REPORT

The NSS unit of Bhavan's Vivekananda College, in collaboration with the Unnat Bharat Abhiyan (UBA) and Youth Red Cross (YRC) units, participated enthusiastically in a rally organized to commemorate the 150th birth anniversary of Sardar Vallabhbhai Patel, one of India's most respected national leaders. The event aimed to spread awareness about the values of unity, integrity, and national service that Patel strongly advocated throughout his life. Students and volunteers gathered early in the morning at the Safilguda Lake Park, where the rally was scheduled to commence. The atmosphere was filled with excitement as volunteers assembled with banners, placards, and slogans reflecting the remarkable contributions of Sardar Vallabhbhai Patel to the nation, especially his pivotal role in the integration of more than 500 princely states into the Indian Union. Faculty coordinators guided the students and

briefed them about the significance of the day, emphasizing the relevance of Patel's ideals in the present socio-political context.

The rally was formally flagged off from Safilguda Lake Park and proceeded toward the Malkajgiri Police Station. Throughout the route, students walked in disciplined lines, raising slogans that celebrated the life and legacy of Sardar Patel. The rally successfully captured public attention, inspiring many passersby to pause and reflect on the message of national unity. NSS, UBA, and YRC volunteers showcased a strong spirit of teamwork and responsibility by ensuring that the rally proceeded smoothly without disturbing traffic or pedestrians. Their meaningful participation highlighted the commitment of Bhavan's Vivekananda College toward promoting civic consciousness and societal values among the youth. As the rally approached the Malkajgiri Police Station, the group maintained the same energy and enthusiasm, symbolizing their respect for the occasion.

After the completion of the rally, all participants were taken to a designated venue where an interactive gathering was organized. At this session, the volunteers assembled under the guidance of program officers and faculty members. The highlight of the event was the presence of the Chief Guest, Shri Etala Rajendar, Hon'ble Member of the Lok Sabha. He addressed the students with an inspiring and thought-provoking speech. In his message, he stressed the importance of Sardar Vallabhbhai Patel's vision in shaping modern India and reminded the youth about their responsibility in preserving national unity. He appreciated the efforts of the NSS, UBA, and YRC units for their dedicated involvement in socially relevant activities and encouraged the volunteers to continue participating in such initiatives that contribute to the welfare of society. The Chief Guest also spoke about the significance of discipline, patriotism, and service—qualities embodied by Patel—which the younger generation must adopt to become responsible citizens.

The event concluded with a strong sense of patriotism. After the speeches and interaction, all volunteers and guests stood in unison for the National Anthem, marking a respectful end to the program. The rally and subsequent address offered students a meaningful opportunity to reflect on the values of national integrity and to understand the relevance of Sardar Patel's contributions in today's world. The entire experience served as a reminder of the power of collective action and the role of youth in promoting unity and social responsibility. The NSS unit, along with UBA and YRC, expressed gratitude to the college management and coordinators for providing them with this enriching experience. The day ended on a fulfilling note, strengthening the commitment of the volunteers to uphold the ideals of service, unity, and discipline in their future endeavors.

REPORT ON THE EVENT

On the occasion of “HYDERABAD LIBERATION DAY” that took place on 17th September, 2025, we, the NSS volunteers, visited Rashtrapati Nilayam. The esteemed guests who graced the occasion at Rashtrapati Nilayam were “Dr. Indira (Professor of History at Osmania University), Dr. Suddala Ashok (A poet and lyricist in Telugu Language), Dr. Ayinampudi Srilakshmi (Announcer at All India Radio, Hyderabad), and Shri. Gudur Narayan Reddy (Producer of Razakar movie).

The event started with Rapid fire, where all the children over there were asked a few MCQs related to “How Hyderabad got independence from Nizam ruling and how Telangana got its identity” in middle, they asked someone to sing a song. Hence, a girl sang a song named “Achyutham keshavam”, and three kids from a school sang “Ekadanthaya Vakrathundaya”. After these wonderful songs, the

Rapid fire began again. The one who gave the right answer was given a key chain.

After the event, Rapid fire, we had a slide show regarding the events that were conducted at Rashtrapati Nilayam. The events that were conducted there were social events, awareness programs, commemorative days, cultural events (Ugadi, Bathukamma, etc.), and important events (National Unity Day, National Constitutional Day, National Youth Day, National Science Day, Kavi Sammelan, World Heritage Day, etc.). Now, Dr. K. Rajini Priya, Assistant Manager at Rashtrapati Nilayam, gave a wonderful speech.

After the speech, we again had a slide show on why exactly the event “Hyderabad Liberation Day” is celebrated. Now we also had a fantastic skit performance by the students belonging to Mahila Degree College and a group song “Hey Bharatha Desham”.

Now we had the highlights of the movie “RAZAKAR” shown on the screen. Here started a “Panel discussion” with a group of guests who arrived. After the Panel discussion, we all had a group photo. After the group photo, we visited the highlight places in RASTRAPATHI NILAYAM like kitchen tunnel, main building and knowledge gallery.

REPORT

Our **NSS volunteers** actively interacted with shopkeepers from different retail and general stores in the locality. They asked questions related to: The extent of plastic usage in daily business. Customer response when plastic covers are not provided. Their willingness to support government bans on plastic usage. Possible alternatives to plastics in their shops.

Volunteer & Shopkeeper Interactions

Volunteer **Vardini** interviewed **Mr. Ashok**, who runs a small retail store.

Questions & Responses:

On daily plastic usage: Mr. Ashok mentioned that he uses a considerable number of plastic covers daily as customers often demand them.

On customer reaction without plastic: He felt customers initially resist but some do bring their own cloth bags.

On plastic ban: He expressed his support for a government ban provided affordable alternatives are available.

Volunteer **Snigdha** interviewed **Mr. Sai Kishore**, owner of a general store.

Questions & Responses:

Daily plastic usage: He highlighted the heavy dependency on plastic for packaging groceries and small items.

Customer behaviour: Many customers expect plastic covers as a basic service, but a few carry reusable bags.

Plastic ban: He welcomed the idea of a ban and said he would cooperate if everyone followed the same rule.

Volunteer **Sindhu** interviewed **Mr. Venu**, who manages a Swagruha chain outlet.

Questions & Responses:

Daily plastic usage: As a food-based store, he admitted using plastics regularly for packaging, though efforts are being made to introduce eco-friendly options.

Customer response: Customers are slowly adapting to paper and cloth packaging.

Plastic ban: He strongly supported the initiative and felt large chains can lead the change by adopting sustainable alternatives.

Volunteer **Deekshitha** interviewed **Mr. Seenu**, another retail store owner.

Questions & Responses:

Daily plastic usage: He acknowledged high usage but was aware of the negative environmental impact.

Customer response: Most customers still prefer plastic for convenience, but awareness is gradually improving.

Plastic ban: He assured that he would support the government's decision if alternatives are provided at reasonable prices.

The survey reflected a positive response from the shopkeepers, who acknowledged both the necessity of plastics in daily business and the importance of moving towards sustainable options. Most of them expressed willingness to support a government ban on plastics if proper alternatives were available.

This survey not only helped spread awareness among the shopkeepers but also gave our NSS volunteers practical insights into public perspectives on environmental issues. It emphasized the importance of collective responsibility, behavioral change, and policy enforcement in reducing plastic usage and protecting the environment.

The activity successfully met its purpose of awareness creation and highlighted the readiness of the community to embrace eco-friendly practices.
