

Activities 2022-23

PSCIFE Club

Scientist Tales was conducted on 20th September in Room Number 34, IT Block from 3:30 p.m. onwards. The participants had three minutes to talk about any favorite scientist of their choice highlighting their achievements, contributions, or a specific incident.

The judges for the event were Mrs. Lavanya and Mrs. Manjula, Department of Physics. Mr. Selva Kumar sir was also present to oversee the proceedings of the event. The event was hosted by Sriram Nithin of B.Sc (HDS) III Year.

The participants enthusiastically participated and told engrossing tales of scientists that either inspired or fascinated them. The contestants chose to tell stories of scientists like Dr. APJ Abdul Kalam, Nambi Narayanan, and C.V. Raman, among many others.

All participants put forward their tales in an engaging manner and successfully communicated the greatness of scientists. The event ended at around 4:40 p.m., after which the judges expressed their opinion on the event and how they were satisfied with the enthusiasm on display. The event concluded with the PSCIFE coordinator thanking the judges, teachers, and students for joining. The student left with an assurance that results would be announced soon.

Report on Debate Competition 2022

A debate competition was conducted on 8th June 2022, which was open for all streams. Overall 12 teams (4 Students per team) participated. Participants from different courses actively took part in the competition which was held in Room No. 33A of IT Block, from 2:30 p.m. onwards.

The debate had two topics which were, 'Impact of COVID-19 on education sector' and 'Humanity should fear advances in Artificial Intelligence'. The participants were randomly divided into two teams and seated opposite to each other.

Team 1 was to speak for the topics and Team 2 against the topics. The first topic given was 'Humanity should fear advances in Artificial Intelligence' and the opening statement was delivered by Team 1. The debate went on in smooth and diplomatic manner till the topic was shifted. The second topic, 'Impact of COVID-19 on the education sector' was initiated by Team 2, which spoke against it. As the debate went along, the Teams were asked to switch sides, ensuring that Team 1 spoke against and Team 2 spoke for.

As the debate came to an end, both teams delivered proper conclusions to the topic, summing up their points accordingly. The entire debate lasted for 50 minutes and the participants were asked to leave after a group photo.

The winners were decided to be, AdityaChoudary, B.Sc HDS - I from Team 2 and Alekhya, B.Sc MGC - I from Team 1.
