PSCIFE – Physical Sciences Club for Information Fun and Education

PSCIFE got a logo for itself as an identity this year, which delivers in colors, shapes and meaning to live up to its expectations.

Pscife Activities:

PSCIFE this year had lot of additions. Its growth as a club and the amount of activities it has to its name is immense.

The PSCIFE aimed to conduct more competitions in the year 2017-18 as compared to the year before. Various activities were conducted like Science Crossword, Word Building, Brain teaser, Learn and share and Connectivity.

ACTIVITIES 2017-18:

Valedictory

The year 2017-18 for PSCIFE ended on a beautifully high note, the whole event colored with the shades of red and black and memories spelled out through photographs. An occasion to summarize the joyful times and events spent through the physical sciences club. A formal report was presented by the club coordinator and anchoring head Sweety Singh of MSCS 3b and the annual report was presented by the coordinator M.Akhila , songs were sung to brighten up the moment. The Principal Prof. Y Ashok sir, Vice Principal Mrs Niraimathi ma'am and HOD mathematics Dr. K. Vasudev Rao sir expressed their views and applauded the journey of our club- PSCIFE, and then prizes were distributed. The function came to an end with refreshments being served and smiles being spread.

A Visit to Spoorthi Foundation

On behalf of Seva Vibhag , The PSCIFE members went to Spoorthi Foundation (Orphanage) –Dundigal, around 25km from college. We interacted with the children around the campus and provided arrangements for lunch. Then we divided ourselves into various groups and conducted events and seminars till evening. The beautiful day came to an end with the distribution of gifts and chocolates to all the children.

Learn and Share:

The next event of PSCIFE was an interactive session between the seniors and the junior called "Learn and Share". Here, the seniors selected a subject and taught and shared their knowledge on the subject for the benefit of the juniors. The focus was not just on the subject matter but also on the applications of the subject in the real world. This is an annual event where the seniors meet the juniors in a classroom and give a small lecture or seminar of sorts.

This was conducted on the 17 of January. Akhila and Sweety of MSCs 3B, Nidhi Kumari and Meghana of MPCs 3 and Pallavi and Hema shared their knowledge with the first years.

Test Your Friendship Bond:

On the 6 of January 2018, PSCIFE club conducted its next exciting and amusing event called "**Test Your Friendship Bond**" consisting of five rounds. This event focused on testing the bond between two friends. They were asked to team up in a twos. Each round focused on how two best friends were in sync with each other. And the last round was for them to speak about their friend for a minute without a pause.

The runners were Sonam of MPCs 2B and Pratibha of MSCs 2B and the winners were Neelam and Komal from MPCs 2B.

Run till the Last Second:

On the 11 of December 2018 PSCIFE club conducted its next exciting event named "Run till the Last Second" consisting of two rounds. This event focussed on combining the brains needed to solve riddles and the co-ordination required to run with three legs. That's right, this is a team event. The teams were required to be a pair. The first round was a three legged race, where all the teams had to run to the "finish line" where their goal awaited... packed neatly in a balloon. The participants had to pluck the balloon off a rope, blast it with their feet and then crack the riddle inside. The quicker they cracked the riddles, the higher their chances of progressing to the second round. A total of 25 teams participated out of which 6 teams moved on to the second round. The second round was a blind folded race where one partner guided the other blind folded partner to pick up a number of objects.

The winners were chosen based on the time they took to complete this round. The runner up team was Nidhi and Shilpa of MPCs 3rd year and the winner were Aman and Neeraj from MECs IB.

The Logo Quiz:

The PSCIFE club of Bhavan's Vivekananda College organised an event called "The Logo Quiz" on 18 November 2017. Around 20 teams participated from which 10 qualified for the second round out of which 2 top teams would be selected. Throughout the competition there was a feel of enthusiasm and excitement among the participants.
