PROPOSAL FOR THE COMMENCEMENT OF A NEW COURSE

B.Com (Finance)

from the Academic Year 2025–26

1. Profile of the Department

Growth

The Department of Commerce commenced in 1993 with one section of B.Com (Regular) consisting of 43 students. The department subsequently expanded its undergraduate offerings to include B.Com (Regular), B.Com (Computer Applications) and B.Com (Honours) and B Com (Honours Business Analytics). The earlier departmental profile recorded three B.Com (Regular) sections, two B.Com (Computers) sections and two B.Com (Honours) sections, with approximately 1171 students, representing about 45% of the college's undergraduate strength. The proposed B.Com (Finance) programme is a further step towards specialised commerce education.

Academic Results

The department has a strong tradition of academic achievement. The original departmental record reported pass results of around 90%, three university gold medals and five top ranks in Osmania University. This established academic base provides a foundation for a programme focused on finance.

Placements

Commerce students have secured placements in organisations such as EY, Deloitte, KPMG, State Street, FactSet, Franklin Templeton, Oaktree, Uber and Amazon. The earlier profile indicated that commerce students accounted for around 45% of the college's total placements. Finance specialization can strengthen their preparation for opportunities in banking, financial services, investment operations and corporate finance.

Faculty Strength

The department has an experienced faculty drawn from accounting, finance, economics, management and allied commerce subjects. In its earlier record, the department consists of 27 members, including faculty with doctoral, M.Phil. and NET/SET qualifications. Their teaching experience, supported by finance-specific training and industry interaction, can contribute to the successful introduction of the proposed programme.

2. Need for the New Programme: B.Com (Finance)

The Bachelor of Commerce (B.Com) in Finance is a specialized undergraduate program that provides students with comprehensive knowledge and skills in the field of finance. This Program focuses on developing a deep understanding of financial concepts, practices, and strategies, preparing students for a wide range of rewarding career opportunities in the finance sector.

The B.Com Finance program covers various aspects of finance, including financial management, investment analysis, risk management, financial markets, corporate finance, and financial planning. Students gain a solid foundation in core business subjects such as accounting, economics, statistics, and business law, while also delving into specialized finance courses that explore the intricacies of the financial world.

One of the key areas of focus in the B.Com Finance program is financial analysis. Students learn how to analyze financial statements, evaluate the financial health of organizations, and interpret financial data to make informed decisions. They develop strong analytical and critical-thinking skills that enable them to assess investment opportunities, identify potential risks, and develop effective financial strategies.

The program also equips students with the knowledge and skills to navigate the complexities of financial markets. They learn about various financial instruments, such as stocks, bonds, derivatives, and commodities, and understand how these markets operate. Students gain insights into factors influencing market trends and learn to analyze market data to make sound investment decisions.

Risk management is one of the crucialaspect covered in B.Com Finance program. Students learn about different types of risks, including financial, market, credit, and operational risks, and develop strategies to mitigate and manage these risks. They gain an understanding of risk assessment techniques, hedging strategies, and insurance principles.

Corporate finance is another significant area covered in the program. Students learn about capital budgeting, capital structure, dividend policies, and financial planning within organizations. They acquire the knowledge and skills to evaluate investment projects, make financing decisions, and manage the financial resources of companies effectively.

The B.Com Finance program also emphasizes financial planning and wealth management. Students learn about personal finance, retirement planning, tax planning, and investment strategies to help individuals and families achieve their financial goals. They develop skills to provide sound financial advice and develop customized financial plans for clients.

Graduates will be able to:

- To demonstrate knowledge and understanding of Accounting and Finance theories, concepts, values, principles and practices.
- They can pursue roles such as financial analyst, investment analyst, risk manager, financial planner, portfolio manager, banking professional, corporate finance executive, or consultant in finance-related fields.
- Graduates are equipped with the necessary skills to work in various sectors, including banking, financial services, consulting firms, corporate finance departments, investment firms, and government agencies.
- Graduates can pursue advanced degrees such as Master of Business Administration (MBA) or Master of Finance (MFin) to enhance their knowledge and career prospects.

- They can also pursue certifications such as Chartered Financial Analyst (CFA), Financial Risk Manager (FRM), or Certified Financial Planner (CFP) to further specialize and demonstrate their expertise in specific areas of finance.
- To demonstrate self-management skills, including an ability to reflect on their own learning, make effective use of feedback ,and a willingness to work collaboratively;

To engage with their own personal and professional development

3. Objectives of the Programme

The main purpose of the B. Com Finance degree program is to provide students with a comprehensive understanding of finance, Accounting and other required subjects, develop their analytical and problem-solving skill and equip them with the necessary knowledge and competencies for a successful career in finance. Here are the main educational aims of the program:

- Knowledge Acquisition: The program aims to provide students with a solid foundation of knowledge in finance, including financial concepts, theories, and principles. Students will gain a comprehensive understanding of financial markets, instruments, institutions, and the regulatory framework in which they operate. They will also acquire knowledge of accounting principles and practices to analyze financial statements and assess the financial health of organizations.
- Analytical and Problem-Solving Skills: The program aims to develop students' quantitative and analytical skills to analyze financial data, evaluate investment opportunities, and make informed financial decisions. Students will learn to apply financial models, tools, and techniques to forecast financial trends, assess risks, and develop financial strategies. They will also develop critical thinking and problem-solving skills to address complex financial challenges.
- Ethical and Professional Awareness: The program aims to foster ethical and professional behavior in the finance industry. Students will gain an understanding of ethical principles and the legal and ethical responsibilities associated with financial practices. They will be encouraged to adhere to professional standards and industry regulations, promoting integrity and ethical decision-making in finance.
- Technological Proficiency: The program aims to equip students with the necessary technological skills and proficiency in financial software and tools. Students will learn to utilize technology for financial analysis, data interpretation, financial modeling, and reporting. This prepares them to adapt to the evolving technological landscape in the finance industry.
- Communication and Collaboration: The program aims to develop students' communication skills to effectively convey financial information, analysis, and recommendations to diverse audiences. Students will also develop collaboration and teamwork skills, enabling them to work effectively in team environments and contribute to group projects.
- Professional Development and Lifelong Learning: The program aims to instill a mindset of continuous learning and professional development. Students will be encouraged to stay updated on industry trends, advancements, and emerging practices. They will develop the ability to adapt to changes in the finance field and acquire the skills necessary for lifelong learning and career advancement.

By focusing on these educational aims, the BCom Finance program seeks to provide students with a well-rounded education that prepares them for the challenges and opportunities in the finance industry.

4. Desired Programme Outcomes

Intended programme outcomes for each of the categories is as follows:

Knowledge and Understanding:

Po1: Demonstrate a comprehensive understanding of financial theories, concepts, and principles, including financial markets, instruments, and institutions.

Po2: Apply knowledge of accounting principles and practices to analyze and interpret financial statements and assess the financial health of organizations.

Po3: Understand the regulatory framework and ethical considerations that govern financial practices, demonstrating knowledge of legal and ethical responsibilities in the finance industry.

Subject-SpecificSkills:

Po4: Apply quantitative skills to analyze financial data, perform financial calculations, and make informed financial decisions.

Po5: Utilize financial modeling techniques and tools to evaluate investment opportunities, assess risk, and develop financial strategies.

Po6: Demonstrate proficiency in using financial software and technology to analyze financial information, create financial reports, and conduct financial simulations.

Cognitive(thinking)Skills:

Po7: Apply critical thinking and problem-solving skills to analyze complex financial situations, identify issues, and develop effective solutions.

Po8: Evaluate financial information from multiple perspectives, considering relevant factors and making informed judgments and decisions.

Po9: Demonstrate creativity and innovation in financial analysis, developing new approaches to financial problem-solving and decision-making.

KeySkills:

Po10: Communicate financial information and analysis effectively through written reports, presentations, and other forms of communication.

Po11: Collaborate effectively in team settings, demonstrating teamwork and interpersonal skills to achieve common financial goals.

Po12: Develop and enhance time management, organization, and planning skills to meet deadlines, prioritize tasks, and manage financial projects effectively.

Po13: Demonstrate proficiency in utilizing technology and financial software tools to gather, analyze, and present financial data and information accurately and efficiently.

5. Programme Duration

The proposed programme will be of three years' duration, spread over six semesters, subject to the regulations of Osmania University. Each semester will include prescribed commerce papers along with appropriate finance-focused study.

6. Eligibility Criteria and Admission

Applicants are required to have completed their 10+2 or equivalent examination from a recognized board from a recognized board or institution. Students other than Telangana Intermediate Board should bring migration certificate. Further the admissions are subject to the rules prescribed by the University.

7. Proposed Syllabus

The detailed syllabus will be framed in accordance with the applicable undergraduate curriculum framework and the requirements of Osmania University, with inputs from faculty members and finance-industry professionals, and placed before the appropriate academic bodies for approval.

8. Programme Requirements

Faculty and Academic Support

The department may commence the first year with its existing qualified faculty, supported by faculty development programmes in corporate finance, investments, banking practices and spreadsheet-based financial analysis. As the programme progresses, specialist faculty and visiting resource persons from banks, financial institutions, industry and professional bodies may be engaged as needed, in accordance with college policy.

Infrastructure and Learning Resources

The programme will require access to a well-equipped computer laboratory, classroom projection facilities, reliable internet, spreadsheet software, relevant finance learning applications, academic books, e-resources and financial-market information.

9. Proposed Fee Structure

For the purpose of preparing an initial financial estimate, a fee of ₹70,000 per student per annum and an intake of 60 students per academic year.

10. Expected Revenue

The following projection assumes a fresh intake of 60 students every year, full continuation of each admitted batch, and the same annual fee throughout the three-year period.

Academic year	Students on rolls	Fee per student / year	Estimated revenue
2025–26	60	₹65,000	₹39,00,000
2026–27	120	₹70,000	₹84,00,000
2027–28	180	₹70,000	₹1,26,00,000
Total			**₹2,49,00,000**

11. Job Opportunities and Career Prospects

B.Com Finance graduates often find employment in the following areas/fields:

1. Financial Analysis: Graduates can pursue careers as financial analysts, where they analyze financial data, evaluate investment opportunities, conduct risk assessments, and provide recommendations to clients or organizations.
2. Investment Banking: B.Com Finance graduates can work in investment banking firms, assisting with mergers and acquisitions, initial public offerings (IPOs), corporate finance, and capital market transactions.
3. Portfolio Management: Graduates can pursue careers as portfolio managers, where they manage investment portfolios, analyze market trends, and make investment decisions on behalf of clients or institutions.

4. Risk Management: B.Com Finance graduates can work in risk management roles in banks, financial institutions, or insurance companies, assessing and mitigating financial risks and ensuring compliance with regulations.
5. Corporate Finance: Graduates can work in corporate finance departments of companies, assisting with financial planning, budgeting, financial analysis, and decision-making related to investments and capital structure.
6. Financial Planning and Wealth Management: B.Com Finance graduates can work as financial planners or wealth managers, helping individuals and families with financial goal setting, investment strategies, retirement planning, and wealth preservation.
7. Banking and Financial Services: Graduates can explore opportunities in commercial banking, retail banking, asset management, insurance, credit analysis, and other financial services sectors.
8. Consulting: B.Com Finance graduates can work as financial consultants, providing expertise and advisory services to businesses on financial strategies, risk management, and improving financial performance.
9. Financial Technology (Fintech): With the rise of digital finance, graduates can explore careers in fintech companies, working on innovations in areas such as payment systems, digital banking, cryptocurrency, and financial analytics.
10. Regulatory and Compliance: Graduates can work in regulatory bodies or compliance departments of financial institutions, ensuring adherence to financial regulations and industry standards.
11. Stock Market and Securities: B.Com Finance graduates can work as stockbrokers, investment advisors, or research analysts in the stock market, helping clients make informed investment decisions.
12. Insurance and Risk Assessment: Graduates can pursue careers in insurance companies, assessing risks, underwriting policies, and managing claims.
13. Teaching and Academia: Some B.Com Finance graduates choose to pursue higher education, such as a Master's degree or a Ph.D., and enter the field of academia as professors or researchers in finance-related subjects.

    It's important for B.Com Finance graduates to continuously update their knowledge and skills in line with industry trends, as the finance sector is dynamic and subject to regulatory changes. Obtaining relevant certifications such as Chartered Financial Analyst (CFA), Financial Risk Manager (FRM), or Certified Financial Planner (CFP) can also enhance employability and career prospects in the field of finance.

8. Presentation and Approval of Question paper pattern for practical courses.
9. Presentation and approval of examination panel for UG and PG.
10. Any other relevant discussion with the approval of the Board.

Mrs. LV. Kamala Devi, Head, Department of Commerce, greeted the members present in the meeting and took up the agenda items for briefing. She said that Bhavan's had four different programmes already existing and as per TSCHE's initiation, Bhavan's would like the approval of the new programme- B.Com Honours- Finance from the Board.

Agenda item 1: Presentation and Approval of new UG programme B. Com Honours- Finance (additional section) as per the proposal of parent University.

Resolutions: It was resolved to approve the new programme B.Com Finance with the suggestions of members as follows:

Prof. D. Chennapa suggested to go ahead with the introduction of new programme B.Com Finance instead of B.Com Honours- Finance ,as the council has approved only three years programme. B.Com Honours Finance cannot be introduced as a three years programme as Honours programme should consist of four years. It was resolved to go ahead with B.Com Finance as a new program.

Agenda item 2: Presentation and Approval of structure and syllabus of B. Com Honours – Finance

Resolutions: It was resolved to approve the structure and syllabus of new programme B.Com Finance with the following suggestions:

i) Dr. Narender suggested to assign a group project on analysis of financial statements of companies in Unit- II of FSA course. Data can be taken from CMIE prowess. It was also suggested that subscription for CMIE prowess should be taken up by the college.

ii) To include DCF model in Unit-IV for the course Security Analysis when share valuation is taught.

iii) To offer the course Personal Financial Planning or Wealth Management instead of Behavioural Finance as it shall be too difficult for the UG level students to comprehend the course. It was also suggested that the faculty can go through the syllabus of the above courses and finalise the best course in place of Behavioural Finance.

iv) To include the books authored by Prasanna Chandra, Bodie & Kane for Wealth management and Investment Management for reference.

* Extract of 11th Academic Council Meeting Minutes held on 01/05/2024. - B.com [Finance]

*iv) **Proposal to include Value added courses (VAC) in marks memo***

i. As Non-Credit courses
ii. Two Course mandatory in three years
iii. To consider NCC/NSS/BSG/YRC/UBA/Yoga as one course

***Resolution:** The college may prepare detailed guidelines for the VAC and circulate to Academic Council members for consideration.*

*v) The members were informed that the process of registration for **Academic Bank of Credits (ABC)** has been initiated.*

Resolution: Noted

*vi) **Introduction of BFSI for UG students***

***Resolution:** BFSI will be offered as a Value added course for UG students of I, II, III years.*

*vii) **Suggested to implement B.Com (Finance) 3 year UG program or B.Com Honors (Finance) 4 year UG program.***

***Resolution :** To implement B.Com (Finance) 3 year UG program from the academic year 2024-25 subject to all approvals from parent university.*

The following suggestions were given by external members:

1. *Prof PSN Reddy recommended that all semester-end question papers should be sent for quality assessment to an external subject expert. The findings of this assessment should be presented in the next meeting of the Academic Council.*
2. *Prof P S N Reddy suggested that the academic recommendations made by the NAAC Peer Team Committee in its report during the latest accreditation visit and the action initiated on them may be presented in the next meeting of the Academic Council for discussion.*
3. *Prof Gopal Reddy suggested the introduction of 'Awareness on Nature and Society' as an add-on course, possibly by the Department of Psychology.*

The Meeting ended with a vote of thanks by the Member Secretary.

22/5/24

Dr.GSVK Choudary
Principal &Chairman,
Academic Council, BVC

x Extract of 54th Governing Body meeting minutes held on 18th May 2024.

- Members are informed about the initiation of process of registration for Academic Bank of Credits (ABC).

- Proposal to rename Faculty of Arts with subjects Economics, Political Science, Mass Communication, Psychology, as Faculty of Social Sciences **The proposal has been deferred.**

- **Proposal to include Value added courses (VAC) in marks memo**
  i. As Non-Credit courses
  ii. Two Course mandatory in three years
  iii. To consider NCC/NSS/BSG/YRC/UBA/Yoga as one course

  Members suggested to the Principal to prepare detailed guidelines for the VAC and circulate to members for consideration.

- Introduction of Banking Financial Services and Insurance (BFSI) for UG students - BFSI will be offered as a Value added course for UG students of I, II, III years. **GB members approved the same.**

- Members approved implementation of B.Com (Finance) 3 year UG program with same syllabus as provided by TSCHE.

17. **Conclusion:**

The Principal thanked all the members for their active participation and suggestions. Principal also informed that the next GB Meeting will be scheduled in October/November 2024.As there were no further points, the meeting came to an end at 12.30 AM.

6. Presentation and Approval of examination pattern for all practical courses.
7. Presentation and Approval of Question paper pattern for practical courses.
8. Presentation and approval of examination panel for UG and PG.
9. Any other relevant discussion with the approval of the Board

Mrs. LV. Kamala Devi, Head, Department of Commerce, greeted the members present in the meeting and took up the agenda items for briefing. She said that Bhavan's had four different programmes already existing and as per TSCHE's initiation, Bhavan's would like to introduce B Com Finance Program in the Academic Year 2025-2026 for which the approval has already been granted.

Agenda item 1: Approval of structure for B. Com Finance of 2025-2028 batch and syllabus of first year of B. Com Finance for Academic year 2025-2026.

Resolutions: It was resolved to approve the structure for B. Com Finance of 2025-2028 batch and syllabus of first year of B. Com Finance for Academic year 2025-2026 with the implementation of the following:

i) Proposal to have a MOU with National Stock Exchange for simulation Software to learn Virtual trading with three days old data and Knowledge hub for NSE Certified Courses was approved.

ii) Behavioural Finance Course to be replaced with Business Valuation Course in Semester V.

iii) Motivate students for OCAC (Out of the Class Academic Curriculum), so that they will be able to meet the industry requirements.

iv) Methodology of teaching Financial Accounting-I should have application orientation by way of making students to create their own imaginary sole proprietorship and record journal, prepare ledger, Trial Balance and Financial Statements, so that they will understand the applicability and usage of accounting in a better way. This work done by the students should be monitored and evaluated by assigning marks for the submission of hard copies.

v) In Financial Accounting II course, it was decided to replace Unit- IV and Unit V which consist of Partnership Insolvency and Contemporary issues of Accounting with Computerized Accounting to be taught in Tally. Insolvency to be taught in Unit III itself. The practical application should be included in syllabus and the number of hours should theory and practical's. Examination pattern also to be changed accordingly taking only three units for theory exam and tally to be taken as practical's

U.G. Programmes : UG Admissions are done on the basis of merit at the qualifying exam

Ph.D - Programmes

1) Ph.D - Microbiology

2) Ph.D - Biochemisty

PG Programmes

S No.	Name of the Programme	Sections	Strength per section
1	M.Sc Computer Science	1	40
2	M.Sc Microbiology	1	30
3	M.Sc Biocheimistry	1	30
4	M.Com	1	40
5	MBA	2	60

UG Programmes

1) COMPUTER SCIENCES

S No.	Name of the Programme	Sections	Strength per section
1	B.Sc - Mathematics, Physics & Computer Science (M.P.Cs)	2	50
2	B.Sc - Mathematics, Statistics & Computer Science (M.S.Cs)	2	50
3	B.Sc - Mathematics, Electronics & Computer Science (M.E.Cs)	2	50
4	B.Sc - (Honours - Data Science)	1	50
5	BCA - Bachelor of Computer Applications	2	50

2) LIFE SCIENCES

S No.	Name of the Programme	Sections	Strength per section
6	B.Sc - Biotechnology, Genetics, Chemistry (Bt.G.C)	1	50
7	B.Sc - Microbiology, Biotechnology, Chemistry(Mb.Bt.C)	1	50
8	B.Sc - Microbiology, Genetics, Chemistry (M.G.C)	1	50
9	B.Sc - Biochemistry, Nutrition & Dietetics, Chemistry (Bi.ND.C)	1	50

3) COMMERCE

S No.	Name of the Programme	Sections	Strength per section
10	B.Com (Computer Applications)	3	60
11	B.Com (General)	1	60
12	B.Com (Honours)	2	60
13	B.Com (Honours-Business)	2	60
14	B.Com (Finance)	1	60

4) ARTS

S No.	Name of the Programme	Sections	Strength per section
15	B.A (Mass Communication, Political Science, Economics)	1	60
16	B.A (Mass Communication, Psychology, Economics)	1	60

5) MANAGEMENT STUDIES

S No.	Name of the Programme	Sections	Strength per section
17	B.B.A - Bachelor of Business Administrration	3	60

nore arrested in cr. IDBI loan scam

Bank officials sanctioning loans under agricultural and micro-lending ged land records; total number of those taken into custody goes up to seven

Shikha Goel

backed by forged land records, said Director-General Shikha Goel.

"The latest arrests on May 9 include Bobbili Vengal Rao, Bobbili Jaganatham, Yelike Haribabu, Mudagandla Rajashekhar alias Raju, and Pinneboyana Konda Babu. The five played a key role in fabricating fake documents and seals that were used to illegally secure bank loans," said the officer.

The case came to light after an internal audit flagged suspicious transactions between former IDBI branch manager Nallagopula Ramesh and ex-business correspondent Chettipogu Suresh.

According to the complaint lodged by PH Hashim, Deputy General Manager and Regional Head of IDBI, the duo colluded with others to sanction ₹2.61 crore in Kisan Credit Card loans to 279 beneficiaries and another ₹25 lakh in micro loans to 26 individuals between March 2015 and September 2016.

Subsequent verification by the Revenue department authorities confirmed that the pattadar passbooks submitted as proof of land ownership were forged.

A case was registered by the CID under multiple sections including cheating, forgery, and criminal conspiracy. Both Ramesh and Suresh were previously arrested and remanded.

Mock disaster drill held

The Hindu Bureau
HYDERABAD

Medicover Hospitals conducted a mock disaster drill on Saturday, simulating a high-risk emergency - such as a fire or mass casualty incident. The coordinated exercise involved hospital teams, fire services, police, and ambulance staff. "Preparedness is protection," said Anil Krishna, CMD of Medicover Hospitals, underscoring the hospital's commitment to community safety.
