**Time** – 2:00pm

**Venue**- Commerce Block, Room nos. 14,15 and 16

VOICE- THE COMMERCE CLUB has conducted “VOICE LEAGUE”, exclusively for 2nd years. It was a two- day event conducted in 3 rounds. Every round was an elimination round. 23 teams have registered and participated in the event with 4 students in each team.

The first round was „Commerce Crossword“, where the students were given sheets with crossword puzzle and questions. Participants were asked to complete 20 questions in 30 minutes. 10 teams were qualified to the second round.

Second round was „Turncoat“, this was a debate round in which one of the team members is given chance to speak on the topic. Participants were given 1 minute time to discuss about the topic with their team and prepare. Each team is given 5 minutes for the debate. When the judges ask them to switch, the team which is speaking for should speak against the topic and the team which is speaking against should speak for the topic. Five teams were qualified for the final round.

The final round was „Picture Connect“, in which one of the members in the team is given 8 words related to commerce and should execute them through drawing for the team members to guess the word. They should guess at least 5 out of 8 words. The correct guess of word was marked +10 and the wrong guess was given -5. The time allotted was 3 minutes for each team.

The event was a great success.

### **REPORT**

V.O.I.C.E - The Commerce Club organised a competition exclusively for first year commerce students to upcycle the trash and make a unique product out of it. This was a perfect opportunity given to the students to showcase their creativity skills and make products from scratch. After giving brief instructions,teams were allotted 10 minutes to brainstorm their ideas. And the next 30 minutes were given to them to make the product. All the participants utilised the time effectively and coordinated among their team members to bring out a creative yet unique product. From painting their products to fixing the wires of their products,the participants have done it all and the results were mind boggling. Participants thoroughly enjoyed and had many take aways from the event like time management, working together as a team, turning a simple idea into a useful products.
