EVENT 1

BEHIND CLOSED DOORS

Secrets locked away, can you uncover them?

Think you have the brains to crack the case? Step into the role of a detective in this “Murder Mystery” challenge!

Solve ‘technical questions’ to earn crucial clues—only the sharpest minds will unravel the truth.

The killer is out there, and time is running out. Can you piece together the evidence before it’s too late?

Team size: 01

Venue: 2nd Floor, Lib block

Time: 10 AM onwards

RULES & GUIDELINES

1. Each participant plays individually.
No teams allowed.
2. Players must answer technical questions to receive a clue.
3. If you fail to answer a question, you won't receive that clue and must solve the mystery using only the clues you've obtained.
4. Using collected clues, players must determine the murderer within a time limit.

CONFIDENTIAL

POLICE LINE DO NOT CROSS

YOU ARE INVITED TO Risk it Right

How confident are you in your technical knowledge? Stake your points and prove it!

Think you know the right answer? Put everything on the line because the greater the risk, the bigger the reward.

Play it safe or go all in—the choice is yours.

Only the boldest tech minds will rise to the top! Adapt, strategize, and outsmart the competition. The ultimate test of knowledge and risk awaits!
