outstanding students of the college who have excelled in various aspects during their undergraduate tenure. Engaging in these extracurricular activities not only built my confidence but also strengthened my resume, contributing significantly to my growth and development. Currently, I'm leveraging the comprehensive understanding of data science cultivated at Bhavans College in my role as a Business Analyst at LogNormal Analytics, where I apply the skills and knowledge acquired during my coursework to solve real-world data problems and drive business insights.

## Research Profile @ BVC

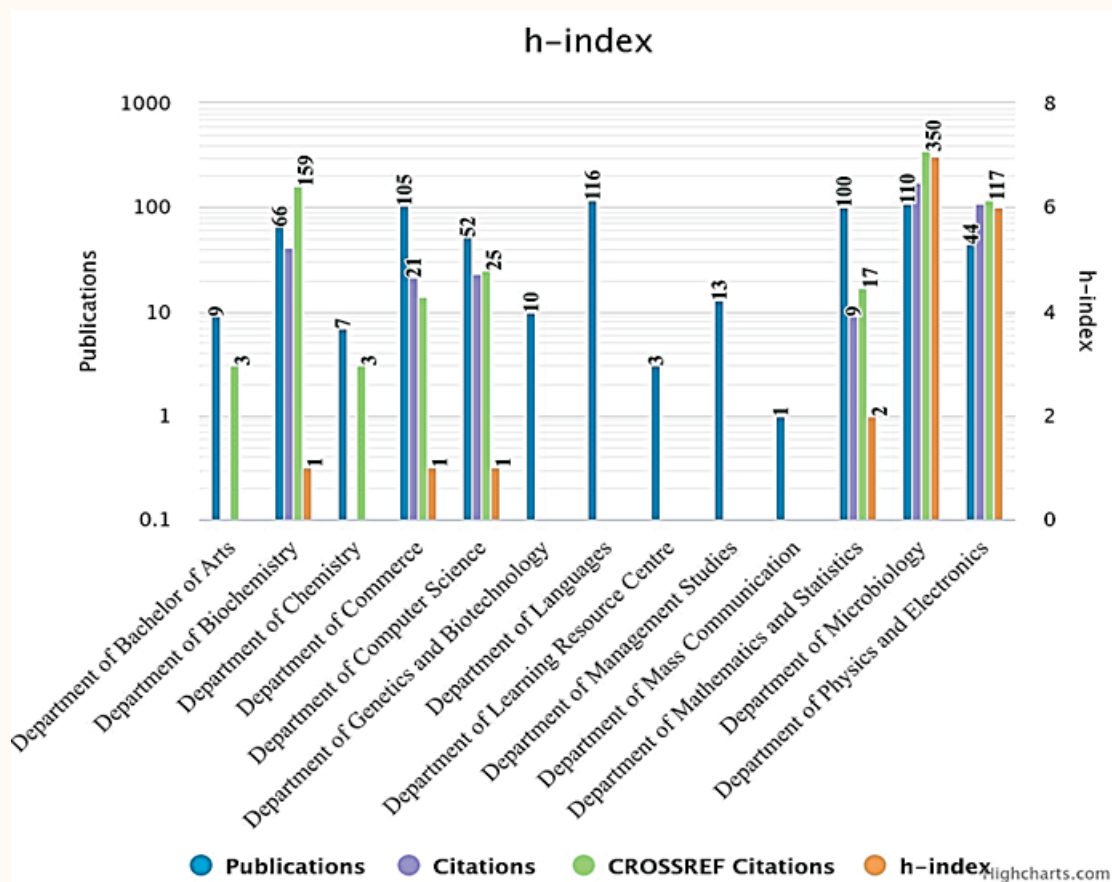

The commencement of research activities at the college began in the year 2000 through summer research projects, coinciding with the establishment of Postgraduate departments such as Computers, Microbiology, and Biochemistry. The development of a research culture and aptitude became the cornerstone for the holistic growth of both faculty and students. The Research, Consultancy and Extension Committee of the college was constituted in the year 2005. Each department embraced summer research projects as a means to cultivate a scientific mindset and foster innovation among students. The research conducted at the institution has not only facilitated participation in National and International conferences but has also led to the publication of research papers, and book chapters. The valuable research experience gained by students during their project tenure has proven instrumental in securing admission to esteemed institutes in India and abroad for further academic pursuits.

A total of 492 research publications and 210 books/ book chapters and 243 conference proceedings are published upto December 2023. Two research centres have been approved by Osmania university for the life science departments- the Department of Microbiology and Department of Biochemistry & Nutrition. 4PhDs have been awarded from the research centre of the Department of Microbiology. Four Ph.Ds awarded under the guideship of college faculty from JNTU and Rayalaseema University. Additionally, the college has been equipped with research facilities such as common instrumentation facility for life sciences departments, Nanomaterial synthesis lab, Poly house, Advanced Softwares, Commerce and Business lab, Data Science lab and Media Centre. The college has organized several national seminars, conferences, and symposia to foster the research inquisitiveness among both faculty and students. The college has 7 research supervisors recognized by various Universities for Ph.D programme and are offering their expertise and guidance.

Faculty members received research grants from various government agencies such as one DST Women Scientist award, two UGC major projects, two UGC research awards, 11 minor research projects and one UGC DAE ongoing project. The college has also supported the research inquisitiveness of the faculty by offering minor research projects. 20 minor research projects have been funded by the college till now. The life sciences and physical sciences departments of the college have been awarded with the prestigious DBT star college scheme in the year 2019 with a grant of Rs. 1 crore 23 lakhs for three years and got an extension for two years with a grant of Rs. 42 lakhs. The college has a well-defined policy for the promotion of research and provides seed grant for the research initiatives. The innovative mindset of faculty members resulted in the publication of 23 patents. The college has 35 MoUs, with scientific institutes and industries, under which various academic and research activities are being organised. As part of consultancy, the college organises outreach activities also.
